**Local and Other Items**

**THEATRICAL.**—The "Devil's Auction" Company closed their engagement at the Opera House last night, and crossed to the mainland today. In the audience last night were a goodly number of people who came from Summerside and other points west by special train.

**THE ROAD RACE.**—As the Crescents did not receive sufficient entries for their road race they have decided to call the affair off. It seems so bad that the race failed to fill as the sporting public were looking forward to a closely contested event. While we congratulate the Crescents on their efforts to promote the race, we regret that the racing men failed to do their part.

**FIELD DAY AT ST. DUNSTON'S.**—The students of St. Dunstan's, having failed to induce the Prince of Wales College to take part in an intercollegiate athletic contest, will hold their annual field day on Saturday. A good programme of sports including bicycle races, foot races, pole vault, hand ball, jumping, etc., will be carried out.

**FOREST FIRES.**—Forest fires, which are annual occurrences in this country, says the St. John News, have been more destructive than usual this year, especially in the northern districts. In Greene Bay large acres of valuable timber, which would have afforded the means of employment to numbers of people, have been destroyed. Fortunately no loss of life has been caused by these fires; but the homesteads and property of industrious fishermen, who had in a few years carved out from the primeval forest comfortable farms for themselves, have been swept away by the devastating flames.

**AN OLD AND WELL TRIED REMEDY.**—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething with perfect success. It soothes the gums, allays all pain, cures wind, colic, and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.

Drop in to-day and let us have the amount of that little account, and oblige.—Moore & McLeod.

**MT. ALBION NOTES.**

The farmers are busily engaged in bringing the potato digging and threshing to a close. Mr David Horton, with his improved cleaner, is giving the best satisfaction in the latter business.

If the women in other sections had taken such an active part in the temperance cause as some of the younger ones here a more glorious majority would have been rolled up for prohibition. It is said one gentleman was rather dilatory in going to vote till the wife harnessed up and drove him to the poll. Undoubtedly he voted the proper way.

Mr Peter Stewart is actively at work in buying up sheep and lambs. He reports them quite plentiful down the country especially in Summerside.

Our young sportsmen are still watching Moss Lake. They even went as far as to wound a couple of geese the other night, but it being dark they could not find them. Such cruel amusement should be prohibited.

We are pleased to learn that Mr Samuel Sealy and Miss Gertrude Jenkins who have been laid up, are able to attend to their respective duties again. More praise for Dr. Dewar.

TRUTH.

**How to get on.**

Don't stop to tell stories in business hours. If you have a place of business, be found there when wanted. Have order, system, regularity, liberality, and promptness. Do not meddle with business you know nothing of. Never buy an article you do not need because it is cheap. Strive to avoid hard words and personalities. Pay as you go. Help others when you can, but say no firmly and respectfully. Have but few confidants: the fewer the better. Learn to think and act for yourself. Be vigilant. Keep ahead of the times, and subscribe to THE EXAMINER.

**Piles Cured Without the Knife by Dr. A. W. Chase's Ointment.**

Mr. Geo. Crowne, painter, of Woodville, Ont., Victoria Co., says:—"For thirty-one years I was a sufferer from bleeding piles and the intense agony which I passed through during those years and relief I obtained by Chase's Ointment prompts me to give this testimonial. My physician wished me to have an operation but I felt I could be cured without the knife. Three boxes of Dr. Chase's Ointment stopped the bleeding and effected a permanent cure."

**A COMPARISON.**

SIR,—This government is, according to ex-Premier Warburton, and he ought to know, \$427,000 in debt; and it has taken \$180,000 from the people in taxes. Had it not collected taxes, the debt would have been \$607,000

The Conservative government was \$124,000 in debt at its close which with \$200,000 it drew from capital would make the total sum \$324,000. It was keeping up the Legislative Council for 13 years, his would make \$65,000. It paid teachers' supplements up to \$150, say \$3000 per year more than the liberals. This makes \$39000. It paid higher salaries to officials say \$2000 per year \$26000 making in all \$120,000. But it took \$80,000 from the people.

Present debt plus taxes.....	\$ 607,000
Debt of previous government.....	124,000
	7   483,000

Gives debt of grit government.....	\$69,000
PRESENT GOVERNMENT.	
Debt of Lib Con Government: With-	
drawl from capital.....	200,000
Debt at defeat.....	124,000
Taxes.....	80,000

Total debt.....	\$404,000
Expenditure not now incurred.....	120,000
Under Conservatives....	13   284,000

Annual debt..... \$22,000

This statement affords a fair comparison of the records of the two governments; and if it proves anything it proves that the present government is three times as extravagant as its predecessors. Why should people hope for better things because Hon. D. Farquharson is at the head of affairs? He is responsible for bad government as much as anyone else, because he was a member of every Liberal Administration since the party came into power. Had the Liberal Conservative party been receiving the same amount of taxes as the present reigning party they would not have a deficit every year, but on the contrary a considerable surplus. The grits do not rule wisely nor well. Nor is it likely that they ever will; for they have neither the tact or the genius to conduct affairs in a practical businesslike manner.

Thanking you, Mr. Editor, for your space, I remain,

AN ELECTOR.

Montreal Gazette: The last financial quarter showed an increase in Dominion expenditure following up an increase in taxation, as compared with the same quarter a year ago. We shall apparently not have to "wait until next year" to see Mr. Tarte and his friends exceed the startling record of the last. There is a "continuous performance."
