The Continental

LIFE INSURANCE CO.

OF NEW YORK.

Has decided on establishing branches in this place, thus completing its line of branches from California to P. E. Island.

As the reputation of the CONTINENTAL is now WORLD-WIDE, to adduce any argument in support of its ability, and of its claims to public confidence, would be a work of supererogation. The simple fact that it, last year, issued

12,537 POLICIES,

the largest number issued by any company in the world! is the best guaranty that can be offered of its ability and popularity, and of the public confidence.

The following are a few of the advantages offered by the Continental:

PERFECT SECURITY:—The assets of the Company are

$5,475,850!

securely invested.

ONE-THIRD THE PREMIUM may remain unpaid, as a loan on the Policy, (without Note), until cancelled by the dividend or otherwise.

THE COMPANY BEING PURELY MUTUAL all the profits of the business are annually divided among the Policy-holders.

THIRTY DAYS' GRACE allowed on the payments of premiums, and the Policy holds good during that time.

SHOULD ANY PERSON DESIRE to discontinue his Policy, after two years, the Company will take it off his hands, and give a paid-up Policy for the entire amount paid.

ALL POLICIES NON-FORFEITING. No Charge for Policy, Medical Examination, or Stamps.

ALL CLAIMS IN PRINCE EDWARD ISLAND paid in the Island without the claimant having to go to New York.

EVERY POLICY-HOLDER is entitled to vote at the Annual Election of Officers, and all are eligible to office.

As the great importance of Life Insurance TO ALL, whether rich or poor, is now universally admitted, any arguments to point out its advantages would be superfluous. The patronage of the Public of P. E. Island is therefore respectfully solicited,

JUSTUS LAWRENCE, President.
J. P. ROGERS, Secretary.

BROADWAY.

CHAPTER III.

To the Gentlemen of P. E. Island, Greeting:

GENTLEMEN;

THE summer of peace and plenty, of clouds and sunshine, of pleasure and pain is drawing to a close, and Autumn's chilly winds, rainy weather, muddy roads and streets, are next coming out on nature's programme, independent of the Road Commissioner or City Corporation. Next, Winter, grim king Winter, with his frosts and snows, will blow his Arctic breath across our little Isle, freeze the Straits of Northumberland, and complete the isolation of P. E. Island.

Notwithstanding that your yards, barns, granneries cellars, greenhouses and dairies are stocked, stuffed, filled, stored, crammed crocked and firkined with the fat of the land, the fruits of the vine and products of your stock, you call this "the winter of your discontent." While you have plenty to eat and drink, your discontentment comes from "wherewith are you to be clothed." Come into Broadway and be a contented people.

NOW, GENTLEMEN, FOR THE RAILWAY!

I, D. H. MACKINNON, of Broadway, bear good will to you all, and malice toward none; and now demand the immediate commencement and speedy completion of the aforesaid Railroad for the benefit of the travelling public; and as passing events cast their shadows before, I am taking time by the forelock, and preparing for you all. Accordingly, as fast as our European goods arrive, we are busily making every kind of warm cloth into fashionable and comfortable garments, suitable for the season, good, cheap and durable, so that you may travel with comfort on the Railroad or in your own private conveyance, without fearing the frowns of grim king Winter, or any mortal man who might wish to make you afraid.

Remember BROADWAY has the following GARMENTS!

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

HEALTH! BEAUTY!!

Strong, Pure and Rich Blood—Increase of Flesh and Weight—Clear Skin and Beautiful Complexion, SECURED to ALL.

RADWAY'S

Sarsaparillian Resolvent

HAS MADE THE MOST ASTONISHING CURES, SO QUICK, SO RAPID ARE THE CHANGES, THE BODY UNDERGOES UNDER THE INFLUENCE OF THIS TRULY WONDERFUL MEDICINE THAT

Every Day an Increase in Flesh and Weight is Seen and Felt.

Scrofula, Consumption, Syphilis, uncured and badly treated Venereal, in its many forms, Glandular disease, Ulcers in the Throat, Mouth, Tumors, Nodes in the Glands, and other parts of the system, Sore Eyes, Strumous discharges from the Ears, Eruptive diseases of the Eyes, Nose, Mouth, and the worst forms of Skin diseases, Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers in the Womb, and all weakening and painful discharges, Night Sweats, loss of Sperm and all wastes of the life principle, are within the curative range of Radway's Sarsaparillian Resolvent, and a few days use will prove to any person using it for either of these forms of disease, its potent power to cure them.

Not only does the **Sarsaparillian Resolvent** excel all known remedial agents, in the cure of Chronic, Scrofulous Constitutional, Skin and Syphilitic diseases but it is the only positive remedy for **Kidney, Bladder Urinary, and Womb diseases, Gravel, Diabetes Dropsy, Stoppage of Water, Incontinence of Urine, Bright's disease, Albuminuria, and in all cases where there are Brick dust deposits, or the water is thick, cloudy, mixed with sub-tances like the white of a egg, or threads like white silk, or there is a morbid dark, bilious appearance, and white bone dust deposits, and where there is a pricking, burning sensation when passing water, and pain in the Small of the Back, and along the Loins. In all these conditions Radway's Sarsaparillian Resolvent aided by the application of Radway's Ready Relief to the Spine and Small of the Back, and the Bowels regulated with one or two of Radway's Regulating Pills per day, will soon make a complete cure. In a few days, the patient will be enabled to hold and discharge his water naturally without pain, and the Urine will be restored to its natural clear, and amber or sherry color.**

THE WASTES OF THE BODY

are supplied with new, healthy, and vigorous blood, that furnishes sound structure. Hence all suffering from WEAKENING DISCHARGES, either MALE or FEMALE, of the Womb, Uterus, or other organs, whether Leucorrhœa, Spcrm, or Eruptive discharges, of every kind, or from violence of "Self-Abuse," from the Genital Glands, or Venereal discharges, or ulcers, or sores, through the reparative process of RADWAY'S SARSAPARILLIAN, are arrested, and the ruptured organs healed.

THE TRUE THEORY OF CURE.

RADWAY'S SARSAPARILLIAN RESOLVENT supplies the system, through the blood, urine, sweat, and structure-making constituents with Tissue making, Flesh making, Heat or Caloric and Fat making elements. All of its constituents are *nourishing, purifying, and strengthening. It Repairs, Heals, Resolves, and drives out of the body* the products of Decay and Corruption. CONSUMPTION, WHITE SWELLING, DROPSY, SYPHILIS, CANCERS, TUMORS, &c., are all of a scrofulous diathesis, and as such, are within the curative range of the SARSAPARILLIAN RESOLVENT!

1. That Scrofula, by whatever name designated, is the result of deposits from the blood, induced or caused by Chronic inflamation. That these deposits take place when the blood *is poor, weak, watery,* and incapable of holding in solution its proper constituents, or from the presence of some virus or poison in the blood, as Mercury, Calomel, Corrosive Sublimate, which is the Corrosive Chloride of Mercury or other agents, given in medicines and which enter largely in the common advertised Sarsaparillas, NOT ASSORBED OR CHANGED FROM THEIR NATURAL CONDITION.

2. That unless the repairs or nutriments are greater than the wastes, that decomposition and decay will supervene, and the powers of life become exhausted.

3. That the dying body cannot be sustained on any treatment of medication that exhausts the system, or fails to nourish the blood, the only medium through which the vital forces are preserved, and on which the growth of the body depends.

Radway's Sarsaparillian Resolvent will never before possessed or known of in medicine, has now found principle on which, which has been brought to such a perfection of cure is exhibited as follows:

1. The great power in assimilating the food in its first digestion in the process of digestion, as chyme and chyle with the nourishing elements of blood, arising from these liquids raises and inert quantities they are taken up by the lacteals and are turned into blood. Here we see that by its wonderful power it charges the system with the very essence or principle that forms the vital powers of the body, and its life blood in its primitive and condition, separates every atom of refuse material or from which the virus of disease is formed.

2. That, the blood thus prepared, and supplied with nourishing properties becomes strong, rich and healthy, and builds in solution its proper constituents, through that **Sarsaparillian Resolvent**, and repairs the wastes of the body with sound and healthy structures. Such is the wonderful power the **Sarsaparillian Resolvent** exerts on the blood and tissues of the system, that no virulent humors or poisons will exist by which deposits are made.

3. The rapidity which the **Sarsaparillian** enters the circulation, and permeates its entire system through the blood, Sweat, Urine, and other fluids, secures the constituent secretions of each respective organ, stabilishes functional harmony throughout the system; brough its action and power over the Secretions, the liver secretes its natural or proper allotment of bile, the Skin sweat, the Kidneys urine, and the Lungs carbon; so that this wonderful medicine not only establishes health in the sick body, but preserves the system in health.

As we have shown the principle on which disease is formed, as well as the only sensible theory of cure, we claim that the range of cure of the **Sarsaparillian Resolvent** is unlimited, and that every disease of a Chronic, Scrofulous or Organic Diathesis, is properly within its special range.

THE GREAT SECRET OF CURE

in this Medicine consists in the selection of ingredients containing curative and nourishing properties that supply the blood and general system with such constituents which, in a condition of disease and depravity, it is deficient of, together with the combination of the several ingredients that form the SARSAPARILLIAN RESOLVENT.

If the constituent of Oxygen was exhausted from the atmospheric air, life would become extinct. So, when the blood becomes exhausted of its vital constituents, it deposits its tubercles and diseased humors in the body, and the elements of decay and decomposition supervene. **Radway's Sarsaparillian Resolvent** is to the blood and general system what OXYGEN is to the atmospheric air; it supplies the life principle, and enables the blood to hold in solution all its natural constituents.

DAILY CHANGES

take place, for as the Sarsaparillian increases the strength, and purity of the blood, all deposits are diminished, and where there are tubercles formed in the lungs, the further deposits are arrested, and those that are established or forming dislodged, expelled, exhausted, or the portion of the diseased lung organized, and the consumptive, scrofulous subject receives good, if not sound, health.

BLIND LADY CURED.

Gravel, Dyspepsia, Sore Legs, Bleeding from the Lungs, Cured.

Mr. GEORGE MORTIMER, a commercial traveller, in Canada West, writes us, under date of April 17, 1868, from Woodstock:

"The SARSAPARILLIAN RESOLVENT is in great demand, and working wonders. Mr. HOAG, of Strafordville, merchant, told me of a case where a woman WAS BLIND, but, by the use of the SARSAPARILLIAN RESOLVENT, can now see to read. She would give a certificate, but does not wish to be bothered with people writing. Hundreds call to see her. The cure is regarded as wonderful.

"Messrs. WHITE & SCOTT, principal druggists here, inform me of a person of note—high social standing—who for years was afflicted with DYSPEPSIA and GRAVEL, who has been entirely cured by RADWAY'S SARSAPARILLIAN RESOLVENT."

Mr. HOAG reports another case of Chronic Sore Leg, that resisted all other advertised medicines, cured by a few bottles of SARSAPARILLIAN RESOLVENT.

"Mr. JONATHAN FREELAND, of Widder Station, cured, by one bottle, of Bleeding from the Lungs, Night Sweats, Threatened Consumption.

"In every town I visit I hear of wonderful cures by the SARSAPARILLIAN RESOLVENT. For every kind of Humor, Sore, Skin Eruption, and all weakening discharges, the people use it, and become cured; so with Fits, Scrofula, White Swelling, Sore Heads and Eyes, Nose and Mouth, all kinds of Sores, this wonderful remedy acts so powerfully on the blood that all who take it become strong, sound, and healthy.

"GEO. G. MORTIMER,
"Commercial Traveller."

RADWAY'S SARSAPARILLIAN RESOLVENT is sold at $1 per Bottle, or 6 Bottles for $5, by all Druggists and Medicine Dealers, and at DR. RADWAY'S Medicine Warehouse, 87 Maiden Lane, New York City.
