## Some Great Racing

HARNESS racing fans are witnessing some outstanding race programs both at Charlottetown Driving Park and Summerville Raceway.

Although several stables have made for mainland tracks these past few weeks, the calibre of racing has not deteriorated one bit. If anything, folks are being treated to more spectacular performances than was the case earlier this past summer.

The public has reacted to this by turning out in bigger numbers than they usually do to see exciting programs and as a result, the mistle handle is keeping up nicely.

Weather is not a factor tonight, you can expect a large crowd on hand at Charlottetown Driving Park where another exciting eight-dash card is arranged. Last Thursday night, favorites held the spotlight and that was unusual of late lightly-backed pacers and trotters has been hitting the wire first and paying handsomely at the cashier windows.

## Track Record Toppes

OVER at Moncton's Brunswick Downs Thursday night, Willie's Adios was winning the Maritime Pace Derby and giving the Moncton oval a new track record of 2:04. It was the sixth straight circuit triumph for the Wheezy pacer and brought his earnings to over \$15,000 in the Maritimes this season.

Island owned June Boyd and Dominion Bred grabbed thirds. June had the show spot in the first mile and Doug Hill's pacer was third in the second trip.

Sam Brock, the other outstanding pacer in the Maritimes this season, has departed from these seaside provinces for the rest of the fall season. We understand he is making out of Rockingham Park and undoubtedly Walter Craig will get a good account of himself with Don MacKenzie's great pacer.

At any time it is not certain they'll keep going until Saturday, October 12. After that we hear rumors that Saturday afternoon racing may be introduced for the winter months at Charlottetown Driving Park.

It sounds like a good idea and would be a pleasant way to spend some otherwise dreary winter Saturday afternoons. It gives racers a good bet at the past year's pace to those meets.

## Top Football Action

BRITISH COLUMBIA Lions in Hamilton tonight and they are hoping to add to their first-place margin in the W.F.U. On the other hand, the Tiger-Cats could go into undisputed possession of first place in the Ontario League.

This is one contest that we can watch in our living rooms and as soon as the races are over that's what most fans will be watching.

It surely should be a hard battle, with the Lions favorites to topple the Easterners. However, their Tiger-Cats are expected to be in it long into the Lions and their roar could be subdued before the night's proceedings are concluded.

## Good Luck, Boys

ALL Prince Edward Islanders will be pulling for Charlie Ryan's Canadian Legion Juniors to win that sudden death final in the 1963 season.

It's a tough battle with the sensational Mike Kelly against the mainlanders and there seems little doubt that the Islanders' opponent will be the equally sensational McLure.

And who knows but that the N.B.P.L. crown and a chance to play N.S. for the Maritime Cup.

British Columbia Lions and Calgary Stampeders, running one-two in their own division and unbeaten in inter-club play to date, have a 7-2 won-loss record to protect on behalf of the Conference as they open two-game Eastern swings.
