Hurrah for Edward Hanlan.

TUNE—"WHA'LL BE KING BUT CHARLIE?"

There's news frae England cam' this morn',
That makes us a' feel gran', man,
"That Trickett s beat, fair an' complete,
By our ain Edward Hanlan."

Chorus—Then fill ye up, an' toast the cup
An' join in han' an' han', man,
An' let us sing till welkin' ring,
Hurrah for Edward Hanlan!

On coaly Tyne he met the best
O' England's sons, sae gran' man:
To their dismay, wha led the way
But our ain Edward Hanlan?

Chorus—Then fill ye up, etc.

The Yankees, too, brought forth their crew,
The best men o' their lan', man,
But ane an' a', they had to fa',
Before our Edward Hanlan.

Chorus—Then fill ye up, etc.

Australia's son, the great big gun,
Thought he'd show in the van, man;
But in the rear he did appear,
Behind our Edward Hanlan.

Chorus—Then fill ye up, etc.

To beat our boy, they'll have to try
Steam or some ither plan, man,
For he's so rare, nane can compare
Wi' our ain Edward Hanlan.

Chorus—Then fill ye up, etc.

We'll welcome hame to wife an' wean,
Wi' greetings warm an' gran', man,
Wi' shouts o' joy, Toronto's boy,
Canada's Edward Hanlan!

Then fill ye up, an' toast the cup,
An' join in han' an' han', man,
An' let us sing till welkin ring,
Hurrah for Edward Hanlan!

Toronto, Nov. 15th. A. MUIR.

Don't Worry About Yourself.

To regain or recover health, persons should be relieved about all anxiety concerning disease. The mind has power over the body. For a person to think that he has a disease will often produce that disease. This we see effected when the mind is entirely concentrated upon the disease of another. It is found, in the hospital, that surgeons and physicians who make a speciality of a certain disease are liable to die of it themselves; and the mental power is so great that sometimes people die of disease which they only have in imagination. We have known a person to die of cancer in the stomach when he had no cancer, or any other mortal disease. A blindfolded man, slightly pricked in the arm, has fainted and died from believing that he was bleeding to death. Therefore, well persons, to remain well, should be cheerful and happy; and sick persons should have their attention drawn, as much as possible, from themselves. It is by their faith men are saved, and it is by their faith that men die. If he wills not to die, he can often live, in spite of disease, and if he has little or no attachment to life, he will slip away as easily as a child will fall asleep. Men live by their souls, and not by their bodies. Their bodies have no life of themselves; they are only resources of life, tenements of their souls. The will has much to do in continuing the physical occupancy or givig it up.—*Dr. Hall.*

A clergyman in the west of England gives his experience of a tricycle as a means of locomotion in lage country parishes. He says:—"My first journey was ten miles, the third forty-two, across Devon into Cornwall. I have travelled about 800 miles by this time, on pleasure trips in North Wales, and latterly in Derbyshire, on my work of deputation for the Society for the Propagation of the Gospel, and have found it a great comfort and pleasure. From seven to eight miles an hour is my speed, and I can do fifty miles per day. I can ride up any hill almost. I carry my portmanteau with me, and carried my boy, aged 12, behind me for 34 miles once. If I were in a country place and wished to save a horse I should do so by keeping a tricycle. It wants no groom, no corn, no tax, no gates. You can leave it at the door of a cottage and want no one to hold it; and, better than all, it has done my health (which was shattered abroad) more good than all the physic I have swallowed, so I cordially recommend it to clergymen.

A Good Account.

"To sum it up, six long years of bed-ridden sickness and suffering, costing $200 per year, total $1,200—all which was stopped by three bottles of Hop Bitters taken by my wife, who has done her own housework for a year since, without the loss of a day, and I want everybody to know it for their benefit."

"JOHN WEEKS, Butler, N. Y."

Remedy for Hard Times.

Stop spending so much on fine clothes, rich food and style. Buy good, healthy food, cheaper and better clothing; get more real and substantial things of life every way, and especially stop the foolish habit of running after expensive and quack doctors or using so much of the vile humbug medicine that does you only harm, and makes the proprietors rich, but put your trust in the greatest of all simple pure remedies, Hop Bitters that cures always at a trifling cost, and you will see better times and good health. Try it once. Read of it in another column.

The American People.

No people in the world suffer so much with Dyspepsia as Americans. Although years of experience in medicine had failed to accomplish a certain and sure remedy for this disease and its effects, such as Sour Stomach, Heart-burn, Water-brash, Sick Headache, Costiveness, palpitation of the Heart, Liver Complaint, coming up of the food, low spirits, general debility, etc., yet since the introduction of Green's August Flower we believe there is no case of Dyspepsia that cannot be immediately relieved. 50,000 dozen sold last year without one case of failure reported. Go to your Druggist and get a sample bottle for 10 cents and try it. Two doses will relieve you. Regular size 75 cents.

IMPORTANT SALE

—OF—

VALUABLE PROPERTY.

THE Directors of the CHARLOTTETOWN WOOLEN FACTORY COMPANY offer for Sale their Valuable Property situated on Spring Park. The property consists of One Acre of Land, with the Buildings thereon, Engine & Boiler, Shafting, Bolting and complete Heating apparatus throughout the whole building. The size of the Main Building is 80 x 50 feet, three stories high, besides basement, Engine House of Brick 50 x 30 feet together with a large Building attached and used by the Company as a Dyehouse. The Engine is 30 horse power and was built by Messrs' Montgomery & Sons, of Halifax, in 1871, and cost there about $2,600. The Engine and Boiler are in a complete state of repair and almost as good as new. There is about 60 feet of 3 inch Shafting together with the Hangers. The Main Driving Belt cost about $300 and is quite as good as new. The Steam Pipes for heating extends throughout the entire building and cost upwards of $1,000. There is a never failing Spring of water within a few feet of the factory, where a sufficient quantity can be obtained for any purpose required.

For further particulars apply to either of the undersigned.
