THE RAILWAY AND THE TRUCK
The railway and the motor truck are destined to be competitors of each other and it is not yet clear just how far this competition will go. Already it has reached the point where some small railway branches have been discontinued

because of lack of business. The annual report of the Boston and Maine railway mentions two such branches which it has been compelled to abandon and even where the branches still pay they are feeling the competition of the auto and the truck. The competition touches both passenger and freight traffic and in regard to the latter the question arises whether heavy trucks should be allowed to use the good roads for heavy traffic. The complaint is made that the constant use by heavy milk trucks and other heavily laden trucks in all kinds of weather should not be allowed. One of our farm journals only last week declared that such use, despite the wide tires which the law requires for heavy traffic, is very damaging to the good roads and one of these trucks will do more injury to the roads than a great many light cars. If this is so it becomes a grave question whether they should be allowed the unrestricted use of the road. The railway has to keep up its own roadbed; and should not the competing truck be compelled to do the same? This is a matter which our good road superintendent will have to settle.

—CABLE HEAD—Misses Grace and Elizabeth E. Anderson have moved to their new residence which is beautifully situated near the waters of St Peter's Bay. The fishermen are busily engaged in building traps and making necessary preparations for the fishing season. The many friends of Mrs. Mary J. Anderson are pleased to see her out again after her recent illness. Mrs. Granville Garrett spent the week end visiting friends at St. Peter's Bay. Miss Katie MacLaren has resumed her duties as clerk in C. E. Partt and Son's store, after suffering from an attack of la grippe. Mr. Simeon MacLaren has purchased a beautiful trotting horse and intends doing some fast driving this season.

—O'LEARY WOMEN'S INSTITUTE will hold its regular meeting on the evening of Thursday May 4th in place of Monday. Miss Caruthers will give a demonstration on salad making.
—MUSICAL TREAT—The choir of the Summerside Presbyterian Church is preparing for the presentation of Maunders sacred cantata "Penitence, Pardon and Peace" which is expected to be produced early next month.
—THE NORTH BEDEQUE DRAMATIC CLUB will present the 5-Act Comedy Drama "The Country Minister," in Central Bedeque Hall, Tuesday evening, May 2nd, curtain at 8 o'clock. Admission 20 and 35c. If evening proves unfavorable play will be given Wednesday.
—THE FISHING—It is said that the Dunk river fishermen either return from their trips with a long string or a long yarn, but from all indications there is little of either variety this spring. Very few fishermen are making the trip so far, owing, no doubt to the restrictions upon rustic motoring.
—ANOTHER ROBBERY—On Wednesday night a number of automobile tires were stolen from an extra warehouse used by one of the leading Summerside garages and service stations. Entrance was made by forcing lock. The police have no clue as to the deprecators so it is possible that this, the seventeenth burglary in Summerside this winter will go unmarked as the others were.
—BIG BARGAIN EVENT—Summerside merchants are planning three big bargain days for next week, Tuesday, Wednesday and Thursday with all the principal stores cooperating. Prizes to the value of \$250.00 or more are being offered for those who guess the nearest number to the actual count of beans in a large glass jar to be put on display in Water St., during the days of the sale, eighteen of the stores contributing to the prize awards.
—SOCIAL ENJOYED—The young people of the congregation held a social and entertainment in the Presbyterian hall at Summerside on Thursday night when an "Old Folks' Concert" was presented and greatly enjoyed by all present. Those taking part in the program were all dressed up in the style of fifty years ago or so. Besides the choruses, dialogues and quartets the following were amongst those who contributed readings and vocal and instrumental duets and solos: Mrs. Nell McLeod, Miss Bessie Smallman, Miss Helen Peters, Miss Cecilia Bradshaw, Miss Adelle McNitt, the Misses J. and R. Gordon, Miss Grace Pirn, Miss Elva Hunter, Miss Vera Tanton and Messrs. Byron Heffel and Roy Smallman.

BASKET BALL

On Saturday afternoon on the Y. M. C. A. gymnasium floor the opening games of the C. G. I. T. girls' basketball competition were staged and the good crowd of spectators present were well rewarded in witnessing two interesting encounters.
The first game was between the Baptist and Zion teams; The Baptists winning handily by ten points to four though at half-time both sides were tied at two points each.
The second game between "The Kirk" (St. James) and the Methodists was won by the Kirk girls by the score of six points to two. It was a fast and exciting game from start to finish and full of spectacular plays. The honours of the game went to Amy Agnew, Kirk, whose most effective guarding of M. Weeks, Methodist, was the outstanding feature of the game. Marion Jardine for the Kirk was the scorer for the St. James forwards ably helped by Helen Jamieson and C. MacLennan.
The teams were:—

WOMAN TOO WEAK TO WALK

Now Works Nine Hours a Day. Lydia E. Pinkham's Vegetable Compound Restored Her Strength

Union Village, Vt.—"I was weak and nervous and all run-down. I could not walk across the floor without resting, and I had been that way for weeks. I saw your advertisement in the paper and after taking one bottle of Lydia E. Pinkham's Vegetable Compound I felt the good it was doing me and I took seven more in all. Before I finished I was able to work nine hours a day in a steam laundry. I cannot say too much in favor of your medicine. I trust all sick and suffering women will take it. It has been two years since I took it and I am strong and well." — Mrs. L. A. GUIMANN, Union Village, Vermont.
This is only one of such letters we are continually publishing showing what Lydia E. Pinkham has done for women. Mrs. Guimann's letter should interest you.
Many women get into a weak, nervous, run down condition because of ailments they often have. Such women should take Lydia E. Pinkham's Vegetable Compound at the first sign of trouble.
