

cont'd from page 9  
 think the fact that over 200 students at UPEI (about 20% of enrolment) were directly involved in Student Union activities this year speaks very well about the students and the Union. Not many other campuses, I'm sure, could boast such a participation rate. The students who participated know that a university education involves more than books, papers, and exams. A large part of education at UPEI is centered around the Student Union, its various activities and projects. For those students who have

not participated other than by attending Pigs and Winter Carnival, they are missing a great experience, one that they will never be able to recapture. Everybody should get involved to some degree, because without personal involvement and personal interaction with others in a cooperative situation, no education can be complete.

In the coming years, involvement is going to be necessary from a larger number of students. UPEI is being changed. Decisions are being made in community, government, and university

circles that will alter the nature and direction of this university in future years. By no means am I warning against such change, but we must ensure that we are included in the decisions that will bring this change about. Students at UPEI enjoy a fairly large role in decision-making on this campus. We must work to maintain that role and use it as effectively as possible. If we don't, then we will lose our university, in the sense that it will not be the university we want. Times are changing; it's our responsibility to

see that they change as we wish.

In closing, my thanks to all who helped in any way during the year, especially the Executive, Mickey, Pat and Clyde. A better bunch of people never assembled in any office. To the graduating seniors, I wish you the best of everything in life as you leave UPEI. I hope your last year has been a memorable one. And to everybody else, thank you for your help and cooperation. I hope next year's Executive is as fortunate as we were in receiving your support. Have a great summer!

## Drysdale and MacDonald Top Athletes at UPEI

by: John Neville

For someone who was new to UPEI the recently completed ATHLETIC AWARDS nite might have seemed like Wilfred MacDonald night.

The hockey Panthers defenceman won no less than six awards. Besides

the highlight of the night was the salute to UPEI's three ALL-CANADIANS.

Mike Lyriotokis, Larry McGhee and Wilfred MacDonald all received thunderous standing ovations when they were

in Canada, the first time a Panther has ever done that.

In addition to the All-Canadians, those players who were named to the Atlantic all-conference teams were also honored. They included Brian Ostroski (hockey), Heather MacLean and Alyson Maxwell (womens basketball), Socky MacDonald, Dan Desjardins and Frank Costa in football, and Kevin MacCarville for his national title in harness racing.

In addition, the championship golf team of Lee Brammer, Steve Dowling, John Neville and Dave Stephenson were honored for winning the Maritime title.

There were also a number of special awards that were given out. Wendy Birch (women's hockey), Ken Ozmon, Paul Taylor (intramurals), Peter Jenkins (curling), Mike Kennedy (fan of the year), were all

was given a plaque from the players while managers David Campbell and Francis MacCarville, trainer Peter Henderson and general manager John Neville all received gifts from the team.

Listed below are the remaining intercollegiate award winners.

**Football:** Rookie - Terry Palmer.

**Field Hockey:** Andree Campbell & Mary Morrison; M.V.P. Brenda Coyle.

**Soccer:** M.V.P. - David Ewart.

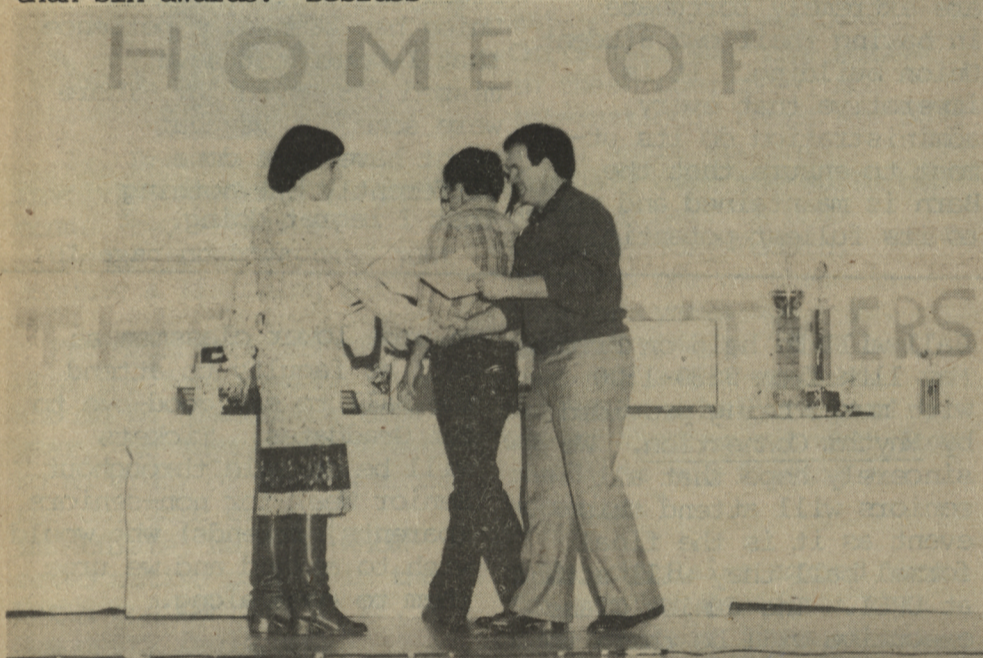

**Men's Basketball:** Rookie - Jude Kelly; Most Improved - Kevin Hankinson.

**Women's Basketball:** Rookie - Alyson Maxwell

**Women's Hockey:** Rookie - Andree Campbell; M.V.P. - Janet Beaton.

**Men's Hockey:** Rookie - Brian Ostroski; Most Improved - Brian Cameron; Most Dedicated - Ken Burton; Top Scorer - David Cameron.

Our congratulations to

SANDRA DRYSDALE-UPEI'S FEMALE ATHLETE OF THE YEAR being honored for his selection to the all-conference and all-Canadian teams MacDonald was presented with the Godfrey Award, the Pondorosa Cup, the team M.V.P. and the top award of the night, the 1978-79 UPEI MALE ATHLETE OF THE YEAR.

On the female side of the slate, Sandra Drysdale was the big winner. In addition to being honored as an all-conference field hockey player, she also won the ladies basketball team M.V.P. and the 1978-79 FEMALE ATHLETE OF THE YEAR.

As was the case with MacDonald, Drysdale won the top athlete award for the second time in her university career.

Although most of the silverware went to Drysdale and MacDonald,

"It is a rare occasion that any school honours three athletes of this calibre in the same year," commented athletic director Ed Hilton. As a matter of fact, UPEI was the only school in all of Canada that had an all-Canadian in each of the three major sports.

In addition to the all-Canadian honor Lyriotokis won the top lineman award. Although he received plenty of silverware, it is not a true indication of the large contribution that "tokis" had made to the football program here at UPEI.

McGhee also won the team M.V.P. award and was honored as the top scorer

ALL CONFERENCE PLAYERS-WILFRED, TOKIS, AND LARRY honored for their contribution this year.

The UPEI hockey team honored its entire management. Coach Jack Hynes

all the trophy winners but especially our thanks to all the athletes for providing us with such great excitement this year. Have a good summer.....
