You can't measure a girl's love by its sighs. She—I've just made myself a present of a new bonnet, and I've got something for you, too! He—Good! What is it? The bill.

A bridegroom is like a car-coupler. He is the most insignificant object in sight; but the thing can't go on without him.

The Only Remedy G. M. Linton, I have used Burdock Blood Bitters for my blood and for pimples, and it has cured me. As a safeguard Dr. Fowler's Extract of Wild Strawberry should be kept in the house. For 35 years it has been the most reliable remedy.

Gayman—This is a great day with us at home. My daughter "comes out" to night. Dumley—Don't say! So does my brother. He's been in for seven years.

A Child Saved. My little boy was taken very bad with diarrhoea, he was very delicate and so low we had no hope of his life, but a lady friend recommended Dr. Fowler's Extract of Wild Strawberry, and although he could only bear a few drops at a time, he got well. I saved my child.

Mrs. WM. STEWART, Cam. bellvi. lo, Ont. Adam was the only man who ever started for his office of a morning without having some of his women folks stop him at the front door to brush his coat.

Seven Years' Suffering. Gentlemen, I have suffered very much from inflammatory rheumatism which through long treatment largely running sores on my hands and feet. With these I suffered seven years, during which time I had neither shoe nor stocking on. I commenced using B B B externally and internally, using the pills also, and I can say now that the sores are entirely cured, and have been for some time. I believe the bitters were the means of saving my life.

Mrs. ANNIE BARR, Acton P. O., Ont. Visitor—So you have a little baby sister? Little girl—Yes'm. Won't she be mad when she gets bigger and finds she's got to wear my clothes?

Rapid Relief. Dear Sirs,—I had for years been troubled with dyspepsia and constipation, and found but little relief until I tried your Burdock Blood Bitters, which made a perfect cure. It is the best medicine I ever had in my life, and I will never be without it.

Miscellaneous Items.

THE ATMOSPHERE.—It is the atmosphere which converts sunbeams into daylight, and fills the space in which we are with illumination. When the sun is above the horizon it illuminates the atmosphere and clouds, and these again disperse and scatter a portion of its light in all directions, so as to send some of its rays to every exposed point, from every point of the sky. Were it not for the reflecting and scattering power of the atmosphere, no objects would be visible to us out of direct sunshine; every shadow of a piling cloud would be pitchy darkness; the stars would be visible all day, and every apartment in which the sun had not direct admission, would be involved in nocturnal obscurity.

The Genuine Merit. Of H. O.'s Sarsaparilla a fine friend who- ever it is fairly and honestly tried. Its properties are highly gratified at the letters which come entirely unsolicited from men and women in the learned professions warmly commending Hood's Sarsaparilla for what it has done for them.

Hood's Pills cure liver ill, jaundice, biliousness, sick headache, constipation.

No one can ever tell what a woman will do next. If any one did tell, she would be sure to go and do something else.

It's sometimes said patent medicines are for the ignorant. The doctors foster this idea. "The people," we are told, "are mostly ignorant when it comes to medical science. Suppose they are! What a sick man needs is not knowledge, but the medicine that cures is the medicine for the sick. Dr. Pierce's Golden Medical Discovery cures the "do-believers" and the "don't-believers."

There's no hesitance about it, no "ifs" nor "possibles." It says—"I can cure you, only do it for me." "I can cure you, only do it for me." The makers hear of it when it does, because they never keep the money when the medicine fails to do good. Suppose the doctors were at that principle. (We beg the doctors' pardon. It wouldn't do!)

Choking, sneezing, and every other form of catarrh in the head, is radically cured by Dr. Sage's Catarrh Remedy. Fifty cents. Sold by druggists everywhere.

Young L'ry Patient—Doctor, what do you do when you burn your mouth with hot coffee? Doctor—Swear.
