THE CENTURY MAGAZINE.

WITH the November, 1887, issue THE CENTURY commences its thirty-fifth volume with a regular circulation of almost 250,000. The War Papers and the Life of Lincoln increased its monthly edition by 100,000. The latter history having recounted the events of Lincoln's early years, and given the necessary survey of the political condition of the country, reaches a new period, with which his secretaries were most intimately acquainted. Under the caption

Lincoln in the War,

the writers now enter on the more important part of their narrative, viz.: the early years of the War and President Lincoln's part therein.

Supplementary War Papers,

following the "battle series" by distinguished generals, will describe interesting features of army life, tunnelling from Libby Prison, narrative of personal adventure, etc. General Sherman will write on "The Grand Strategy of the War."

Kennan on Siberia.

Except the Life of Lincoln and the War Articles, no more important series has ever been undertaken by THE CENTURY than this of Mr. Kennan's. With the previous preparation of four years' travel and study in Russia and Siberia, the author undertook a journey of 15,000 miles for the special investigation here required. An introduction from the Russian Minister of the Interior admitted him to the principal mines and prisons, where he became acquainted with some three hundred State exiles.—Liberals, Nihilists, and others,—and the series will be a startling as well as accurate revelation of the exile system. The many illustrations by the artist and photographer, Mr. George A. Frost, who accompanied the author, will add greatly to the value of the articles.

A Novel by Eggleston

with illustrations will run through the year. Shorter novels will follow by Cable and Stockton. Shorter fictions will appear every month.

Miscellaneous Features

will comprise several illustrated articles on Ireland, by Charles De Kay; papers touching the field of the Sunday School Lessons, illustrated by E. L. Wilson; wild Western life, by Theodore Roosevelt; the English Cathedral, by Mrs. van Rensselaer, with illustrations by Pennell; Dr. Buckley's valuable papers on Dreams, Spiritualism, and Clairvoyance; essays in criticism, art, travel, and biography; poems; cartoons; &c.

By a special offer the numbers for the past year (containing the Lincoln history) may be secured with the year's subscription from November, 1887, twenty-four issues in all, for \$6.00, or, with the last year's numbers hand-somely bound, \$7.50.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a decided experience in wisely adapting and thoroughly testing remedies for the cure of woman's peculiar ailments.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and eminent physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, worn-out, "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and delicate generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing and strengthening tonic. As a soothing and strengthening nerve, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional derangement of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system, whether morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms. Its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prolepsis, or falling of the womb, weak back, female weakness, ante-cervical, excessive nervous bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life." "Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle's wrapper, and faithfully carried out for many years.

Large bottles (100 doses) \$1.00, or six bottles for \$5.00. For larger illustrated Treatise on Diseases of Women (100 pages, paper-covered, send ten cents in stamps. Address, World's Dispensary Medical Association, 663 Main St., BUFFALO, N. Y.
