She fell asleep without saying goodbye-
But memories of her will never die.

Lovingly remembered and sadly missed by Mother and Dad and Brothers.

KELLY — In loving memory of Earl Louis Kelly, who departed this life, May 18, 1944.

In a graveyard softly sleeping,
where the flowers do gently wave,
Lies the one we love so dearly
In that lone and silent grave.

Lovingly remembered by mother, father, brothers and sisters.

McKILLOP — In loving memory of a dear husband and Dad Charles David McKillop, drowned on Magdelene Islands May 20, 1055.

Do not ask us if we miss him
Oh there's such a vacant place
How we'd love to hear his foot steps
And see again his smiling face
But the Lord, who gave has taken
Up in heaven your right you've won
Father dear, our hearts are aching
But the will of God was done.

Lovingly remembered by Wife and Sons.

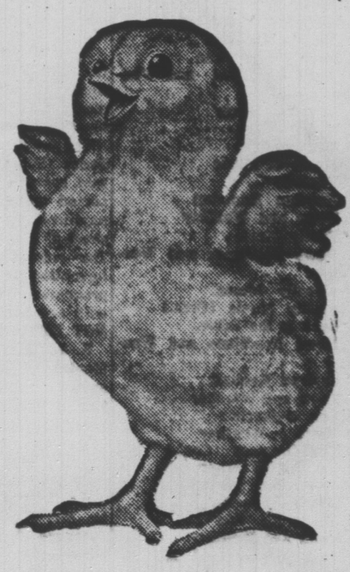
You can

SAVE UP TO $30.00 PER 100 BIRDS!

on the

FUL-O-PEP RESTRICTED FEEDING PLAN

...and get sturdier, more fully developed layers which will give you more Grade A large eggs and a higher hen-housed egg production.



BETTER PULLETS — LOWER COST ON THE FUL-O-PEP RESTRICTING FEEDING PLAN

Chicks are started right. It's the nourishing oatmeal base plus extra nutrient fortification for fast trouble-free starts, in Ful-O-Pep Chick Starter that makes the difference. Only with Ful-O-Pep are your chicks so well developed and prepared for their growing period on the Restricted Feeding Plan.

Pullets are properly developed: Nourishing Ful-O-Pep Growing Mash and your own grain grow big, rugged, sturdy pullets which are fully matured and developed when they come into full production.

How You Save on Feed Costs

The Ful-O-Pep Restricted Feeding Plan is easy to follow. You save up to 8 lbs. of total feed over full feeding plans or about *30¢ per bird.*

Ask your Ful-O-Pep dealer about the easy-to-follow plan . . . so you, too, can grow big, profitable pullets . . . at a big saving.

FREE BOOKLET—

"How To Save Up To $30.00 Per 100 Birds" will give you complete details on raising profitable pullets.

Come and see us or write for your copy. We'll be glad to discuss your pullet growing program with you.
