

Prince County Combines Whp Jr. Penguins 8-2

Five third period goals, three of them within a space of one minute and 22 seconds enabled Prince County Combines to roll to a lopsided 8-2 victory over Junior Penguins at the Sports Arena last night.

The game was a lack-lustre affair most of the way except for the second period when the action gained momentum with the Juniors missing out on some golden opportunities.

Going into the final twenty minutes the Juniors were trailing by a 3-0 score and had still a hope of catching up to the Prince County pucksters but those three quick markers, two of them in eight seconds, killed all chances for the Baby Birds of catching up.

Garth Harris and Alger Cutcliffe led the Combine scoring parade, with a brace of goals each. Harris opening the scoring and claiming the effort with the final goal for the winners at the 14:12 mark of the final session.

The Penguins were kept off the sheet till the 6:04 mark of the final session. Dave Lawlor rapping Jerry Kane's rebound.

Montreal scoring thrust. The Bruins and Canadiens tied 5-5 result moved to block this.

BEST OWN BEST TIME Sandy Clippert of Ocean Falls, B.C., clipped almost five seconds from the best time he has ever done for the distance and placed fourth in 4:37.

England's winning team was John Pelling, Michael Ward and Peter Jacobs, and their success was the third straight in the Commonwealth games.

England ended with a 4-0 win over Australia, which was 3-1 and Canada 2-2. Wales was 1-3 for fourth and New Zealand lost by four losses.

In the final round, Baskovyl won both his matches against England, Schwede had one vic-

tor and two defeats and Foxcroft three defeats.

Canada beat New Zealand 7-2 and Wales 5-3 but lost 6-2 in the final.

After four days of the ninety day games, Australia has 10 gold medals, followed by England with 13, New Zealand, 6; Canada, 2, and four countries have one each.

In the point-standings based on the traditional 15-4-3-1 system of scoring, Australia was first with 309; England was second with 277 points, New Zealand third with 120 and Canada fourth with 83.

Murray Rose, 23-year-old Australian set a Games record because the event is new.

Linda Ludgrove, 19, an English schoolgirl, halted the host country's supremacy in the pool, however, with a great finishing spurt that brought her women's 100 yard backstroke time to 1:11.1.

Miss Ludgrove's strong finish enabled her to set a new and another teen-age star, Pam Berger of Australia, who took the world record from the English girl the night before.

Sara Barber of Brantford, Ont., was sixth, nearly two seconds off the winner's time.

Like the rowers, the Canadian swimmers also set a new record on a rough day after winning a gold, three silver and five bronzes—almost half the total they won in the last three B.E. Games. Tuesday they were shut out.
