

Ontario Rinks Unbeaten In Three Games Staged

By AL VICKERY
Canadian Press Staff Writer
WINNIPEG (CP)—Northern Ontario and Ontario, both undefeated in three starts, met Tuesday night in the fourth round of the Dominion high-school curling championship.

Carl Konefal, 19, of Port Arthur made it three straight this morning, walloping Nova Scotia's Allan Kenney 15-5. Kenney now has a 1-2 record. On the far sheet of ice at the Winnipeg arena, 17-year-old Ian Johnston of Kingston, Ont., handed Alberta's Alfred Schiemann his first loss, a 10-5 verdict.

One game back of the leaders with 2-1 records were Alberta and British Columbia. Skip Bob Nesbitt of Kimberley downed defending champion Saskatchewan 15-7 for his second successive triumph after a first-round defeat. Saskatchewan's Ron Paulson was the only skip without a win.

Henry Riendeau of Manitoba and Harold Mabey of New Brunswick scored their first victories. Riendeau defeated Prince Edward Island 11-5. Mabey edged past

Quebec 12-8 with a three on the last end.

MARITIMES DOWN
Prince Edward Island, Quebec, Manitoba, New Brunswick and Nova Scotia all had one win and two losses after three rounds.

Fourth-round matches scheduled for 9 p.m. CST were: New Brunswick - Northern Ontario; Nova Scotia - Saskatchewan; and Quebec-Manitoba.

Konefal had most of his own way as he opened with a three and never was headed. He received terrific support from lead Bob Cressman and the Sargeant brothers, Sandy and Jim, at second and third respectively. The Sargeant boys are sons of Frank Sargeant, a past-president of the Canadian Amateur Hockey Association and himself a top-flight curler at Port Arthur.

Konefal opened a 10-4 margin at the seventh and then added a big five on the eighth to put the game out of the reach of Kenney of Nova Scotia.

P.W.C. Rink Suffers Setback As Saunders Forced To Quit

WINNIPEG (CP)—The Prince Edward Island rink suffered a setback today in the Canadian High School Curling Championships when second Allison Saunders, 17, of Charlottetown was forced to quit with a lame back after the fourth end of a third-round match against Manitoba.

Saunders complained of a back ailment Monday night and was sent to veteran Winnipeg trainer Billy Hughes for treatment. Hughes said it was a cold in the back muscles.

Today, Saunders found it difficult to bend while in the hook end. He was taken to hospital for examination.

Youngest member of the Prince of Wales College rink, Saunders has been curling for three years. The Maritime rink was losing 6-1 after four ends.

Under Dominion Curling Association rules, no substitution is per-

mitted after the matches get under way. P.E.I. lead Harris Douglas, 18, now will throw four rocks until Saunders returns to action. Saunders is expected to miss the game tonight against Alberta.

WINNIPEG (CP)—Allison Saunders, 17-year-old second for Prince Edward Island, returned Tuesday night to help his mates on the fourth round of the Dominion high school curling championships after leaving the ice on the morning round because of a sore back.

The Islanders dropped an 11-5 verdict to Manitoba on the third round. Saunders left the game after the fourth end and lead Harris Douglas had to throw four rocks for the remainder of the game. No substitution is permitted.

Saunders took steam bath treatment Tuesday afternoon and felt well enough to play at night when his rink met Alberta.

DOWLING FIRES FOUR GOALS

Montague Primroses Edge Flyers 10-9 In Hoop Tilt

Bobby Dowling's "never-day die Montague Primroses fought off a determined third-period bid by the Parkdale Flyers to edge the Island league-leaders 10-9 in a free-wheeling game at the Sports Arena last night.

The victory lifted Primroses into sole possession of third place and it was their first win over the Flyers and only the fifth time that Allie Carver's crew have last defeat this year. Although idle, B.Y.C. slid back into fourth place.

The Primroses had to fight every step of the way for the win as the powerful Flyers held the edge in territorial play in every period. Bobby Dillon in the Montague nets was easily the busiest man on the ice as Parkdale sent no less than 61 drives his way. Thirty-two (32) came in the wide-open third period when the Flyers to ram home 6 goals and nearly pulled the game out of the fire.

MOORE IN NETS
Parkdale manager, Barry Moore turned net minder last night and replaced Frank Roper in the Parkdale nets. Even though he had never tended goal before in his life, Barry made some fine saves, although fanning on a few. He kicked out 23 of the 33 Montague shots.

Once again it was coach Dowling who led the Montague attack. Bobby scored single goals in the first and third periods and fired two more in the second for a big 4-goal effort. Apps Arsenault beat Moore on two occasions and single goals went to Stu MacLure, Flick Landry, Billy Hughes, and Harley MacLean.

Orin Carver, Allie Carver and Bob Hurry each hit for two goals for Parkdale. Willie Dunn, Skip Carver and Erland Wood sniped the others.

Referees Joe Reval and Brian MacCallum had a rough, tough game on their hands from the opening whistle and handed out 17 penalties. Flyers received 11 of the penalties, including a major to Skip Carver in the first period and a misconduct to Junior MacLeod in the third.

TAKE LEAD
Primroses rolled into a 3-0 lead in the first half of the opening period as Dowling, Landry and MacLure scored in that order. At 17:33 Allie Carver batted in his

own rebound to get the Flyers on the scoresheet and Primroses held the 3-1 margin going into the second.

Montague built the lead to 5-1 in the first 5 minutes of the second with Arsenault and Dowling connecting in that order. Parkdale came back with two of their own in the next 2 minutes and 19 seconds of play as Hurry and Wood both made good but the Primroses picked up two more goals before the period ended to hold a 7-3 lead going into the third. One of those goals was Dowling's third and the other was scored by Billy Hughes.

In the third period Parkdale played rings around the Primroses and scored six big goals but they could never bundle enough of them together to catch up.

Allie Carver made it 7-4 at 1:50 but Arsenault got that one back at 3:45. Parkdale then struck twice with Dunn and Orin Carver doing the honors to make the score read 8-6. Dowling triggered his fourth at 14:46 and then MacLean fired the goal that proved to be the winner at 15:17, when he eased Arsenault's pass behind Moore.

TURN ON HEAT
For the last five minutes of the game the play was not out of the Montague end for more than a second or two as the Flyers really turned on the heat. Dillon was kept busy hitting rubber away that was coming at him from every angle in the rink, and the youngest managed to keep the Flyers down to three goals.

Skip Carver deflected Dunn's shot by Dillon at 16:40. Then Hurry scored his second at 18:28 batting in Josey's rebound and Orin Carver whipped in the final goal of the game at 19:34. With only 26 seconds of regulation time remaining Allie Carver took Moore from the nets and in those 26 seconds the Flyers did everything but put the puck in the net.

As the siren sounded "taps" Orin Carver just barely missed tying it up as he whizzed a shot by the post.

CHATTER With all due respect to Barry Moore, who donned the pads for the first time in his life, Parkdale really missed Frank Roper. Roper should be back in action next week. . . . Flyers were also without Jim

MacLeod and moved Kip Ready up with Dunn and Hurry. Willy Dunn played an outstanding game for the Flyers. . . . Bobby Dillon deserves a plaque for meritorious service in the Montague nets. . . . Dillon played terrific hockey. . . . He kicked out 26 shots in the third and that must be a league record.

Simmon's Dream Now Nightmare

By RON ANDREWS
Canadian Press Staff Writer
TORONTO (CP)—The sweet dreams Don Simmons enjoyed during his first 10 games in the National Hockey League were turned to horrible nightmares last weekend when a Chicago Black Hawk and Detroit Red Wings each scored six goals against him.

That dropped the Boston Bruin rookie from the top of the efficiency ratings for NHL goaltenders to fourth spot.

Simmons' "fielding average" for the three games he played last week—Bruins and Toronto Maple Leafs battled to a 2-2 tie—slipped 22 points, the most any goaltender has lost in a week this season, to .919. In the three games, he stopped 88 of 102 shots.

Detroit's Glenn Hall continued his steady play, posting the best mark of any netminder for the week. He stopped 78 of 83 shots for a .940 average, raising his season's total one point to a league-leading .931.

Yankees Get Shantz & Ditmar In Deal With K. C. Athletics

By BEN OLAN
NEW YORK (AP)—New York Yankees already heavily favored to retain their American League championship in 1957 Tuesday obtained pitchers Art Ditmar and Bobby Shantz from Kansas City and gave up seven players in the biggest baseball deal in more than two years.

The Yankees also acquired infielder Wayne Belardi and south-paw pitcher Jack McMahon both of whom were assigned to Denver the Yanks' farm team in the American Association.

Infielder Cletis Boyer a bonus player originally was included in the trade. But it was later determined that bonus players cannot be released or traded until their bonus period is up. Boyer was signed by the A's May 30, 1955, and therefore cannot be disposed of until May 31 of this year.

A Yankee spokesman said that despite the Boyer snag the world champions will receive another player by the June 15 trading deadline. He did not rule out the possibility that Boyer might yet be that player.

In return the Athletics received pitcher Maurice McDermott, Tom Morgan and Rip Coleman, outfielder Irv Noren and infielders Billy Hunter and Milt Graff. Another player is to be assigned to Kansas City by April 15.

In announcing the 13-player transaction at a noon press conference Yankee general manager George Weiss beamed "this is a good deal for us. Ditmar is the ace of the deal as far as we are concerned."

The trade was the largest in the majors since Nov. 18, 1954, when the Bombers picked up Don Larsen and Bob Turley among others, in a 17-player swap with Baltimore Orioles. The Orioles got nine men and New York eight.

"Ditmar has always gone well against Cleveland and other top clubs" said Weiss. "Shantz should help us in relief. We really haven't had a good lefthanded relief pitcher since Joe Page."

In Kansas City President Arnold Johnson of the Athletics called the trade "the most important since the Athletics were transferred from Philadelphia."

Weiss said the move "changes the entire complexion of our club."

Weiss called the move a "two part deal with Graff who was with the Denver roster going to the A's for Belardi McMahon and a player to be designated at a later date.

Morell Defeats All Stars 8-3

The Morell All Stars defeated the Eastern All Stars 8-3 in the final game of the Intermediate "C" curling championship. The Jets led 2-1 at the end of the first period on goals by Clair and MacLean, with MacSwain getting the lone tally for the Eagles. The winners added two more in the middle frame as MacLure and Nelson scored. The final period saw the Eagles outscore the visitors 3-2 on goals by Johnston, MacNeill and Landry, while the visitors picked up two on counters by Hawker and Clair.

Hockey Tourney May Be Indoors

MOSCOW (AP)—A warm spell may force the world ice hockey championship tournament indoors. The eight-country tournament starts Sunday.

Sports officials said Tuesday the weather has been alternately thawing and freezing, making the ice unsuitable for play in the outdoor Lenin Stadium which seats 40,000. The indoor sports palace, which uses artificial ice, can hold only 15,000.

Trail Citizens Up In Arms Because Ch'town Gets Nod

TRAIL, B. C. (CP)—City council and the Trail Chamber of Commerce have become involved in this city's protest against awarding of the 1958 national high school curling championships to Charlottetown.

Mayor L. A. Read said Tuesday council will take the matter under immediate advisement and that some action will be taken shortly. It was expected that the council will protest to the Canadian high school curling committee.

In announcing the choice of Charlottetown J. Ken Watson, chairman of the committee, said in Winnipeg Trail's offer to play host to the championships in 1958 had been withdrawn because of inadequate accommodation facilities.

Dave Somerville, resident of the Trail Curling Club, said: "If anything we want it more than ever. It would tie in nicely with our centennial celebration."

Mr. Somerville said Trail made its bid in 1954 and reaffirmed it Jan. 30 of this year. "It's like a kick from behind after waiting four years."

Concerning accommodation he said: "I don't know whether they meant ice or living quarters. But they would be wrong on both counts. We have eight sheets of ice in our rink and could utilize the kids' rink if necessary. As for living accommodation I can only say we have as much as any other place."

Chamber of Commerce President Fred Nichols said his organization will join in a protest and that the matter will be discussed at a meeting of the chamber's council.
