

Owen Sound Downs Fort Frances 4-2 To Take 2-1 Lead In Cup Series

OWEN SOUND, Ont., April 30—(CP)—Owen Sound Mercury's moved into a 2-1 lead in games in the Allan Cup playoff finals when they downed Fort Frances Canadians 4-2 tonight at the Owen Sound Arena tonight. Fourth game in the best-of-seven series is slated for Wednesday night.

Tommy Burlington started his team on the victory trail with the only goal of the first period. In the second period, Harry Kazarian put the Merces two goals up, but Dunn Sampson of the Canadians made it 2-1 midway in the frame. The smallest crowd of the series so far watched the contest.

In the last lap, Johnny MacDonald, youthful leftwinger for Owen Sound, pumped in two goals to clinch the game. Ric Ricard bred the other Fort Frances goal in the final period.

It was MacDonald, young leftwinger on the line, who won the game for the Sounders. MacDonald pumped in two timely goals in the last frame to clinch the victory. A graduate of junior hockey this year, MacDonald turned in a sterling effort.

MacDonald picked up the first tally in the last chapter. Ric Ricard answered with a low sizzler half-way through the period.

The young Owen Sounder's second effort sewed up the game.

Coach Bud Jarvis had only one comment to make afterwards. Said Jarvis: "It was the breaks. Our fellows weren't playing their best, but it was the breaks that won the game. We'll be back Wednesday night with a lot more of fight."

Mercury coach Jack Markle still wasn't satisfied with his charges. Although pleased with the victory, Markle said that the Mercury's still weren't playing the type of hockey they're capable of playing. He predicts the forward lines will be clicking more smoothly Wednesday night.

S'side Athletic Ass'n Executive Holds Meeting

An executive meeting of the Summerside Athletic Association was held recently in the office of the president, Dr. H. E. Clark. Those in attendance included D. O. Stewart, Charles Hogan, H. B. Schurman, Robert Clark and James Hogan.

The president pointed out that although the association has been formed nearly two years ago, it had not been very active but now that there is a new athletic field in the town, there will be plenty to do.

A general discussion took place regarding which sports the association would take under its wing. It was decided to include every type of sport that could be played. This would include baseball, tennis, softball, track and field, boxing, volleyball and horse shows.

Councillor H. B. Schurman stated that the town baseball league would fold in favor of the association. He also reported that work had already begun on the new field and that the senior baseball diamond will be ready for opening on May 24th.

A plan as to how the association would function was thoroughly discussed by those present. As usual the financial angle was the big topic. Several suggestions were put before the meeting as to the best method of raising funds for the association, the main one being the selling of membership. However, nothing was decided and the matter was left over for the time being.

It was decided to hold a general meeting of players and fans and all interested citizens in the Town Hall on Friday, May 4th for the purpose of reorganizing the Summerside Amateur Athletic Association. Messrs. Greg Mulholland and James Hogan were appointed a nominating committee to bring in a slate of officers for the general meeting. It is the hope of the executive that all the service clubs in Summerside will have representatives at this meeting and that the citizens in general will attend. If you have a son who likes to play ball or who is interested in track and field, be at this meeting. Mayor Henry Wedge and the Summerside Town Council have done a great service by providing this fine recreational centre. A good turn out on Friday evening will be one way of showing them that the citizens appreciate their action and that all are going to make full use of this fine athletic field. The association can only operate successfully if all are a part of it. — S

Ch'town Curling Club Holds Annual Meeting

The annual meeting of the Charlottetown Curling Club was held in the club rooms last night under the chairmanship of the retiring president, Mr. H. R. Carruthers. The meeting was well-attended, but in view of the unavoidable absence of some of the directors the appointment of the executive officers for the coming year was not carried out, but will be made at a later meeting of the Club Directors.

Three new directors, however, were appointed to hold office for a term of three years. They are as follows: — Frank Acorn, W. R. MacNeill and Roy Bevan who will replace H. R. Carruthers, F. R. McLaine and Dr. Wendell MacDonald, who have all completed their term of office.

Other directors who will continue in office during the coming year are R. M. Jones, D. L. O'Rourke, J. E. Burden, W. R. Jenkins and George Hawkins.

Following the reading of the minutes of the last annual meeting by secretary, James E. Burden, the various annual reports were submitted and adopted.

Reviews Year

But the Sydneyites made it a game battle all the way through the series to only go down by narrow counts of 3-2 in two of their four losses and chalked up both their own victories by the same count. In the other two losses they suffered, however, they proved that they lacked the scoring finish of the Valleyfield boys. In the fourth contest it was nothing short of a determined, spirited rally by Sydney in the second period that brought them from behind a 7-0 deficit to only lose out by three goals (9-6), but seemed unable to cope with the flashing tactics of the Braves on Sunday night to go down heavily under the 7-1 count.

It was no furious 7-goal first period scoring spree for the Braves as was the case in the 9-6 victory, but a steady, persistent performance period by period that piled up their total. Facing themselves all the way, Valleyfield took a 1-0 lead in the first frame, allowed one by Sydney while racking up four themselves in the second, and finished it off by putting a brace in the final without a reply from the opposition. Sydney seemed to hold their share of the play, but fell short around the net against the solid goal-tending of Paul Leclerc in the Valleyfield cage and the defensive action of back-skating Braves forwards.

So it is the end of the trail in Maritime hockey circles for another season, but has been one that has fostered a lot of interest and respect for the hockey that is now being played in the seaside provinces. Teams in the Big Four and Cape Breton loops are already planning bigger and better efforts for Dominion major hockey, recognition next season—and there is little doubt that it will be bigger and better when hockey time rolls around again in the Maritimes.

Coach Toe Blake and his Valleyfield pucksters have now earned the right to meet Toronto St. Michael's Monarchs in the first Canadian Major Series finals, and one or the other will be the honored team to have their name inscribed on the new amateur hockey silverpiece, the Alexander Cup. The first game of their best of seven series will get underway at Montreal tonight, with the second and third meetings scheduled for Toronto on Wednesday and Friday. Dates for the fourth and remaining games if necessary, will be announced later.

As a note of interest to local fans in connection with the sixth and deciding game between Valleyfield and Sydney at Montreal on Sunday, Walter Pawlyshyn of the P. E. Islanders, all-star left winger for this year's Big Four champions, sat in on the contest. According to sportscaster Danny Gallivan Walt, and his chief left-wing opposition of the Millionaires, Fred Hildebrand, attended the game together. Hildebrand, the speedy Cape Breton winger, was out of action as the result of a jaw fracture suffered in the Thursday night tilt against the Braves.

"Red" Kelly Wins Lady Byng Trophy

MONTREAL, April 30—(CP)—Leonard Patrick (Red) Kelly, defenceman with Detroit Red Wings, was announced tonight by the National Hockey League as winner of the Lady Byng Memorial Trophy.

The trophy goes to the player who, during the season, shows the "best type of sportsmanship and gentlemanly conduct combined with a high standard of playing ability."

Vote for the award was cast by 18 sports writers and broadcasters in the six N.H.L. cities. Kelly, already voted to the league all-star team, received 31 of a possible 54 points. He comes from Simcoe, Ont. Woody Dummar, Boston Bruins' winger, had 22 and Buddy O'Connor of New York Rangers 11.

Ten other players received consideration. They are: Roy Conacher, Chicago, 10; Sid Smith, Toronto, five; Don Raleigh, New York, and Max Bentley, Toronto, three each; Frank Eddols, New York, two; Bert Olmstead, Montreal; Turk Brode, Toronto; Sid Abel, Detroit, and Leo Reise, Detroit, one each.

Points were awarded on the basis of three for first choice, two for second and one for third.

Giants Snap Losing Streak

BROOKLYN, April 30—(AP)—New York Giants snapped their 11-game losing streak tonight by scoring a shaky 8-5 National League triumph over Brooklyn Dodgers before a capacity crowd of 33,962 fans.

The Giants jumped into the van for keeps in the first inning with a six-run barrage against Chris Van Cuyk, Earl Mosser and Joe Hatten. The Brooks came back with two in their half on home runs by Gene Hermanski and Jackie Robinson and kept pecking away throughout the rest of the game.

Sal Maglie started for the Giants but left under pressure in the sixth. Sheldon Jones finished. He yielded a home run to Duke Snider in the eighth.

No other major league games were scheduled Monday.

Cleveland Gets Pitcher Lou Brissie In Major Three-Way Player Trade

CLEVELAND, April 30—(AP)—Cleveland captured pitcher Lou Brissie from Philadelphia today in a major three-club, seven-player deal that also involved Chicago White Sox.

Beating the other contenders to the much-sought lefthander, the Indians gave up rookie infielder Orestes Minoos, relief pitcher Sam Zoldak and third string catcher Ray Murray. But Brissie could "make" their southpaw-poor staff. Here's the way the deal works: Cleveland—Gets Brissie from Philadelphia.

Chicago—Gets Minoos from Cleveland; outfielder Paul Lehner from Philadelphia.

Philadelphia—Gets Zoldak and Murray from Cleveland; outfielders Gus Zernial and Davey Philley from Chicago.

The value of the seven players was conservatively estimated at well over \$300,000. Zernial, potentially a terrific power hitter, was sought by Philadelphia ever since Jimmy Dykes, his old boss, became manager.

"It's the kind of a deal a club makes when it's going all-out for the pennant," said Hank Greenberg, Cleveland general manager. "We gave up a lot of power but we think we made a good deal," said Frank Lane, Chicago general manager. "Paul Richards (Sox manager) has been wild about Minoos ever since he caused him so much trouble in the Pacific Coast League."

"I think we made a good one," said Art Ehlers, A's general manager. "We're going to keep moving players." The A's have lost 10 straight.

Brissie, it seems, had the only objection.

"Why did they have to trade me?" he asked. "I never thought that would happen. I know I've been 'bush' so far, but I never thought Jim (Dykes) would do that."

Greenberg said no cash was involved in the first major deal of 1951. He said he was sorry to lose Minoos "who has a chance to become one of the really good ball players of our time."

The Tribe—blessed with four strong right handed pitchers in Bob Lemon, Bob Feller, Early Wynn and Mike Garcia—has been needing a good southpaw chucker.

Brissie, who had to beg doctors during the Italian war campaign not to cut off his wounded left leg, won seven and lost 29 last year for the A's.

CHICAGO, April 30—(AP)—Nowloggin and Whacker Pride longest winners of the first two races at Sportsman's Park today, formed a \$1,136.60 daily double. There were 27 winning tickets on the double. Nowloggin paid \$72.20 to win and Whacker Pride returned \$91.40.

LOS ANGELES, April 30—(AP)—Los Angeles announced today the outright purchase of pitcher Eddie Chandler from the parent Chicago Cubs.
