

CHEAP CURES FOR GREAT DISEASES! HOLLOWAY'S OINTMENT.

Old Sores and Old Skin Diseases.

The seeds of these disorders are effectually expelled by this penetrating Unguent, not only from the superficial parts, but from the internal tissues likewise. Any case, even if of 20 years standing, speedily yields to its influence.

Bronchitis, Diphtheria, Sore Throat, Asthma, &c.

Rheumatism, and erysipelas, may be overcome by frequently fomenting the affected parts in warm water, drying, and immediately applying this soothing Ointment. The same procedure applies equally well for curing sore throat, diphtheria, bronchitis, asthma, tightness of the chest, and pain in the side, which instant treatment alone prevents degenerating into more serious maladies. This Ointment has the same derivative powers over chest complaints as a blister possesses, without causing pain or debility.

Hemorrhoids—Piles and Abscesses.

Thousands suffer severely for years from these annoying complaint through false delicacy. Let such purchase a pot of Holloway's Ointment, read the directions which accompany it, act upon them to the letter, and they will, without difficulty, succeed in obliterating every vestige of these harassing ailments.

Accidental injuries, Infantile ailments.

In cuts, bruises, sprains, burns, and scalds, it will be found cooling, sedative and healing. The part affected should be fomented in warm water, dried gently, and the Ointment should be instantly applied. This purifying Ointment may be safely used in all eruptions, chafings, and other cutaneous affections to which children are liable.

Bad Legs, Bad Breasts, Old Sores and Ulcers.

By rubbing the Ointment round the affected parts, it penetrates to the tissues beneath, and exercises a wonderful power on all the blood flowing to, and returning from, the diseased part. The inflammation diminishes, the pain becomes less intolerable, the matter thicker, and a cure is soon effected. In all long standing cases, Holloway's Pills will thoroughly expel all depraved humours from the body.

Glandular Swellings, Stiff Joints.

This class of complaints yield without difficulty to the cooling and anti-inflammatory properties of this famed Ointment. It should be well rubbed over the affected parts, after due fomentation with warm water. It acts by stimulating the absorbents to increased activity, restraining ulceration, and promoting a free and copious circulation in the parts affected, and hence speedily and effectually ensuring a cure.

Gout, Rheumatism and Paralysis.

Gout and Rheumatism arise from inflammation in the parts affected,—to effect a permanent cure, adopt a cooling diet, drink plenty of water, take six of these famous Pills night and morning, and rub the Ointment most effectually twice a day into the suffering parts, and is certain. The paralytic patient should take about three Pills twice a week, and let the Ointment be well rubbed into the paralyzed limb, which will, in a very little time, be greatly benefited,—indeed many cures have been effected by this treatment.

Eruptions on the Skin.

In this class of complaints, no matter the age, the sex, or the place, or under what name, the disease may be classified, it may be cured if this Ointment be well rubbed into the system, and Holloway's Pills taken night and morning to purify the blood.

Both the Ointment and Pills should be used in the following cases:
