

Great English Remedy!

The most valuable Spring and Summer Medicine in the World:

Dr. Halsey's FOREST WINE!

Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medical Wine in the World.

Medicines containing mules or liquor like the boasted Sarsaparilla, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different matter, and requires very little to give it consistency, but acquires its excellent power and powerful medicinal properties from the vegetable plants of which it is brewed. The Forest Wine combines the virtues of the wild CHERRY, DANDELION, YELLOW DOCK, AND SARSAPARILLA, and other valuable plants whose properties are as most effective.

In high constitution renders it one of the most efficacious medicines now in use. Sometimes less than a single bottle restores the lingering patient to weakness, debility, and sickness, to strong and vigorous health. Great success has been shown in its good effects on the constitution, and improves the state of the health. The Forest Wine is recommended, in the strongest terms, to all consumptive, Rheumatic, Liver, Kidney, Nervous Disorders, Bilious, Catarrhs, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrophulous, and all Disorders arising from BAD BLOOD and impure humors.

SAVED FROM DEATH.

Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N. J. "I had been afflicted with Rheumatism of the Neck, and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death, and my doctor advised me to give up. My physician had given me up as past care, and my family had lost all hopes of my recovery. While in this state of prostration, your Pills were sent me, and I procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief, my bowels and bladder were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your Pills for some time, my bowels, Piles and Asthma were completely cured. The Dropsy, through which my life was placed in such great danger, was also cured, and I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am now nearly 60 years of age. Yours, respectfully, N. MATHEWS.

Newark, N. J., Dec. 19, 1847.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS' STANDING.

Dr. Halsey—Dear Sir, January 9th, 1848. Your Pills and Wine removed a disease of the Liver from me which I have suffered severely for upwards of ten years, and having tried every other medicine which occupies the medicine, I have recovered my health, notwithstanding all my kind friends have been induced to advise me to take the Wine and Pills, I had recourse to the best medicine for treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to induce me to make use of any advertised remedies; and I do not but, that there are hundreds who are dissuaded from taking your excellent medicines, by the same reasons of opinion and inefficiency of many advertised remedies put forth by unprincipled men in flaming advertisements, who wish what is said to be done, to be used by others should be the means of dissuading many labouring under disease from making trial and being cured by your excellent remedies. Humane speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and in six weeks from the time I purchased the medicines, to the great surprise of my friends, I was enabled to walk, and had increased fifteen pounds in weight, having taken one box of the Pills, and two bottles of the Wine. Would to God every poor patient could avail himself of the same remedies. Yours, &c. JAMES WILTON.

NERVOUS DISORDERS.

Are a disease of the mind, and of the body usually brought on by troubles and affliction, and are most common to persons of delicate constitutions and nervous minds. They are attended with fearful dreams, and fearful anticipations of evils from the slightest causes, generally accompany nervous disorders, and the best of Pills are an energetic remedy in these complaints.

Extract of a letter from Mr. Joseph C. Paulding, dated Philadelphia, September 7th, 1848.

Mr. G. W. Hasley—Dear Sir, your Forest Wine and Pills have cured my wife of a dreadful nervous disorder which she had been afflicted with for several years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, and her nervous system was in a state of prostration, and at times laboring under the delusion that something dreadful was about to happen to her. I tried every other medicine, but without success. The Pills, she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.

J. C. PAULDING.

Dr. David Marin, a celebrated practitioner of New York, declared publicly that one bottle of Halsey's Forest Wine cured him of a nervous disorder, and that the large bottles of Sarsaparilla, Messrs. S. S. Lamm & Co., one of the largest and most respectable druggists in Syracuse, N. Y., had cured him of the same disease, and seen of Halsey's Forest Wine they have never seen any other.

It is an excellent and good medicine, and will undoubtedly become the most celebrated of the day. The Forest Wine is put up in large bottles, each of Dr. Halsey's name being in the glass, 81 cents per bottle. 65¢ Tam-coated bottles, 25 cents per box. Agents authorized to retail, and sell wholesale, on as favorable conditions as possible, No. 161 Duane St. corner of Hudson, N. York.

NATURE OUTWITTED!!

Dr. Antrobus's Persian Hair Restorative, AND HAIR DYE.
Under the immediate Patronage of the Princes of Persia and India.

These articles are without doubt the most extraordinary in their powers ever submitted to the Public, and require but to be tried, to be appreciated, admired, and continued.

It is a well known fact, that every other medicine prevents it falling off, and strengthens the hair and creates a natural curl, and by its use, myriads of persons of both sexes, have had their hair changed into a good head of hair at the present moment. Its efficacy is therefore manifest, and the whole world is challenged to produce an article equal to it, either for beautifying the human hair or preserving it in the best period of its life. For the production of Whiskers or Moustaches, it is infallible.

The qualities of the HAIR DYE are decidedly superior to any thing of the kind ever attempted and the whole world is challenged to produce an article equal to it, either for beautifying the human hair or preserving it in the best period of its life. For the production of Whiskers or Moustaches, it is infallible.

Copy of a Letter from Mr. Magrath, M. R. C. S. D., dated Dulo Street, London, January, 1854.

To Dr. ANTROBUS, Sir.—I feel great pleasure in attesting the virtues of your Persian Hair Restorative. Several parties who have been patients of mine having derived the most acceptable benefit from using it; and in fact it is owing to the use of it, that several of them are not at the present moment completely bald; one party I may mention in particular, who had been led up with typhus fever, and several of his attendants, after the attack however left her almost as beautiful as ever in the face, still with scarcely any hair on her head, and she is now as healthy as ever. I have recommended her to use your Persian Hair Restorative, and in a three months, she again possessed the same luxuriant and curling locks as her hair, although if possible, still more jet like, and attractive. I must admit, although I have recommended to a hundred of persons of both sexes, I have never found it fail, and consider, that where the hair is not past human life, your wonderful preparation will restore it to its pristine state.

Your Hair Dye is the best I have ever seen or heard of, and has been used among my private acquaintances, and is highly and deservedly, and I am, Sir, yours most truly,
(Signed) DENNIS MAGRATH.

Letter from Henry, Consul, Hair Dresser and Wig Maker, of 124, Leadenhall Street, London.

To Dr. ANTROBUS, Sir—Your Hair Restorative is one of the greatest blessings ever discovered. Several of my customers are quite enraptured with it, and consider it beyond all praise. I cannot deny, but that it has appeared to me to be a most valuable remedy, and I have been using it for a few weeks, it exceeds any thing of the kind I ever used, causing a complete metamorphosis; in only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to your medicine. W. WILLIAMS CLARK, Salmon Bock, Arrostook Co., Me.

You should bear in mind that these Bitters are ENTIRELY VEGETABLE, thereby possessing advantages far above most of the preparations recommended for similar diseases.
