

Pain.

Quesnel says: "We rarely confess that we deserve what we suffer." Yet most pain and sickness is the result of neglect or indiscretion. If you would be healthful, keep your system in order by the daily use of **Abbey's Effervescent Salt.** It cures indigestion and its many kindred ills.

You Will Have a Good Clock

If you buy it here. We are showing a large line of clocks that are RELIABLE, DURABLE and STYLISH. One that we fancy most is a block-wood clock, strikes the hours on a musical gong bell, and the half hours on a tinkling cup bell; it is tastefully decorated in gilt scrolls and has a beautiful ornamented dial.

If you have any intention of buying a clock it will be well worth your time to see us and get prices.

PUBLIC OPINION.

SIR,—I observe the Patriot under the date of 22nd inst., in defence of the Lient. Governor, says as a proof of his loyalty that he is a descendant of a Scotch family. This I take as a great insult to Scotchmen. I venture to say there is not a Scotchman or a descendant of a Scotch family on P. E. Island today who would be guilty of using the disloyal language attributed to him. I also would inform the Patriot that the Conservatives are not the only persons who condemn the Governor for being so unprudent, for Liberals alike all over the city and province as well as Conservatives do so. I would further say to the Patriot if he wishes a large support to his party at the next general election the less he will say in defence of the Governor (unless the Governor chooses to clear himself of what has been said against him) the better it will be for the party as I know several life-long Liberals who, on account of the Patriot's defence of him will vote Conservative at the next election.

A TRUE LOYAL SCOTCHMAN.

A NEW MAN

What Vernon Bromley Says About Dodd's Kidney Pills for Rheumatism.

TORONTO, Jan. 23.—Vernon Bromley, clerk of the Gilbert House here, and a well known man about town, has entirely recovered from his attack of Sciatica. The rheumatic taint has been eradicated from his system permanently by the use of Dodd's Kidney Pills. "I had been a martyr to Rheumatism and Sciatica for years," says Mr Bromley. "I have always been against any patent medicine until I read unrefuted statements of cures of this dreadful disease. I hesitated, but everything else having failed, I got half a dozen of Dodd's Kidney Pills. I have now used twelve boxes altogether, and am cured. Dodd's Kidney Pills made a new man of me."

Of two evils some people not only choose both but look around for more.

DIED.

In this city, January 23rd, Murdoch A. Buchanan in the 38th year of his age, leaving a widow and four children.

Why is it that one man is old and decrepit at 45, and another hale and hearty at 80? It depends on the care he takes of himself. Often a man's body gets out of repair—the trouble grows until it lays him out in bed. Whenever a man feels that he is not as well as he ought to be, whenever he is listless, without energy and without vitality, whenever he finds he is losing weight and that his ordinary work gives him undue fatigue, he needs Dr. Pierce's Golden Medical Discovery. If he keeps on working with his liver inactive and his blood impure—he keeps his nerves and his body under a constant nervous strain. He will not be hearty when he is old. The "Golden Medical Discovery" cures many so-called diseases because nearly all illness springs from the same thing—bad digestion and consequent impure blood. The "Discovery" makes the appetite good, the digestion strong, assimilation easy, and the blood rich and pure.

Send 31 one-cent stamps to cover cost of mailing only, and receive free a copy of Dr. Pierce's Medical Adviser. Address World's Dispensary, Medical Association, Buffalo, N. Y.
