New York Stocks

NEW YORK (AP)—A moderate downward readjustment took place in the stock market Tuesday with lots of resistance signs along the way.

It was the second straight retreat for the market. However, there were several modifying features—relatively low volume, good plus signs in key areas, final hour recovery from the lows.

Steels continued to be sold in the midst of doubts whether the industry will show a pickup in orders soon. Railroads were lower.

The Associated Press average of 60 stocks fell back 70 cents at $133.20. The industrial component of the average was off 80 cents, railroads slipped $1.00 and utilities were down 20 cents.

Canadian issues were mixed. Distillers Seagram added ⅜ and International Nickel gained ¼. McIntyre fell ½ and Canadian Pacific and Dome Mines both slipped ¼.

On the American stock exchange Lake Shore and Giant Yellowknife, Canadian stocks, both added ⅛.

Toronto Stocks

TORONTO, (CP)—Mining stocks were generally weaker on the Toronto stock market Tuesday.

Prices moved irregularly in a narrow range until early afternoon with western oils firm and base metals and golds a little easier. Toward the close western oils began a general decline that gave them the market's greatest index loss on the day.

Western oil price changes were almost all under 25 cents. Peace River added to Monday's steep climb but Pacific eased. North Canadian hit a 1954 high and Bailey Selburn weakened.

Noranda countered a weaker trend in senior base metals with a 30-cent gain. Junior base metals drifted off pennies but Base Metals Mining made a small gain in heavy turnover.

Senior golds closed weaker in almost a solid line but juniors and prospects had fewer losses. Closing strength in Manitouwadge stocks featured Willroy, up sharply and hitting a 1954 high of $2.94 in heavy trading.

Uraniums closed with little change but Radiore climbed 19 cents. Holding companies eased slightly but Bathurst stocks closed steady.

KARACHI (CP) —The posts and telegraphs department of Pakistan has issued a new series of stamps marking the seventh anniversary of Pakistan's independence. Scenic beauty spots, archaeological monuments and main agricultural products of the country are portrayed.
