NO MORE SCIATICA.
Valentine Fisher is Cured of His Troubles
to have no return. He is doing a flourish-
ing Fruit Tree Business.

COLLINGSWOOD, Sept. 10.—About a year
ago, a telegraphic dispatch from here told
how Valentine Fisher, who had suffered
for years from sciatica, and who was so
crippled with the disease as to be unable
to work and generally thought at
death's door, was cured by Dodd's Kidney
Pills. That the story was no fiction was
known by all citizens of this place. That
the cure is a permanent one is now just as
generally known, for since his recovery,
Mr. Fisher has been hard at work, selling
fruit trees for Chase Bros., of Rochester,
N. Y., and has travelled the whole of this
section for this firm with most gratifying
success.

SORTA, Sept. 23.—Elections were held
throughout Bulgaria to-day for members
of the Sabor. The returns thus far re-
ceived show that none of the candidates
opposed to the government have been elect-
ed. It is probable that the ministerials
have carried the day by a large majority.
The elections were everywhere quietly con-
ducted.

This is a hard season on old people.
Many are weak, have no appetite, and are
generally depressed. A course of Haw-
ker's nerve and stomach tonic will give
them a new lease of life.

EMERYBURG, Iowa, Sept. 22.—A terrific
cyclone passed over this section last eve-
ning. Many houses were demolished, two
persons killed and several fatally injured.
A number are missing and are believed to
be dead.

All who desire to avoid imposition and
be cured, should insist on having Dodd's
Kidney Pills, put up only in bottles, with
hand-escape trademark, on surrounding buff
wrapper.

MADRID, Sept. 23.—With all the impos-
ing ceremony of the church the Most Re-
verend Lord Plunkett, archbishop of
Dublin, to-day consecrated the Protestant
church in this city, and also consecrated
the Rev. Senor Cabrera as the first Protes-
tant bishop of Madrid. It is expected that
the elevation of Senor Cabrera to the bisho-
pate will cause a sensation in the Catholic
world.

The greatest flesh and blood maker in
existence and a life-saver to consumptives
is Miller's Emulsion of Cod Liver Oil,
"the kind that cures" colds, coughs,
bronchitis and lung diseases generally.
Every bottle warranted. No oily taste
like others. In big bottles, 50c. and \$1.00,

There is a magic in the perfect costume.
It makes beauty more powerful than the
sovereign. It is the brilliant setting for
beauty, and for those who have not the
conquering power of looks, it lends the
illusion of them. Some ladies say: "It is
not so much the material as the make up."
But the right material must be there, or
you cannot have a creation. Priestley's
dress fabrics are noted for the beautiful
result they realize in the hands of the mo-
diste, draping and fitting the figure with
exquisite grace. The trade mark is "The
Varnished Board."

New York, Sept. 23.—Three thousand
shirt makers, including 1,400 women and
girls, and 1,600 men, all members of the
shirt makers' union, decided yesterday to
demand an increase in wages of about 50
per cent.

ing, with perfect success. It soothes the

cures the colic, and is the best remedy for
Diarrhoea. It is pleasant to the taste. Sold

Boston, Sept. 23.—Three largest cloth-
ing manufacturers yesterday signed an
agreement for advance of the wages asked
by garment workers, and a fourth in-
structed his contractors to pay the prices
demanded, and open their shops on Mon-
day.

The steamer Sikh, sailing from Port
Townsend, Wash., for the Orient on Satur-
day, carried away all three Chinese who are
in a peculiar predicament. They left China
at the breaking out of the war with Japan,
landed at Victoria and made their way
across the continent, attempting an en-
trance into New York. They were cap-
tured and ordered to be deported, being
brought to Port Townsend in charge of
Marshals at a cost of \$3,000.
The penalty of desertion in
China is death, so that the coolies
arrive at Hong Kong they will be sent
to death. This fact prompted several
local humanitarians to interest themselves
in the case, with the result of developing
the remarkable fact that though the sen-
tence of death be passed, the culprit need
not necessarily die. Fear of death is con-
scientiously absent among the Chinese and
only in the case of the better classes, who
appreciate the stigma is any attempt made
to avert that fate. This is easily accom-
plished by furnishing a substitute, usually
a coolie, who for a small pecuniary pay-
ment and time in which to spend the same,
will willingly take the place of the con-
demned man. As the three Chinese are
well provided with money, it is likely they
will suffer death by proxy.

It is announced that the Brazilian Govern-
ment proposes to raise a loan of \$30,000,000
sterling.

Priestley's Dress Goods
A good name is more potent than thrones and king-
doms. In business a good name is vital. The name of
Priestley is a synonym for what is delicate, durable and
beautiful in Black Dress Goods. In England it is a house-
hold word. Priestley's dress fabrics are worn by the well dressed women
of Great Britain, while on this side, they have attained to general favor. Ladies
should buy no other black dress goods till they have seen Priestley's. They add
to an unequalled durability, a beautiful draping quality. Women of taste understand
what that means in the success of a costume.

"Our physicians in the children's depart-
ment have spoken highly of their experi-
ence in their outside practice with Castoria,
and although we only have our own

FOR YOUR MOUTHING BENS.
Mouthing is an extensive process.
Hens that ever lay while mouthing,
then help them to their own plumage
quickly. Many people get only five to six
dozen eggs in a year from a hen, and loose
money, when they ought to get three times
that many and make money rapidly. How?
There are about 600 eggs in the ovaries of
a hen; get all you can on them in two years
then kill the hen. You thus save two or
three years' feeding of the hen which is no
small item if you buy all the food. When
a hen is in "condition" says a poultry
authority "she will lay plenty of eggs."
Therefore help her through the mouthing,
that she may be in condition to lay during
the winter. Thousands of people have
proven Sheridan's Condition Powder to be
worth its weight in gold when hens are
mouthing. It keeps them in health, helps
form the new plumage, and gets them in
condition to lay early. If you give them
during the mouthing season Sheridan's
Condition Powder daily in extra doses,
they will get to laying much sooner and
lay all winter, larger and better than
vigorous eggs for hatching than pullets.
But don't keep them a third year, get all
the eggs in two. Remember Sheridan's
Powder is not an egg food; you can raise
or buy food as cheaply as you can. To any
person interested, J. S. Johnson & Co.,
Boston, Mass., the only makers of Sheri-
dan's Powder, will send for 50 cents two 25
cent packs, five packs for \$1.00 or for
\$1.20 one large round can of Powder,
postpaid, six cans \$5.00, express prepaid.
