

## Local and Other Items.

HON. MESSRS. Prowse, Gordon, Yeo and Laird are in town.

MR. LOWE exhibited splendid gooseberries in the market this morning.

A FEW good Photographs of the Osbornes are for sale at the DIAMOND BOOKSTORE.

NUMBER TWO of Rose-Belford's Canadian Monthly and National Review is at hand.

EDWARD HACKETT, Esq., of Tignish (the Liberal-Conservative candidate for Prince County), is in the city.

WE understand that a supplementary Nova Scotia mail will in the future be dispatched and received by Str. M. A. Starr.

IT is said that the bone and sinew of the Grit office-holders are determined to stick at nothing to secure the defeat of Pope and Brecken.

THE correspondent "A. H.," in this morning's Patriot, is guilty of a perversion of the truth. Mr. Brecken was unanimously elected the colleague of Mr. Pope.

THE Patriot, by its abuse of the Acadian French of this Island, has got itself into a tight place. Its editor is now attempting to reconcile himself with the French electors. He is too late!

SEVERAL truckmen drove their horses furiously past the Police Station this morning; yet the officers who, standing at the door, witnessed the violation of the law, made no effort to arrest the men.—COM.

TWO divers (not drivers) arrived from Picton on Wednesday evening. They proceeded to Summerside Thursday morning for the purpose of investigating the cause of the sinking of the Railway Wharf at that place.

LET the public read the two communications in this morning's Patriot, signed "Enquirer" and "A. H." and they will be fully convinced that, in argument, the Grit daily is about "played out."

PROFESSOR CECIL gave his first entertainment in the Market Hall, yesterday evening, to a large and select audience. The entertainment was very successful. The "spirits," as well as the committee, worked well. They made some of the tests appear wonderful and very amusing.

CANADIAN TRADE.—The Monetary Times says: "It is a relief to find that the failure figures for Canada are in marked contrast this year with those for the States. While the number of them was 555 in the first quarter of 1878, it was but 392 in the second quarter, and the liabilities were less than last year."

FARMERS from the different country districts inform us that the crops in general look splendid. Potatoes never appeared to greater advantage than they now do. Turnips are rather light, owing to the dryness of the weather after they were planted. The cereal crop is abundant, and generally a most bountiful harvest is expected.

BUTCHERS'S STEAM WHISTLE sounded continuously for ten minutes about 8 o'clock this morning. It was accepted as a signal for an alarm of fire. On enquiry, we ascertained that a house nearly opposite Dr. Johnston's, on Kent Street, caught fire on the roof, but the flames were extinguished without the aid of the fire engines.

AT the Stipendiary Magistrate's Court, this forenoon, James Bastapol was fined \$1 and costs or 4 days, for being drunk and incapable. Robt. Larter, Pierce Larter and Daniel Madden were summoned on complaint of Dr. Mackieson for trespass, but only one of the number appeared. The case was postponed and warrants issued for the absentees.

WE learn that the Station House, Tignish, is being used as a free distributing office for the "Picnic Speeches of McKenzie, Cartwright & Co." The Station Master is librarian and agent for the work; and it is said spends much of his time in advertising and discussing its merits. We direct the attention of the Railway Superintendent to this matter.

MESSES. PERRY AND YEO having notably failed to obtain a nomination in Summerside, Tignish, or any other part of Prince County—being afraid even to call for a division at any of their meetings—are now, we learn, having a requisition hawked about from house to house for the signatures of electors. This dodge will, we believe, also fail. However, we shall see.

IF, in our necessarily short and hasty resume of the speeches at the Grit meeting, the meaning of the speakers were not fairly conveyed we regret it. Hon. D. Davies complains that he was misrepresented. His letter in explanation is unavoidably crowded out of to-day's issue. It will appear tomorrow. The letter of a "Tradesman who has no confidence in Gritism" is also crowded out.

The steam whistles in this city are very servicable in giving an alarm of fire. But, we think, an alarm could be much more effectually given by them, if, instead of a prolonged sound, quick, shrill alarms were given. We would then know the meaning; whereas, at present, we remain in doubt quite a while after the first signal is given. We hope the proprietors of the different factories will make a note of this.

THE death of Mr. Reginald Stewart will be a sad surprise to his friends. It is only a week or two since he matriculated at King's College, Windsor. He was spending part of the holidays with a friend at Hall's fishing establishment, Rustico. A few days ago he was taken ill, and he died yesterday. The disease was diphtheria, in its most malignant form. Mr. Stewart was the youngest son of Robert Bruce Stewart, Esq.

NEW POST OFFICES.—The following new Post Offices, established on this Island, on

the 1st of July are gazetted:—Brae Station, Prince County, Ewen Campbell Postmaster; Chepstow, King's County, Daniel Nolan, Postmaster; Clear Spring, King's County, Lemuel McDonald, Postmaster; Forest Hill, D. H. Douglas, Postmaster; Nail Pond, Prince County, Patrick Clohosey, Postmaster; New Annapolis, Prince County, Robt. Walker, Postmaster; Palmer Road, Prince County, Michael Costain, Postmaster.

THERE is a great flourish of trumpets in the Patriot this morning because the July Administration at Quebec has managed with the bare majority of one at their back to struggle through the session just closed. Will the Patriot be kind enough to inform its readers what price was paid to sustain that unit majority? Will he deny that two small Banks in the Province of Quebec received from the McKenzie Government—under the pretence of a "loan"—the handsome sum of \$56,000 during the late political struggle in that Province? Query.—Will the said loan ever be paid back to the Dominion Exchequer?

THE attendance at the market to-day was the largest we have seen since the upper department has been opened. This department was crowded to excess with market people, and the tables were loaded with immense quantities of fruit, vegetables, and various kinds saleables. The following are the prices:—Currants (black) from 10 to 12 cents per quart; do. (red) from 12 to 16 cents per quart; gooseberries, from 12 to 20 cents per quart; raspberries, from 8 to 10 cents; butter (fresh) from 18 to 20 cents; do. (tub) 16 to 17 cents; eggs, from 8 to 12 cents per doz.; potatoes (new) 20 to 25 cents per peck; do. (old) 30 to 36 cents per bush; oats, 38 to 42 cents per bush; hay, 40 to 50 cents per 100 lbs.

## NEWS BY TELEGRAPH.

Special Despatch to Examiner:

LONDON, July 25.

The Times to-day gives an outline, apparently on authority, of reforms which England will require from Asia, embracing security of tenure of office for Governor, educated and competent Judges, an efficient police, and the abolition of farming out taxes.

A Vienna despatch reports Turkish plenipotentiaries on Tuesday telegraphed for a final proposal to Austria, and are expecting a reply.

Notwithstanding her conciliatory spirit, Austria is resolved not to permit further trifling.

It is said she has definitely notified the Plenipotentiaries that she will occupy the provinces July 28th or 29th.

It is stated that the person who was feted in Geneva as Vera Sassulitch was an impostor, and that Sassulitch is in Siberia. Parliament is to be prorogued on the 20th August.

Sir Hastings Reginald Yelverton, Lord High Admiral of the United Kingdom, is dead.

In the Commons, to-day, Joseph Curran, Radical, will present the petition of a small faction of Extreme Turco-philic, demanding the impeachment of Lord Beaconsfield.

LATER.

In the Commons, to-day, Mr. Curran presented a petition of the extreme Turco-philic faction, demanding the impeachment of Lord Beaconsfield. Mr. Lewis rose to a point of order, but the Speaker allowed the presentation of the petition.

## A Bye-Law for Levying an Assessment on Real Property in the City of Charlottetown.

(Passed by the City Council 19th July, 1878.)

WHEREAS, it is necessary and expedient to pass a By-Law for the purpose of levying an Assessment on the rental of Freehold and Leasehold Property in the City of Charlottetown, for City and School purposes, for the current year ending on the twenty-sixth day of May, in the year of our Lord one thousand eight hundred and seventy-nine,—

Be it therefore enacted by the City Council of the City of Charlottetown as follows:—

1. There shall be paid by the occupants or owners of Freehold or Leasehold Property within the City of Charlottetown, for City and School purposes, the following sum, that is to say, the sum of Twelve Cents on every Dollar of the rental for the current year ending on the twenty-sixth day of May, in the year of our Lord one thousand eight hundred and seventy-nine, according to the valuations entered against the names of each and every person in the Valuation Book of Real Property made by the Assessors of the City of Charlottetown, and returned by the said Assessors to the said City Council on the twelfth day of July, in the year of our Lord One Thousand Eight Hundred and Seventy-eight.

2. In cases where the occupant named in the Assessment Book of real property, made by the said Assessors of the City of Charlottetown, shall have left the premises so assessed before the time of giving the notice of assessment required by law, such notice shall be served upon the person or persons actually in possession; and, if the premises be vacant, then such notice shall be served upon the owner or owners thereof, or his or their agent; and such owner or owners shall be deemed, for the purposes of this law, the occupant or occupants; and such occupant or occupants, owner or owners in the cases aforesaid, shall be severally liable for the payment of the sum entered against the name of the original occupant or occupants in the Assessment Book of Real Property made up by the said Assessors of the said City, and deposited with the City Clerk, subject to the same right of appeal as the person or persons originally assessed was or were entitled to.

3. In cases where tenement houses containing two or more occupants, and where either the owner or one occupant was originally assessed, the City Collector shall have power and authority to divide and apportion such assessment between the several occupants in proportion to their several or respective rents, in order that the notices for assessment may be served on such occupants in due form.

## SYDNEY COAL.

REDUCTION IN PRICE!

NOTICE TO THE PUBLIC!

THE GENERAL MINING ASSOCIATION (Limited) beg to intimate to the Public that the price of SYDNEY COAL has been

Reduced to \$2 per ton of 2240 lbs., a price which it is hoped will place it within the reach of all consumers.

The opening of the new winning at "THE SYDNEY MINES" and the fact that the SYDNEY COAL now being shipped is all from the DEEP taken in connection with recent improvements in the process of screening, affords purchasers a positive guarantee of the very superior quality and condition of the SYDNEY COAL now offered for sale.

It is a well-known fact that for many years past the prices of other Cape Breton coals have been regulated by the rates fixed for SYDNEY COAL; but while it is true that other coals, to get a sale at all, have been pressed on the market at various prices under the current rate of SYDNEY COAL, it is no less true that, taking into account the superior lasting qualities of SYDNEY COAL when compared with other Cape Breton coals, the advantage, both as to economy and convenience, is in favor of SYDNEY COAL, even at a much higher price.

The General Mining Association (Limited) regret that they should again have to caution the Public against the attempts being made from time to time to induce them to buy inferior coals purporting to be "EQUAL TO SYDNEY," "SUPERIOR TO SYDNEY," etc., etc., while some yet more unscrupulous vendors have not hesitated to advertise their coal as SYDNEY COAL (from some designated locality). All these efforts to sell coal by such means are only so many admissions on the part of those who make them of the STANDARD character of SYDNEY COAL.

It has come to the knowledge of the Association that in frequent instances parties giving orders to truckmen and others for SYDNEY COAL have been furnished with other and inferior coal. The Public are cautioned against permitting themselves to be imposed upon in this way.

Every vessel loaded at THE SYDNEY MINES is furnished with a certificate of her cargo being Sydney Coal. Parties purchasing should satisfy themselves by demanding the production of this certificate.

The "Sydney Coal" is registered under the laws of the Dominion, and unauthorized parties using the Trade Mark "SYDNEY COAL" are liable to prosecution.
