On the Use of Campbell's Wine of Beech-Tree Croscote, in Diseases of the Lungs and Throat.

IN the South of France, where all persons threatened by Phthisis go to be treated; where Doctors Bouchard and Gimbert, the two specialists so highly recommended by public opinion, have experimented with all the proposed medicines against Pulmonary Tuberculosis, it is the one prepared to-day and that which for ten years past they have finally adopted, after many comparative experiences, based upon the anti-septic method, having specially in view the destruction of the Bacilli.

After a few days' use of the remedy, the expectoration diminishes, and very soon one is pleased to witness the gradual disappearance of the Bacilli, the breaking off of the fever and the rapid recovery of appetite and strength.

DIRECTIONS.—A small dessert spoonful three times a day, after each meal, gradually increased to a large dessert spoonful.

THE LADIES!

A New and Distinct Form of Disease which is afflicting Canadian Women. How some of them Regained Fresh Complexion, Perf of Health and superb Physical Beauty.

A great London Physician says that he notes a new and distinct form of nervous disease produced in Canadian women by worry about servants and overwork in caring for the home. This kind of trouble is only too true. It is why we see so many ladies pale, weak, languid, and suffering from headaches and innumerable weaknesses. They cannot stand the strain upon their nervous system. Many of them have found the means to sustain their failing strength, to give color to the cheeks, and new life and vigor to the body, in Paine's Celery Compound. This pure and scientific remedy is especially adapted to the needs of woman, and is daily making the most remarkable cures. Mrs. W. E. Cooper, 60 St. Hyppolite St., Montreal, was for a long time troubled with nervous headaches, loss of appetite, low spirits, etc. After using the Compound, her headaches disappeared, appetite was good, and her spirits revived. Annie Gourley, of River Beaudette, P. Q., found the Compound a certain cure for weakness, and now feels as well as she ever did. Many a Canadian lady has the same reason to be grateful. Paine's Celery Compound can be purchased at any druggist's for one dollar a bottle. If he should not have it on hand, order direct from WELLS, RICHARDSON & CO., MONTREAL.

DRUNKENNESS

Or the Linger Habit, Positively Cured by Administering Dr. Hall's Golden Syrup. It can be given in a cup of coffee or tea without the knowledge of the person taking it; it is absolutely harmless, and will either prevent or speedily cure, whether the patient is a moderate drinker or a decided drunkard. It has been given in thousands of cases, and in every instance a perfect cure has followed. A never fails. The system once re-established, the patient is able to resist the temptation of the liquor appetite to arise. For regular and full particulars address CHAS. S. WELLS & CO., 236 Nassau St., Cincinnati, O.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in wisely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies. Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments. As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, worn-out, "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing, cooling and restorative tonic. As a soothing and strengthening nervine, "Favorite Prescription" is unquailed and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency. Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppression, prolapsus, or falling of the womb, weak back, female weakness, anteversion, retroversion, bearing-down sensations, chronic constipation, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with internal heat, and all other ailments. As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life." "Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood faults, and abolishes cancerous and scrofulous humors from the system. "Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturer, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years. Large bottles (100 doses) \$1.00, or six bottles for \$5.00. For large, illustrated Treatise on Diseases of Women (100 pages, paper-covered, send ten cents in stamps. Address, World's Dispensary Medical Association, 233 N. 3rd St., BUFFALO, N. Y.
