IN A LICENSE TOWN.—Mr. J. W. Hughes, of Ottawa, in the course of a letter, (bearing date December 30th) the arrival of which has been delayed, says: "Xmas passed off very quietly in the capital. No accidents, no riots, quarrels or murders as was unhappily the case to an alarming extent across the border, and but one solitary arrest for the common offense of drinking. On Friday morning but one case awaited the coming of His Honor, which must be considered a good record where scores of high license houses were open in a city of forty five thousand people, who have not the saving qualities of the Scott Act to secure sobriety. By the way, can Charlottetown, being situated in a Scott Act province, and being itself protected by that system, boast of a better record than Ottawa can? If so, maintain your present system, if not, change it, and adopt ours on the 8th January."

ANOTHER VETERAN GONE.—The numerous friends of Richard Collings of this city will be deeply grieved to hear of his death, which occurred yesterday at 1 Cumberland street. Mr. Collings was 47 years of age, and an old Grand Army man. He served in company F, 25th Massachusetts regiment, and participated in Gen. Burnside's entire expedition. He was probably the best known man of his regiment, and was universally beloved. The cause of his death was malarial fever, contracted on the return from Gum swamp in Virginia. This together with the results of a sunstroke on the battlefield at second Cold Harbor, caused kidney troubles and ultimately heart failure, which culminated in his decease. He leaves a widow. The funeral will take place from his residence at 2 o'clock to-morrow afternoon. Rev. Dr. O'Donnell will officiate.—Boston Herald.

[Mr. Collings was a native of this Province and has many friends here who will regret to hear of his death.]

TELEGRAPHIC NEWS.

SPECIAL DISPATCHES TO THE EXAMINER.

Blaine's Latest Contention.

OTTAWA, Jan. 6.

The contentions put forward by Blaine in his latest discussion of the Behring Sea matter are a current topic in official circles here. In his extremity he adduces one or two points never raised before, and which are of little value in the light of the facts. His citation of the pearl fisheries of Ceylon as a precedent is rendered as useless by the fact that Britain has never attempted to include foreigners. In like manner, the statute of George III. in reference to St. Helena only applies to British vessels coming within eight leagues of that Island. If Britain really exercised her power to exclude foreigners at the time of Bonaparte's exile, she did it as a measure of war and with the consent of the great allied powers.

Another Victim.

NEWBURYPORT, Mass., Jan. 6.

This afternoon, shortly after 5.30 o'clock, Edgar Brekman, aged 24, after spending a day in Newburyport, returned to his home in South Seabrook intoxicated. He went upstairs to the front room, and had not had time to remove his overcoat, when, after some words with his wife, the latter, in a fit of anger, seized a small butcher knife and stabbed her husband over the right nipple. The man fell to the floor and in a few minutes died. The couple were married about six years and have three children living, the oldest being four years old and the youngest three months. Mrs. Brekman is under arrest.

Skating Championship.

AMSTERDAM, Jan. 6.

Joe Donaghue, of Newburgh, N. Y., amateur champion of the United States and Canada, won the half-mile international skating race to-day, covering the distance in 1 minute and 25 seconds. Donaghue also won the two-mile race in 6 minutes 10 1/2 seconds.

HALIFAX, Jan. 6.

Ladlaw skated five miles to-night in 18 40 1/2, beating all previous records.

A Pardon.

AUGUSTA, Me., Jan. 6.

The Governor and Council to-day granted a pardon to J. Wilbur Day, who served five of a twelve years sentence in the state prison. He was convicted of burning game warden Fred Munson's house in Westley. His conviction was the result of an effort to stop poaching. Evidence has since been obtained to almost prove Day's innocence.

Freeing the Slaves.

THE LANTANA WRECKED.—The wreck of the brig, Lantana, owned by Messrs. Macdonald & Westaway, of Georgetown, and the drowning of her crew is reported by telegram from Newfoundland. The Lantana left New York for St. John's, Nfld., on the 23rd December last, but never reached her destination, being wrecked in St. Mary's Bay. Part of the vessel's stern and the bodies of three men, one of which is supposed to be that of Captain Angus Murchison who commanded the Lantana, have been washed ashore. Captain Murchison was a son of John Murchison, Esq., of Point Prim. Captain Murchison's brother and a young man named Gillis, also belonging to Point Prim, were on the Lantana with Captain Murchison. The relatives of the deceased seamen will have the sympathy of the community.
