**L'ARCHE
The University of the Heart**

L'Arche Cape Breton is a community for men and women who are mentally challenged and those who choose to share life with them. We are a community committed to equality, solidarity, and simplicity, and since we began in 1823, hundreds of people have come to share this way of life with us.

Most of our volunteers are university students or graduates who have found something lacking in academia. They come to L'Arche from all over the world to discover the importance of relationships, to be pushed to develop their potential, and to discover the beauty of men and women who are mentally challenged.

We are always accepting applications from energetic, open-minded, and committed people. We provide room and board plus a monthly stipend, and will cover your student loan payments as well. There are even programs available for people interested in volunteering overseas, as there are over 100 L'Arche communities throughout the world.

Not sure what you are doing? Why not consider volunteering with L'Arche? Contact us for an information package.
