THE TEMPERANCE QUESTION.

An Appeal to Clergy and Temperance men to do Their Duty.

On Sunday evening, 26th inst., Rev. Mr. Howard preached a very timely sermon on "Temperance" in the Pownal Methodist Church. He vividly portrayed the evils of intemperance and said it was the "maddest folly for any Government to tax liquor for the sake of revenue" thereby legalizing and making respectable the accursed business that makes criminals and paupers, creates want, misery and woe. We hope that every Minister on the Island will follow the good example of Mr. Howard and from their pulpits denounce this drink evil and the men who have licensed it. Let them call upon the people to rise in their might and show these men that they cannot do such things in an avowedly temperance and prohibition country, and expect to go unpunished. Surely "His watchmen are not all blind, they are not all dumb sleeping shepherds."

What then are we Temperance men going to do? Are we going to swallow the insult offered to us by the Federal Government, after our work and splendid vote, for Prohibition, while they never intended to give it to us? Then was heaped on top of this the insult of our Local Government in legalizing the sale of the accursed stuff, for the stamping out of which we are organized. If we do not come out like men, and by our voice and votes resent these insults, then in Heaven's name, let us shut up our Ledges and convert them into rum shops. Let us not keep up the farce any longer. I for one will not support this or any party that thus prostitutes their temperance principles for the sake of gain. And when we see our Grand Secretary stumbling the County in the interests of the License Act Party, it is time we asked him to step down and out. Oh, Temperance men, where are we?

A TRUE TEMPERANCE GRIT.

GET THE WAR NEWS

EVERY DAY

THE DAILY EXAMINER is first on the streets each day with the fullest and latest despatches from the seat of war. This is admitted on every side.

THE DAILY EXAMINER will be sent to any address during the war for twenty-five cents a month. Write enclosing stamps to THE EXAMINER PUB. CO., Charlottetown

Local and Other Items.

WELL DONE.—The British residents of Portland, Oregon, have raised \$500 for the fund for the widows and orphans of British soldiers killed in South Africa.

BOYS WANTED.—Boys are making money selling THE DAILY EXAMINER. It is no trouble for a smart boy to make a fair amount of pocket-money each evening. Boys should be on hand at the office each afternoon at four o'clock.

AN EVENT CELEBRATED.—At Great Bend, Kansas, one day last week, a formal saloon opening was celebrated by a parade from the station to the saloon. The Mayor and Town Marshal in a carriage, headed by a band playing "A Hot Time," led the procession. Speeches were made and free drinks given to the crowd. The ministers of Great Bend will start a temperance crusade and demand that the State prohibition law be enforced.

COMMENDABLE ENTERPRISE.—With its characteristic enterprise, The National Magazine, of Boston, as soon as war in the Transvaal became an assured fact, dispatched a special representative to South Africa, and the forthcoming numbers will contain authentic reports of the situation. This is in line with their policy of keeping closely in touch with every event of moment in any quarter of the globe, and reflects great credit on the energetic management of this popular magazine.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs Winslow's Soothing Syrup.

DREAM CAME TRUE.—Neighbors of Mrs. R. Maloney, of West New York, N. J., are talking of a strange dream which caused the woman to jump terrified from her bed, rush out of the house and run to the tracks of the river road to a ditch in which lay the mangled body of her son Daniel, who had been run over by a passing train while his mother lay asleep. Mrs. Maloney says of her dream: "I saw my boy fall under the wheels of a train. I saw his white face and the look in his eyes, I saw the wheels grind him to pieces. When I came to my senses I was screaming, shivering. I put on my clothes and ran out of the house. I was alongside the track. I ran along in the darkness and when I found the body of my son it was crushed by the wheels as I saw it in my dream. It is certain that Mrs. Maloney was the first to find the dead man. He was killed scarcely a hundred yards from his home. He was running along on the top of the freight cars when he slipped and fell between the wheels."

Who does not know women and young girls who are continually in tears? Who always see the dark side? Who have frequent fits of melancholy without any apparent cause? The intelligent physician will know that it is some derangement of the complicated and delicate feminine organs. The young girl suffers bodily and mentally, in silence. There is undue weakness, unexpected pain, unreasonable tears and fits of temper. Dr. Pierce's Favorite Prescription exerts a wonderful power over woman's delicate organism. It is an invigorating tonic and is specific for the peculiar weakness, irregularities and painful derangements of woman. Careless, easy-going doctors frequently treat their woman patients for biliousness, nervousness, dyspepsia, liver or kidney troubles, when the real sickness is in the organs distinctly feminine, and no help can come till they are made perfectly strong by the use of Dr. Pierce's Favorite Prescription.

The Montreal Daily Star has its own correspondent with the Canadian contingent. It will have and has had more war news than any other paper in Canada, and you can get it for a whole year every day for one dollar. Robert L. Cotton, agent, P. O. Box 84, Charlottetown.
