THE ECLIPSE

JUBILEE TEA

—ON—

DOMINION DAY

—AT—

BEDFORD STATION.

An ideal spot to spend an enjoyable day, only nine miles from Charlottetown, in a field surrounded by graceful fields and groves, in the centre of a picturesque country in the vicinity of the great watering place quite near the North Shore, Acadia and other hotels, the McDonald great summer dwelling, in fact in the midst of all that is beautiful and charming, will certainly eclipse anything of the kind this season. Having the superior advantages of time, place and surroundings, together with the full determination of all concerned to delight, please and entertain in a most royal manner, all who will be so fortunate as to attend will exclaim in the evening, "Isn't this a great world to live in."

Besides the attractive features sufficient to render the day a pleasing and enjoyable one, together with all the amusements, such as games of all kinds, Wheels of Fortune, Revolving Swings, Music, Bowling Alley, Shooting Gallery, the Bedford Tea will have the distinguished honor of introducing many other rare attractions and amusements never before at such gatherings. A species of all the winged and canine races, and a more varied and greater collection, perhaps, of domestic animals than any other province in our beautiful Dominion can boast of, will be exhibited.

A bicycle track on the field, and in excellent condition, will be perhaps the most pleasing feature of the day's outing. There will be several bicycle races before and after noon.

The well known League of the Cross Brass Band will come by special train from Charlottetown.

The sight of the dinner table alone will give an appetite, and the strawberry, ice cream, oyster and refreshment tables, and in fact everything that will please and delight the eye, taste and hearing of visitors will be provided.

Proceeds in aid of the Tracadie New Church fund. Should the day prove unfavorable the tea, etc., will be continued on Saturday, 3rd.

Besides the regular trains running at reduced rates, a special will leave Charlottetown at 9.15 o'clock standard; returning will leave Bedford at 4.30 o'clock; a train from Mount Stewart, leaving at 10 o'clock, will leave Bedford at 4.30.
