# Hamilton's Joys Fans Won't Bother Ottawa

OTTAWA (CP)—Noisy Hamilton football fans won't keep Ottawa Rough Riders up late on the eve of Saturday's deciding game in the Eastern finals. Manager Red O'Quinn revealed Thursday the club won't stay at its usual downtown hotel in Hamilton Friday evening. Instead O'Quinn has booked Riders to avoid the usual "pop rally" staged by Hamilton fans on the eve of big games. The rally is held near the hotel where visiting players stay and has been known to leave the capital late Friday evening for Hamilton.

## H i Pat.

H'llo Mary Lou. Well I'll be darned. Aren't you frozen sitting there in your pyjamas? Nope. It's nice and warm in here.

By the way, what ever happened to the little bomb. We outlawed it. So we bought this new Studebaker. Now everybody fits into it. Funny how Jim and Mike grew so suddenly. And Julie. There was hardly any room for them, let alone their schoolbooks. (They liked that.) Can I come in and get warm for a minute? It's cold in my car. Come on Pat. And hey, look. Isn't it amazing how a car so trim could be so huge inside? There are lots of other big cars. I know, but that's not all. Take last winter. The old car must have been tested in the Sahara or something. Seven mornings out of ten, it just wouldn't start. Studebaker has been tested in Canadian blizzards, so you know it's going to start on a freezing cold day. Can you imagine me sitting in the wee car with my pyjamas on? I'd have turned blue.

Yes, but haven't European cars got better brakes and things? After all, they're built to slam around all over the place. Studebaker has disc-type brakes. You can't have better in an emergency. Honestly Pat, I can't think of anywhere I feel safer.

You know, Mary Lou, I guess sports cars and Studebakers are kind of the same. They're both unique. Right. Except Studebaker's a sight more comfortable. A sort of kindred soul. Why don't we switch places, and you drive it for a while Pat? See for yourself.
