appointed a Justice of the Supreme Court of Nova Scotia in 1937 and 11 years later became chief commissioner of the board, succeeding Col. J. A. Cross who resigned.

On War Labor Board

During the war he served for more than two years as chairman of the War Labor Board.

Mr. Kearney's appointment as a judge of the Exchequer Court will date from Saturday. He was a leading member of the bar in Montreal before entering the diplomatic service during the war. He was Canada's first high commissioner to India and at other times held the posts of Canadian Minister to Norway and Denmark and Canadian High Commissioner to Ireland.

Mr. Kearney will find his new task an arduous one. During the last three years the board has waded through millions of words of evidence in hearing on Canada's whole railway freight rate structure and on applications by the Bell Telephone Company for rate increases.

Other present members of the board besides Mr. Justice Archibald are the assistant chief commissioner, Hugh Wardrope, the deputy chief commissioner, Arma and Sylvestre, commission F. M. MacPherson and commissioner H. B. Chase. There is one vacancy.

Mr. Roland MacDonald of Southport was re-elected President of the Third District of Queen's Liberal Association at the annual meeting on Friday night in the Legion Hall at Mt. Stewart. Mr. MacDonald was unable to be present as he was out of the Province on a trip to the United States. Presiding was Joseph Fisher of Scotchfort who was re-elected vice-president. Ira Lewis of York was re-elected secretary.

McCormac and Arthur Peake of Charlottetown, president and secretary of the Queen's County Liberal Association and Mr. MacDonald and Mr. MacFarlane.

Mr. Russel Clark, member of the district for many years, was unable to be present as he was attending a funeral in Saint John. Mr. Cecil A. Miller, the Liberal candidate for Queen's in the by-election earlier this year, was also unable to be present as he is in Ottawa.

New Hearing Ordered In P.E.I. Freight Zone Case

OTTAWA, Oct. 14— (CP)—The Board of Transport Commissioners in an order made public Saturday set back the deadline by which Canadian National Railways were required to change their Prince Edward Island freight rate structure and ordered a new hearing Nov. 5.

The Board order set back to Nov. 15 from Oct. 22 the date by which the Board had previously ordered the C.N.R. to change its P.E.I. rate structure from a two-zone to a one-zone plan based on low or so-called "inner zone" rates.

Saturday's order resulted from an application by the railway for a re-hearing of the case. The C. N. R. application asked the Board that if on rehearing, it stood by its ruling of Sept. 15 ordering a new P.E.I. rate structure, then it should state its case to the Supreme Court of Canada. If the Board did not do this, then the C. N. R. asked leave to appeal the matter itself to the Supreme Court on points of law and jurisdiction.

at the November meeting to be held in Fredericton, N. B.

As corresponding members of this branch to national committees, Rev. Sister Mary Eugene of the Catholic Social Welfare Bureau, Charlottetown, was appointed to the committee on ethics and Mrs. Helen Morrison, Summerside, Department of Health and Welfare, the member on licensing and registration of social workers.

Mrs. Dorothy Bishop, Sackville, branch member of the committee on service standards in medical and psychiatric social work, gave a brief report regarding the findings of a survey conducted by the national committee.

With the adjournment of the business session, coffee was served during a brief recess preceding the programme period. This session was conducted by the convener of programme committee, Miss Grace K. Reynolds, Moncton Welfare Bureau and consisted of three papers. Miss Morrissey sketched the history and early beginnings of the C.A.S.W. in her topic "Aims and Reasons for Existence." Miss Edna Smith, Moncton, followed with "Privileges Of Membership" suggesting the personal rights enjoyed by sharing in benefits derived through the experience of veterans, and in participating in the results of well-planned publicity designed to further good social work practice.

Mrs. Carol Proctor of Westmorland County C. A. S. delivered a very thoughtful study on the "Duties Of Membership." Mrs. Dorothy Bishop of Sackville, Mrs. Steeves of Hillsboro, and other members contributed to this panel discussion and it was a matter of great concern that in the Maritime Provinces particularly, not sufficient recognition is given to professional training and the importance of membership in the national association.

Mrs. Proctor brought up the subject of whether or not membership should be compulsory for practising social workers as in the case in other professions. In the field of civil service membership in C. A. S. W. is considered synonymous with required professional qualifications. As a professional group the C.A.S.W. wages reforms and seeks to improve standards of service and working conditions. In these gains all social workers, members and non-members, participate and each should feel an individual responsibility.

Before the meeting was adjourned, it was resolved to have the panel members prepare a summary of the material for publication in "The Social Worker," the official organ of the Canadian Association of Social Workers.—S

STANHOPE W. I.

The regular meeting of the Stanhope Women's Institute was held at the home of Mrs. Pat Horgan, on October 2nd. The president opened the meeting by having the "Collect" repeated in unison. Nineteen members answered the roll call by taking part in a "Gay Ninety Review", which helped everyone to have an evening of hilarious entertainment. There was one visitor present.

The minutes of the last meeting were read, approved and signed. The sick committee gave their report, but there was nothing to report from the school committee. New committees were appointed as follows: Sick, Mrs. Isaac Lawson and Mrs. Louis Marshall; school, Mrs. Lewis Keilly.

Correspondence was read and discussed, and it was decided to send $3 each to the League of Mercy for the P. E. I. Hospital and the Charlottetown Hospital. The secretary was asked to send for reading material in connection with the United Nations and Division of Nutrition. An order for Christmas cards was taken, and $2 more was given to the cake sale.

Mrs. Keith Douglas kindly invited the members for the next meeting. Roll call to be answered by the payment of annual fee. Collection amounted to $1.90. The singing of the National Anthem brought this part of the meeting to a close.

Mrs. James MacLaughlin read a poem called "We All Grow Old In Time" as her part on the program committee, and Mrs. Percy Douglas had a game called "Charades" which was much enjoyed. A short sing-song followed, after which a delicious lunch was served by the hostess, and a social hour enjoyed.
