CHILDREN TEETHING

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers her

Soothing Syrup,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

Relief and Health to your Infants.

We have put up and sold this article for over thirty years, and **can say, in confidence and truth of it,** what we have never been able to say of any other medicine—**never has it failed in a single instance, to effect a cure,** when timely used. Never did we know an instance of dissatisfaction by any one who used it; on the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter **"what we do know,"** after thirty years' experience, **and pledge our reputation for the fulfilment of what we here declare.** In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most **experienced and skilful nurses** in New England, and has been used with **never-failing success** in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC,

and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the best **and surest remedy in the world,** in all cases of **Dysentery and Diarrhœa in Children,** whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—**do not let your prejudices, nor the prejudices of others,** stand between your suffering child and the relief that will be **sure—yes, absolutely sure**—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the facsimile of **CURTIS & PERKINS,** New York, is on the outside wrapper.

☞ Sold by Druggists throughout the world.

Judson's Pills.

The Most Reliable Friend!

Holloway's Ointment.

Its Searching & Healing Properties are known and recognized throughout the World.

The number of years this invaluable Ointment has stood the test of public opinion, (and the longer known the better appreciated) is a testimony of itself more convincing than anything that could be written in praise of its truly wonderful healing properties. In the cure of bad legs, bad breasts, sores, wounds, and ulcers, its effect is marvellous. For ring-worm, scald-head, scrofula, and diseases of the skin generally, there is no remedy to be compared to it. When assiduously rubbed upon the skin (previously well bathed in warm water) this Ointment is quickly absorbed into the system, and cleanses, in its passage, every part to which it is applied.

Glandular Swellings, Mumps, Bronchitis, Quinsey, Sore Throats and Diptheria.

In any of the above diseases, immediate and permanent relief is obtained by effectually rubbing this detergent Ointment, twice a day, upon the neck, chest and back. Its acts upon the very mainsprings of life; for through the glands pass all new matter required for the body's reparation and all old particles detrimental to its preservation. The Ointment, used conjointly with Holloway's Pills, will act so searchingly and certainly as to effect cures in the most hopeless cases.

Rheumatism, Lumbago, Contracted and Stiff Joints.

Many thousands of martyrs from the above complaints have found life almost unsupportable; yet, if Holloway's Ointment be briskly and perseveringly rubbed upon the parts affected, ease may be safely guaranteed, especially if the pores of the skin be previously opened by fomentations with warm water. The gross humors require expulsion from the system; it is therefore necessary to have recourse to Holloway's admirable Pills, which, by purifying and strengthening the system, greatly assist the operation of the Ointment and facilitate and confirm the cure.

Bad Legs, Bad Breasts, and Ulcerations of all kinds.

There is no medicinal preparation in the world which may be so thoroughly relied upon, in the treatment of the above ailments, as Holloway's Ointment. Nothing can be so simple or safe as the manner in which it is applied, or its action on the body, both locally and constitutionally. The Ointment, rubbed around the part affected, enters the pores just as salt enters meat. It quickly penetrates to the source of the evil and drives it from the system.

Erysipelas and Scrofulous Sores.

In all irritations of the skin, sores, ulcers, burns or scrofulous enlargements of any kind, Holloway's Ointment presents a ready and easy means of cure. It manifests a peculiar power in restraining inflammation, removing stagnation, cooling the heated blood, and checking all acrimonious and unhealthy discharge.

Diseases attendant on Childhood.

Diseases incident to early life fall more under the management of the mother than the medical man. Holloway's Ointment should therefore be regarded by her as a "Household Treasure," as it never fails in bringing out the rash in measles and scarlatina; and for the removal of all skin diseases its effect is miraculous. In cases of whooping cough and croup, this invaluable Ointment should be rubbed twice a day upon the throat and chest, and the youngest invalid will derive therefrom the most soothing relief. Two or three of Holloways's famous Pills, reduced to a powder, will augment the curative powers of the Unguent.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Corns (soft)	Rheumatism
Bad Breasts	Cancers	Scald Heads
Burns	Contracted and Stiff Joints	Sore Nipples
Bunions	Elephantiasis	Sore Throats
Bite of Moschetoes and Sand Flies	Fistulas	Skin Diseases
Coco-bay	Gout	Scurvy
Chiego-foot	Glandular Swellings	Sore Heads
Chilblains	Lumbago	Tumours
Chapped Hands	Piles	Ulcers
		Wounds

THE GREAT REMEDY FOR

CONSUMPTION,

and acknowledged by many prominent physicians to be far the most Reliable Preparation ever introduced for the RELIEF and CURE of all

LUNG COMPLAINTS.

This well known remedy is offered to the public, sanctioned by the experience of over forty years; and when resorted to in season, seldom fails to effect a speedy cure of

Coughs, Colds, Croup, Bronchitis, Influenza, Whooping Cough, Hoarseness, Pains or Soreness in the Chest and Side, Bleeding at the Lungs, Liver Complaint, &c.

The unequalled success that has attended the application of this medicine in all cases of

PULMONARY COMPLAINTS

has induced many physicians of high standing to employ it in their practice, some of whom advise us of the fact over their own signatures. We have space only for the names of a few of these:—

ALEX. HATCH, M.D.	A. A. GIBBS, M.D.
E. BOYDEN, M.D.	W. H. WEBB, M.D.
WM. A. RUST, M.D.	W. B. LYNCH, M.D.

BRADFORD KNAPP, M.D.	A. H. MACANAIR, M.D.
SEYMOUR THACHER, M.D.	S. H. FINLEY, M.D.

Such testimony

CANNOT BE DISCREDITED.

From the mass of evidence in our possession we select the following:—

From L. J. RACINE, Esq.,

of La Minerve, Montreal. "*Having* experienced the most gratifying results from the use of *Dr. Wistar's Balsam of Wild Cherry,* I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. The symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found *immediate relief,* and after having used four bottles I was completely restored to health. I have used the Balsam in my family, and administered it to my children, with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy *par excellence.*"

A CURE FOR WHOOPING COUGH.

ST. HYACINTHE, C.E., Aug. 21, 1856.

Messrs. SETH W. FOWLE & SON.

Gentlemen:—Several months since a little daughter of mine, ten years of age, was taken with *Whooping Cough* in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of *Dr. Wistar's Balsam of Wild Cherry.* In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce anybody to use your Balsam I shall be glad, for I have great confidence in it.

Yours, P. GUITTE,
Proprietor of the *Courrier de St. Hyacinthe.*

Clergymen, Lawyers, Singers,

and all those whose occupation requires an unusual exercise of the vocal organs, will find this the ONLY REMEDY which will effectually and instantaneously relieve their difficulties. This Remedy, unlike *most* others, is extremely

A small quantity allowed to pass over the irritated part at once removes the difficulty.

OLD DR. JUDSON'S DEAD SHOT WORM CANDY KILLS WORMS

"Endorsed by the Medical College of Glasgow."

DR. JUDSON'S DEAD SHOT WORM CANDY.

THE Subscribers, B. L. JUDSON & CO., are the Sole Agents and Importers on this Continent, of this Wonderful Medicine, and propose to give here

A few Reasons why it is the Best and Safest Remedy in the World.

1st—It is the result of the experience and study of a Gentleman and a Scholar.
2nd—It is *not* a Quack Nostrum.
3rd—Is is perfectly pleasant and easy to take.
4th—The smallest child will greedily tease for it.
5th—It never fails to kill the Worms.
6th—It is entirely vegetable, and cannot harm the smallest child.
7th—It is the result of 70 years experience of old Dr Judson
8th—It is endorsed by and bequeathed on his death-bed by old Dr. Judson.

Now see what a *Physician of the Royal College* said of it 20 years ago.

Certificate from a Physician 20 years ago.

Before the Medical College, Glasgow.

I do hereby certify, that by request of scores of my patients and others, I have analyzed what is known as old Dr Judson's Worm Candy Sticks; on analysis, I find it to contain nothing that is the least injurious to the youngest infant. I find that the Medicine used, acts specifically on the Worms, and is a perfect regulator of the debilitated system—knowing this to be the fact, and the medicine so pleasantly disguised in a candy stick, I strongly recommend to this Board of Physicians to prescribe *Dr. Judson's Dead Shot Worm Candy* to all of their patients that are troubled with the common or Tape Worm.

[Signed] C. H. MACPHERSON, M D.
Analytical Chemist.

Old Dr. Judson expressed a wish that this Remedy should be put at such a price as would enable *all,* THE POOR ESPECIALLY, to use it. In deference to that wish, we have put it at following price.

☞ Price only 20 cts. per package, or 50 cts for three packages. Sold by every Druggist and Medical Dealer in Europe and America.

None genuine without a fac-simile signature of B. L. JUDSON & CO. on each wrapper.

Judson's Worm Tea!

HALL'S VEGETABLE SICILIAN HAIR RENEWER,

HAS proved itself to be the best preparation ever presented to the public; a fact to which thousands have testified who have been benefited by its use.

A few applications of this Compound will change brash, dry and wiry Hair to a moist and glossy appearance, and make it of

SILKEN TEXTURE.

The Proprietors offer the SICILIAN HAIR RENEWER to the public, entirely confident that by its restorative properties it will bring back the Hair to its

NATURAL COLOR

It is not a dye, and consequently does not stain the skin or soil the finest fabric. If the Hair is falling off or becoming grey, the use of the RENEWER will surely arrest its decay, no matter from what cause, and will create a new growth, and make it assume in a short time all its former vigor, as it furnishes the nutritive principle by which the Hair is nourished and supported. As a

HAIR DRESSING,

he RENEWER is unequalled by any other Hair preparation in the world, giving it that beautiful texture which is so much admired by all. It does not contain any poisonous drugs, the basis of its remedial properties being a VEGETABLE COMPOUND. It completely eradicates scruf and dandruff, and cures all diseases of the scalp, and by its cooling properties allays the itching and fever of the scalp. It combines not only the best remedial properties for all diseases of the Hair and Scalp, but also is the best dressing for the Hair. This preparation has been sold for the past seven years entirely upon its own merits.

Beware of the numerous imitations, which in appearance only are similar to it, which are forced upon the public upon our reputation. Call for HALL'S VEGETABLE SICILIAN HAIR RENEWER, and take no other, or you will be dis appointed.

ROGERS'

MEDICINES!

AFTER A TEST OF

FOUR YEARS

before the public, are still increasing in popularity, because they continue to make cures

UNPARALLELED

In the history of Medicines, as abundantly appears by the following, among hundreds of similar testimonials, from people of the highest respectability from all parts of the Lower Provinces.

There is no longer any reason why the most hopeless cases in any disease arising from impurities of the blood may not be cured, as well as

GENERAL DEBILITY,

FEMALE WEAKNESSES, &c., &c.

OUR

ALTERATIVE SYRUP

is beyond all controversy unsurpassed as a purifyer of the blood and invigorator of the system. This, no man can doubt, who will look over the following

CERTIFICATES:

Cancer of the Womb Cured.

Messrs. Rogers & Co,

GENTS.—I have been cured by your wonderful Medicine of one of the worst of diseases, as follows, viz:

I had been afflicted for several years with an internal Tumor, and four years ago I was taken sick with a fever; the old complaint also revived. I had a Doctor attending me, but continued to get worse, we sent for another Doctor. He pronounced it a hopeless case, and said I could not live long. He said the Tumor was then as large as a pint bowl, and was assuming a cancerous nature. I suffered more than tongue can tell. My friends expected me to die daily. They were called in to see me die, and I was reduced to a mere skeleton. I suffered in this dreadful manner for upwards of two years. I at length, as a forlorn hope was induced to try your medicine. The first lot seemed to make me worse, and I became discouraged; but the Rev. A. W. Borss advised me to continue. I did so, and soon began to improve, and I am now well again, and a wonder to myself and neighbors. I feel as one raised from the dead. I am a young woman of of 26 years of age. I state these things for the benefit suffering humanity, and I cannot begin to describe the severity of my case—it is widely known in the County of Yarmouth, Nova Scotia.

Yours, with much gratitude,
LOIS A. HATFIELD.

We, the undersigned, friends of Miss Hatfield, have much pleasure in endorsing all she says aboea and much more might be said of this most extra ordinary case.

MARIAH GAVILL,
MARY L. McCORMIC.

ULCERATED CANCER CURED!

Who needs better proof than the following voluntary testimony of

MRS. HANNAH BALMAIN, OF WICKHAM, N.B.

Some four years since there came a lump in my breast, and at the time I did not know what it was—but on showing it to three Doctors, they told me it was a "CANCER," and for which the knife would have to be applied; then again, I went to a female doctor, who has been in the habit of curing Cancers by drawing them out, but she informed me that it was deep in the flesh and too long seated, and therefore could not help me. Knowing that something must be done, I concluded to try your medicine, which I saw advertised in the *Visitor.* Accordingly I sent for a can of *Ointment and Powders for making the Syrup,* which I used without the slightest change at the time. I began to think it was a failure, but concluded to give it another trial; consequently I procured another can of Ointment and Powders, and from its use it gathered and broke in two places, and discharged very freely for about six months, after which time it broke again in another place, and one of the old Ulcers healed up, the remaining two still remaining, one of which ran for two and a half years, the other healing up in about two months after it broke, during which time I used your medicine regularly I may here state, that the last Ulcer healed up about thirteen months ago, since which time I have enjoyed good health. Yes, I may say better health than I have enjoyed for several years.

I remain yours, respectfully,
MRS. HANNAH BALMAIN.

EXTRACT OF A LETTER.

FIVE ISLANDS, Nova Scotia, October 21st, 1867.

Messrs. Rogers & Co

GENTS:—My daughter is nicely, and you have done wonders, for I never thought you would make a cure as you have done. Her leg appears to be quite strong, but it itches a little.

Yours, &c.,
EDWARD CORBETT.

The above was a very severe case of Scrofula of four or five years standing, and after having baffled the skill of the best Physicians and almost every other Patent Medicine, and the child appeared to be on the verge of the grave, and the parents having lost confidence in everything in the medical line, we undertook the cure for a certain sum, and if we failed we were to get nothing: but we succeeded, as we do in every case of Scrofula we undertake. Nearly the whole of the bone from the knee to the ankle came out in pieces from time to time.

ROGERS & CO.

Mrs Edwin Starratt, of Port William, Nova Scotia, after having lost the use of her limbs for upwards of three years, has been fully restored to her former health by the use of our medicine Any one wishing to know the particulars can correspond with Mrs. S. who will give every information.

R. & Co.

Mr. Allen, Editor of the Liverpool *Transcript,* Nova Scotia, has been cured of a very bad Scrofulous sore on his leg, of several years standing, after every other means failed.

R. & Co.

Miss Miles of Milton, Queen's Co., Nova Scotia, was for upwards of three years suffering from a general derangement of the system. Suspension of the menses, bleeding at the lungs, &c., &c, and to all appearance was fast sinking to the grave. Medical skill and every other means proving ineffectual. In a few months our *ALTERATIVE SYRUP* restored her to her usual health.

Persons wishing to know the truth of this case can drop a line to the Rev. JOHN HUGHES, Baptist Minister at the above place. We could easily fill pages of newspapers with the relation of such cases, but we deem the above sufficient for the present

R. & Co.

It usually takes from six to twelve months to effect a cure in cases of long standing, and will cost from thirty to sixty dollars. The cheapest way for such cases is to order a $20 box at first, which can be had in New Bruswick by ordering from

JOHN CHALONER, ESQ.,

Corner of King and Germain Street. St. John. But may be had at all the principal Drug Stores by Retail, or address
