Bringing You Up-To-Date
On What's New And
Interesting at Holman's

By F. E. C.

Have you taken a stroll through the China Department in HOLMAN'S, Charlottetown and Summerside, lately? I did this morning and here are just a few of the lovely articles which caught my eye... Hand Made Miniatures from Carquet, New Brunswick, in a variety of scenes, made of bark and moss, very realistic and most attractive — you'll love them!... Hand Painted Oil Miniatures imported direct from Belgium, rich in colour and charm of the Old World... Hammered Brass Plaques from England, just unpacked, with portraits of the Old Masters. Oh, there are so many gems to be seen — you owe yourself a stroll through HOLMAN'S China Department, Charlottetown and Summerside.
