

Motor Accident Near Pownal

Two persons were removed to the Prince Edward Island Hospital last night following an automobile accident which occurred in the vicinity of Pownal. They were Messrs. Gordon Emery, of Beaton's Mills, and Hugh MacPherson, Flat River. Both suffered minor bruises and abrasions and it is expected that they will be released from the hospital this morning.

The accident reportedly happened when a truck which was proceeding down the highway suddenly applied its brakes resulting in the car which was directly behind crashing into the rear of the truck.

The truck and the driver were unhurt, but the automobile sustained considerable injury to the fenders, bonnet and grill, and had to be towed into a garage here.

Retirement Of Sergeant Swindell

After twenty years service, four as N.C.O. in charge of the Charlottetown Detachment of the Royal Canadian Mounted Police, Sergeant William (Bill) Swindell has retired. It was announced yesterday.

In 1932 Sergeant Swindell, a native of Quebec, Ontario, joined the forces in Ottawa and after serving in Nova Scotia for a short time was posted to this Province in 1933 where he has served with units in Alberton, Montague, and Charlottetown.

A well known figure among Island sportsmen he was especially prominent amongst the curling group a game in which he excelled.

Sergeant Swindell left yesterday morning for Saint John, N. B., where later he will be joined by his wife.

An eight day clock with a fitting inscription was presented to him prior to his departure by Inspector N. W. Churchill on behalf of the members and staff of the Detachment here.

Recovering From Traffic Accidents

Two separate accidents involving a small boy and a man occurred this week sending both parties to the Charlottetown Hospital for minor treatment. The boy Frank Robinson and Mr. Frank Lafferty were reported as progressing favourably by hospital authorities last night.

The boy was accidentally struck by a horse-drawn rubber-tired wagon driven by Mr. Clifford Chappell of York near the intersection of Weymouth and Fitzroy streets. He sustained minor injuries to one of his legs.

Mr. Lafferty was struck on Kent Street when a truck operated by Mr. Patrick Doyle, this City pulled up in front of Douglas Brothers and Jones Limited. The brakes failed to hold and Mr. Lafferty, who was in the path of the truck was hit. The truck continued on and broke a plate glass window in the building before stopping. Mr. Lafferty suffered minor bruises and abrasions.

BIRTHS, MARRIAGES DEATHS

BIRTHS
NIHOLSON—At the P. E. Island Hospital on March 18th, to Mr. and Mrs. Everett Nicholson, New Wiltshire, a son.

MURRAY—At the Western Hospital, Alberton, on March 19th, 1952, to Mr. and Mrs. George Murray, Elmada, a daughter, Margie Elizabeth, 8 lbs.

SAD NEWS RECEIVED — Word has been received of the sudden death at Gloucester, Mass., of Mrs. Paul Ober, formerly Margaret Mallett of Alberton, P. E. I. Mr. Fred Mallett of Charlottetown is a brother.

INCORPORATION BILL — A bill to incorporate the Mount Stewart Strawberry Growers Exchange was presented in the Legislature during yesterday's session and read a first time. It was presented by Mr. Russell Clark.

SEEKING SEALS—Captain Carl Carlson, well known sealer, arrived in Charlottetown last night after spending the day flying over broad ice expanses in a chartered aircraft in search of seals. Weather permitting he will take-off for Halifax today.

MEETING OF Y'S MEN — The Y's Men held their weekly supper meeting last evening. After a solo by Mr. Stanley Lancaster, and a brief business session, the program took the form of a court of opinion. Several items of common interest were discussed. Chairman for the evening was Mr. Stewart Johnston.

FUNERAL SERVICE — The funeral of the late Barry K. Mills son of Mr. and Mrs. Roy Mills, 48 Prince Street, was held from his parents' residence yesterday afternoon. Service was conducted by Rev. H. E. Ashford. Interment was in the People's Cemetery. The pall bearers were Frank Mills, Stephen Mills, Robert Stewart, Ira Hill.

SERVING WITH PRINCESS PATS—A Wilmot Valley, P. E. I. man is serving as an artillery wireless operator with the 1st Battalion, Princess "Pats" in Korea, according to a press release from Army Headquarters at Ottawa. He is Lance Bombardier Fred Arsenault, 22-year-old son of Mr. and Mrs. Joseph Arsenault, Wilmot Valley.

FUNERAL AT VERNON RIVER — The funeral of John A. Aylward was held from his home Thursday March 20th to St. Joachim's Church, Vernon River, and was largely attended. Mass was celebrated by Rev. Urban Gillis, who also officiated at the grave. Pallbearers were: Malcolm MacLean, Major Manderson, Joseph Macdonald, Peter Cairns, Myerlet Dunphy and J. Morrissey. Burial was in the church cemetery.

BAPTIST YOUTH NIGHT — The Baptist Youth Night was held at the Church last evening. The opening business meeting was conducted by the president, Mary Gamble, a devotional period following. The evening's theme of "Missions and World Outlook" was led by Kenneth Yeasted assisted by Marion Schurman and Bill MacCannell. The programme featured a talk by Mrs. Fred Osborne who spoke on Dr. Grenfell's medical mission in Labrador.

FUNERAL YESTERDAY — The funeral of the late William H. Smith was held yesterday afternoon from the MacLean Funeral Home to Trinity United Church where services were conducted by Rev. H. E. D. Ashford and Rev. J. T. Irwin. During the service the Trinity Church Octette sang "The Beautiful Land." Interment was in the People's Cemetery. Service at the grave was conducted by Rev. J. T. Irwin. Pall bearers were: Walter Herzog, P. I. Andrew, Earl Foster, Cecil Wood, M. W. Wood, Members of the Session and Board of Stewards of Trinity Church, Y's Men's Club and Trustees of the P. E. Island Hospital attended in a body.

PERSONALS
Hon. Wilfred Arsenault, Provincial Secretary, is confined to the Charlottetown Hospital suffering from an attack of tonsillitis.

Canadian Ships To Be Equipped To Combat Mines

OTTAWA, March 20 — (CP) — All Canadian deep-sea and coastal ships will be equipped to combat underwater mines and to carry defensive guns, it was learned last night.

The approximately 150 vessels in these trades will be rigged with wartime "degaussing" gear against magnetic mines and strengthened to carry gun platforms, at the expense of the Federal Treasury.

Disclosure of the new policy — first such move since end of the Second World War — came in Finance Minister Abbott's estimates for the 1952-53 year tabled in the Commons. They listed \$500,000 for "degaussing and strengthening" seagoing merchant ships during the current year.

Government officials said later it has been decided to adopt the defensive measures for all Canadian vessels in the coastal and deep-sea trades, largely to get the jump on an enemy making a sneak magnetic-mine attack such as hit hard at Allied merchant-

shipping during the Second World War. Seventy-nine ships in Canada's deep-sea trade will be equipped, along with 72 of more than 1,000 in the coastal business.

IN MEMORIAM

In loving memory of H. Basil Sherry who departed this life March 21, 1950.
God takes the best for reasons divine,
But memories cling till the end of time.
Inserted by wife and family.

New Manager For Local Bank of Nova Scotia

Mr. K. R. Elliott has arrived in the City to take over duties of manager of the Bank of Nova Scotia here. He is accompanied by Mrs. Elliott and is staying at the Charlottetown Hotel.

Prior to his arrival Mr. Elliott was with the Nova Scotia Branch in Kingston, Jamaica, where he served as Senior Assistant for approximately three years. A native of Lachute, Quebec, he has been with numerous branches of the Nova Scotia Banks throughout the Dominion. He was employed in the capacity of Senior Assistant at the branch in Vancouver before going to Jamaica and has also been with the banks in Toronto, Edmonton, Regina, and Ottawa.

The new manager succeeds Mr. E. W. Robinson, O.B.E., who has been manager here since 1950. A popular banking official, Mr. Robinson will leave for Havana, Cuba, the latter part of this month or early next month where he has been appointed assistant supervisor.

Mr. Robinson is no stranger to the West Indies, having served at the Santo Domingo branch for twenty years. A native of Marysville, N. B., he began his banking career at the Fredericton branch in 1922, and was transferred to the Dominican Republic in 1926, remaining there until 1946. In 1940, he was appointed Manager of the Santo Domingo branch.

The award of the O.B.E. was made to Mr. Robinson in 1946 in recognition for his services to the Ministry of Food of the British Government as representative and shipping agent for sugar in the Republic during the war years.

In 1946-47 he visited the countries of South and Central America as Special Representative of the Bank, prior to his appointment to the General Office at Toronto in 1947. He was the manager of the Bloor-Spadina Branch in Toronto from 1949 until he came to this City in March 1950.

Since coming to Charlottetown, Mr. Robinson has given wholehearted support to many community activities.

He is president of the Charlottetown Board of Trade, a director of the Charlottetown Club, and a member of the Y.M.C.A., the Curling and the Golf Club.

Increase Shown In Cold Storage Plant Holdings

An increase in the quantity of merchandise received into the Government cold storage plant last year was reported in the Legislature yesterday by Hon. Eugene Cullen, Minister of Industry and Natural Resources. The figures, which cover an 11 month period ending February 29 this year show that a total of 3,421,709 pounds of goods were handled. Last year the total was 3,068,228 pounds.

Poultry was the biggest single commodity handled with a total of 1,037,414 pounds with cheese in second place with 798,084 pounds contained in 9,642 boxes. Next on the list was fish with a weight of 598,381 pounds, followed by blueberries, 110,232; fox feed, 109,410; strawberries, 94,229; and meat, 19,749. Eggs stored weighed 41,807 pounds.

Fruits and vegetables were classified together and the combined weight of those in storage was 337,545 pounds.

The month of August saw the greatest amount in storage as 503,697 pounds arrived then with November being the next biggest month with 486,070. Last month was the lowest with only 43,282 pounds being handled.

Airman Killed In Crash At Chatham

CHATHAM, N. B., March 20 — (CP) — Dr. Alan Seavy, 31, of Regina, was killed today when his Vampire jet aircraft crashed in taking off from the R. C. A. F. base here.

The crash occurred near the end of a runway and about one mile from the starting point. The jet plunged down in a wooded area near the Maher Road.

The pilot, son of Mr. and Mrs. Delbert Seavy, died in the crash. He had been about to start a routine training flight. The plane was attached to No. 1 Fighter Operational Training Unit of the R. C. A. F.

Force authorities began an investigation. Dr. E. H. Freeman, coroner, said the fatality was accidental and no inquest would be necessary.

HOME DESTROYED

SAINT JOHN, N. B., March 20 — (CP) — Mrs. C. D. Tyler tripped today while carrying liquid wax to her kitchen stove for heating. The wax spilled over the stove and caught fire. Flames gutted the one-storey wooden residence, and Mr. and Mrs. Tyler lost all their belongings.

Red Cross Report Meeting Indicates Good Progress

Division No. 2 of the Charlottetown Red Cross Campaign Organization, commanded by Dr. R. H. Barrett, walked off with the honours at last evening's first report meeting held at Red Cross Headquarters with 49.36 per cent of their objective reached. This reflects great credit on Dr. Barrett and his co-workers who did a great deal of organizational work in connection with this drive. Dr. Barrett's Division also had the highest team results as Richard Matheson, Captain of Team No. 7, turned in 173 per cent of the group's objective.

Division No. 3, commanded by Mr. J. Russell St. John, was a very close second with 49.11 per cent of its objective in hand. Special congratulations were extended by Charlotte's Chairman, Major Roy MacGillivray, Lt. John Richards, the commander of Division No. 5, which was the only Division to have every team report and with 46 per cent of the task completed.

There were 17 of the 38 teams that did not make any returns at last evening's meeting, but these will be tabulating their results when the Committee meets again tonight and will rival with each other for the highest percentages.

Captain O. R. Simons, Chairman of Special Names, intimated that his division had attained 70 per cent of the objective of \$7,000.00 with several teams still to report.

Major MacGillivray urged the campaign workers to follow up on every card and to get as many new subscribers as possible because every dollar that can be collected is needed to carry on the many worthwhile Red Cross activities. "Remember," Major MacGillivray said, "that every body needs the Red Cross, and the Red Cross needs everybody's support."

Since coming to Charlottetown, Mr. Robinson has given wholehearted support to many community activities.

He is president of the Charlottetown Board of Trade, a director of the Charlottetown Club, and a member of the Y.M.C.A., the Curling and the Golf Club.

Central Farmers Institute Holds Annual Meeting

Mr. John W. Myers of Albany was re-elected President of the Central Farmers Institutes yesterday afternoon at the Institutes annual meeting held at the Clover Club in Charlottetown. Mr. Robert Jardine was elected vice president and Mr. J. L. Dewar, secretary.

The meeting re-affirmed their faith in farming as a profession and in a resolution stated that they looked to the future with confidence and had no hesitation whatever in challenging their young people to adopt the God-given occupation of tilling the soil as a way of life.

Previous to the passing of the resolution several men spoke about the benefits of farming. Mr. Allison Profit stated it was about time the farmer recognized that there was something more important than the dollars and cents in the farming and that the farmer should take a more active interest in the total well-being of the people.

Another resolution asked that the Government take steps to curtail the practise of letting bulls run loose. It recommended that the matter be placed in the hands of the R. C. M. P. and that in case of convictions fines be imposed not exceeding \$100.00 for the first offense and \$100.00 for succeeding offenses.

Men who spoke during the meeting were J. E. MacIntyre of the C. N. R., Moncton; Murdoch MacLeod, Long River; and Dick MacKinnon, Mermaid. Mr. MacKinnon spoke on grass silage and his plans for the coming summer.

With regard to his employees, he stated that he was putting them on a five and a half day week and a 10 hour day with pay for overtime. He also plans to give them two weeks vacation each year.

URGES MARRIAGE
ARDAGH, Ireland — (CP) — Rev. J. J. McNamee, Bishop of Ardagh and Clonmacnoise, said the Irish republic's marriage rate is the lowest in the world. He urged parents to encourage early marriage "instead of practically compelling their children to sink into a fatalistic acceptance of permanent bachelorhood."

GHOUlish THIEF
JOHANNESBURG — (CP) — As Mrs. A. Jacobson lay dead in a motor-car following a traffic accident, somebody stole a valuable ring from her handbag. Her handbag was unconscious in the car at the time.

KHARTOUM, Sudan, March 20 — (Reuters) — The Sudan this year is threatened with an epidemic of cerebro-spinal meningitis more deadly than last year's outbreak when 7,032 out of 51,451 reported cases died, health officials warned today. There have been 677 deaths out of 4,620 cases from December to February.

ISMAILIA, Egypt, March 20 — (Reuters) — Egyptians crowded eagerly around today as British troops pulled down the barbed-wire barricades which have kept them from their homes in a former terrorist area for two months. It was the start of Gen. Sir George Erskine's three-day operation to withdraw his troops from a mile-long strip of territory bordering the Sweet Water Canal, wired off when an Irish-American nun was shot dead in the grounds of a nearby convent.

Hundreds of Egyptians living in requisitioned buildings elsewhere in the town will be allowed back. But Erskine, British commander-in-chief, has made it clear to the Egyptian authorities that his gesture in withdrawing the cordons will be revoked unless the nationalists keep the peace.

British Remove Barricades In Egyptian Town

ISMAILIA, Egypt, March 20 — (Reuters) — Egyptians crowded eagerly around today as British troops pulled down the barbed-wire barricades which have kept them from their homes in a former terrorist area for two months. It was the start of Gen. Sir George Erskine's three-day operation to withdraw his troops from a mile-long strip of territory bordering the Sweet Water Canal, wired off when an Irish-American nun was shot dead in the grounds of a nearby convent.

Hundreds of Egyptians living in requisitioned buildings elsewhere in the town will be allowed back. But Erskine, British commander-in-chief, has made it clear to the Egyptian authorities that his gesture in withdrawing the cordons will be revoked unless the nationalists keep the peace.

U. S. Steel Report
CLEVELAND, March 20 — (AP) — Steelmakers are prepared to "sit out a strike" unless the government permits price boosts matching union demands for wage increases. Steel magazine said today.

The metal-working journal declared "there's a 3-2 chance" the United Steelworkers will walk out in a demand for higher wages. Steel said the industry's "tougher attitude reflects the easing in steel demand of the last two months and the realization that adequate profit margins must be maintained in the months ahead when operations may drift to lower levels." Production continued last week at a record rate. Some 2,110,000 tons poured out, matching the all-time mark set the week previous. That kept the rate of 101.5 of rated capacity.

Rumors Persist Of "Eskimo" Sale

While no official information has been released with respect to the rumored sale of the M. V. Eskimo, which has been operated by a Crown company under the Provincial Department of Industry and Resources in recent years, reports persist that a sale has taken place and that the papers were signed on March 13. It is reported also that the men who signed for the new owners are A. Beauchurline, navigation agent of Montreal, and Capt. Raoul Castonguay, of Matane, Que., and that it is intended to operate the boat between Montreal, Even Islands and New York.

In the meantime, Opposition questions placed on the order paper in the Legislature with respect to the sale of the Eskimo have not been answered, and Government members are non-committal on the subject.

In the Legislature yesterday, however, Hon. Eugene Cullen, under whose department the vessel operates, cited figures showing an increase in the amount of freight carried by the Eskimo last year over 1950. This, he explained, was mainly due to the fact that the ship had been running only between Charlottetown, St. Pierre and St. John's, instead of to the outports of Newfoundland as in previous years. This meant that she could make more trips.

Mr. Cullen, who spoke in the course of the Draft Address debate, gave the following comparison of commodities shipped by the Eskimo, with their weights:

Potatoes	3,749,950 lbs.	3,703,504
Turnips	320,040 "	274,913
Other		
Vegetables	166,221 "	248,895
Fruit	80,890 "	159,860
Butter	224,467 "	75,888
Cheese	79,728 "	45,928
Eggs	1,708 cases	573
Canned Goods	1,658 "	2,410
Meats and Dress-		
ed Poultry	247,095 lbs.	270,063
Cattle	1,024 head	43
Live Swine	2,217 "	154
Live Poultry	19,645 "	1,641
Live Sheep	72 "	
Live Horses	53 "	
Miscellaneous	234,375 lbs.	644,367

International Relief By The Red Cross

In the space of two weeks, nearly \$25,000 worth of food, clothing and medical supplies and bedding were delivered to victims of the Po River floods in Italy from the Canadian Red Cross Society, an example of the speedy and efficient relief which the Society provides in emergencies.

In 1951, the Society's overseas work amounted to \$324,714 in supplies and assistance. Of this, \$166,756 was material for women's work groups, \$47,261 was Junior Red Cross assistance, and \$110,697 was special grants from the Senior Society. Provision of a medical, social-welfare team for Korean civilians, as well as a team to serve hospitalized Canadian service personnel are also included.

British Remove Barricades In Egyptian Town

ISMAILIA, Egypt, March 20 — (Reuters) — Egyptians crowded eagerly around today as British troops pulled down the barbed-wire barricades which have kept them from their homes in a former terrorist area for two months. It was the start of Gen. Sir George Erskine's three-day operation to withdraw his troops from a mile-long strip of territory bordering the Sweet Water Canal, wired off when an Irish-American nun was shot dead in the grounds of a nearby convent.

Hundreds of Egyptians living in requisitioned buildings elsewhere in the town will be allowed back. But Erskine, British commander-in-chief, has made it clear to the Egyptian authorities that his gesture in withdrawing the cordons will be revoked unless the nationalists keep the peace.

U. S. Steel Report
CLEVELAND, March 20 — (AP) — Steelmakers are prepared to "sit out a strike" unless the government permits price boosts matching union demands for wage increases. Steel magazine said today.

The metal-working journal declared "there's a 3-2 chance" the United Steelworkers will walk out in a demand for higher wages. Steel said the industry's "tougher attitude reflects the easing in steel demand of the last two months and the realization that adequate profit margins must be maintained in the months ahead when operations may drift to lower levels." Production continued last week at a record rate. Some 2,110,000 tons poured out, matching the all-time mark set the week previous. That kept the rate of 101.5 of rated capacity.

Aerial Patrol Makes 2nd Flight

The aerial patrol made its second flight of the season Wednesday as the Maritime Central Airways' DC-3 covered approximately 1,000 miles during a 6 hour and 45 minute flight. In general ice conditions were still heavy, Capt. Charles Shaw, Dartmouth, N. S. the observer said.

Heavy ice extending about 35 miles out to sea was noted on the north side of the Province, and heavy ice was evident off the east coast of New Brunswick south of Miscou Island. There was a clear lane through the Hillsboro Bay region but it is expected that the next south wind will shift the ice rendering it impassable again. Lighter ice not extending far out to sea was found off the east coast of Cape Breton, while in the Northumberland Strait it was still heavily packed.

In charge of the aircraft during the operation was Capt. Garth Godfrey with First Officer Robert Clapham and Navigator E. P. Watson.

It was disclosed that the next patrol will be made on the 26th of this month.

Your Red Cross Contribution

Provided cigarettes, magazines, games as well as special Christmas gifts for over 1500 Red Cross visits to veterans in hospital in 1951. It also made it possible for these veterans to have film shows every week and to partake in the Red Cross Arts and Crafts Programme. Make your 1952 donation a generous one.

HOLMAN STORE NEWS
— G. H. M. —

The profits in Chicken Raising are not just "Chicken Feed" you know... And that's why, if you have the space and the opportunity, you should get in on the ground floor with Day-old Chicks — the sooner you start, the sooner you'll be reaping profits from your poultry business. To do things right you'll want a QUEEN AUTOMATIC OIL BURNING BROODER STOVE. These give the chicks a real chance to grow and thrive. It provides clean, even heat in all kinds of weather. The Queen Brooder Stove No. 652 has 1,000 chick capacity under its heavy galvanized cover. The maximum fuel consumption is only 5 gallons in 24 hours and there is an automatic draft regulator — so, it is dependable and economical. The Queen Brooder stove has a triple combustion, pot-type burner, the same as the one used in the Range Burners — the price why it's just 34.95 in the Hardware Departments of both the Charlottetown and the Summerside Stores.

GLOVES for Spring are intriguingly colorful... that's the very reason why you'll be so interested in the smart, bright KAYSER "CAREFREEES". They're pure nylon, which fact every woman will rejoice for — because then, she knows that a swish through suits, a quick dry and they're ready to wear again and just like new! "Carefreees" Gloves by Kayser are in luscious shades for Spring — they're in the popular 4-button length and they're priced 2.25 a pair in the Accessory Department.

OUR grandmothers had the right idea... They always wore a frothy, lace-trimmed CAMISOLE under their sheer blouses! Well, the CAMISOLE has come back in a grand, new manner — There are two laces from which to choose: The first is made of fine, soft crepe trimmed with Chantilly type lace in a wide border; the other is entirely of Alencon-type lace (even the straps). These are dainty and very feminine — they're in sizes 32 to 38, and the price for each is 1.98 in the Lingerie Department.

THEY'RE really going fast... so, when you order your Groceries BE VERY SURE to include your CANDY for Easter! Right now, there's a wonderful selection of Chocolates in Easter boxes, these are mostly in the one pound size, made by Molli's, Ganon's and Lowmy's... In too, there are Easter Bunnies, Chicks and Eggs for the kiddies... These are pure candy and they're individually wrapped. Shop for Easter Sweets NOW in the Grocery Department.
