

# Thank You!

Highlights of some of the events held during the Faculty and Staff Student Centre Fundraising Drive.

**\$75,338 raised**

On behalf of UPEI SU, I would like to take this opportunity to thank all Faculty and Staff on the tremendous effort and drive shown in this year's fundraising campaign.

With excellent co-chairs, Assistant Dean Mel Gallant and Dean Vianne Timmons, along with the many others who gave their time and energy, events such as the BBQ, the excellent sounds of Barachois, and the theatrical display at the murder mystery could not have taken place. These functions were a few of the many which took place this fall.

Here at the Student Union, all the dedication by the Faculty and Staff has shown us that enthusiasm for UPEI and the Student Union is high, which in turn has helped us come closer to our goal. We would like to take this time to thank you for the effort and dedication you have put forth in helping us accomplish our goal of a new Student Centre.

Thank You
