

IN MEMORIAM

MRS. JAMES G. MacLEAN

The death occurred very suddenly on the 12th day of May, 1952, of Harriet Blanche MacLean, wife of James G. MacLean of South West Lot 16, P.E.I. in her 62nd year.

She left to cherish her memory four sons and two daughters, Arnold, Charlottetown, Brenton, Summerside, Marion (Mrs. Allan Scott, Oak Lake, Manitoba), Garth, Mildred and Nell at home; also her sister Jessie, Mrs. Preston Bowness and brother James N. Clarke of North Bedeque.

The funeral service was held from her home, in South West Lot 16, P.E.I., on the 16th day of May, 1952, at 2:00 p.m. Interment was in the Central Lot 16 cemetery.

The service was conducted by Rev. Theodore Ross and Mr. Clifford Moseley. Hymns sung were "The Lord is My Shepherd" and "Abide With Me."

The pallbearers were Percy Miller, Bishop Reid, Charles Campbell, Villiers Carr, Harold MacLean and Preston Bowness.

singing for some time. He must have left the smiling pool. If he isn't already back in Farmer Brown's garden he must be somewhere on the way there. Not for anything in the world would he miss spending the summer in that garden. I'll go over there as soon as the Black Shadows come out from the Purple Hills and make it safe for me to do so.

"Well, if you do, don't forget to ask about those tiny Toads, and if they rained down," said Blacky, as he spread his black wings.

"Silly," said Peter, as he watched Blacky out of sight.

"What is silly?" asked Mrs. Peter.

"It is silly to think those little Toads rained down out of the clouds. Any one who believes such a thing as that is silly. How in the world would they get up in the clouds in the first place? I wonder if Reddy thinks they jump up there. If you ask me, I think it would be just as easy for them to jump up into the sky as to rain down out of it. I don't believe such tales as that!"

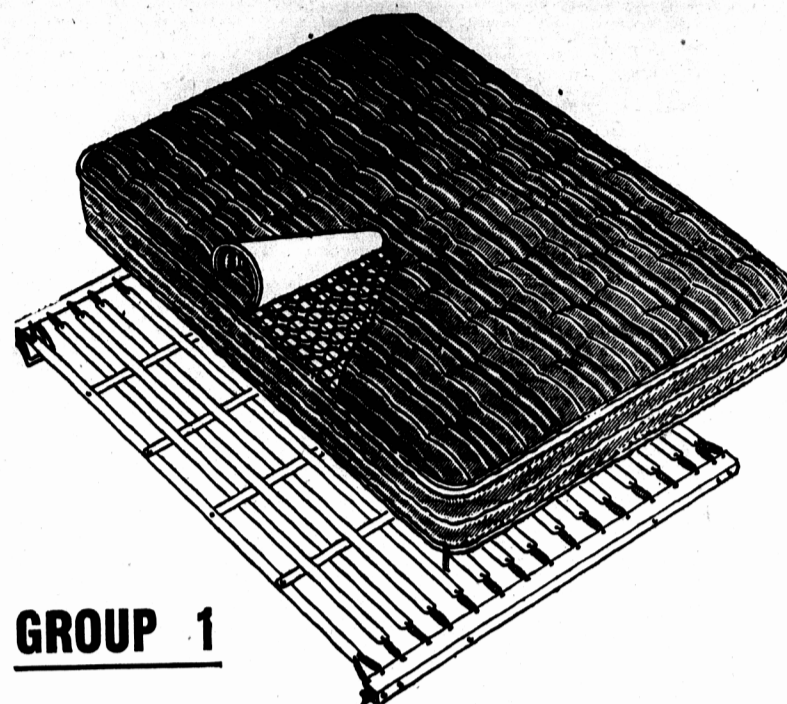

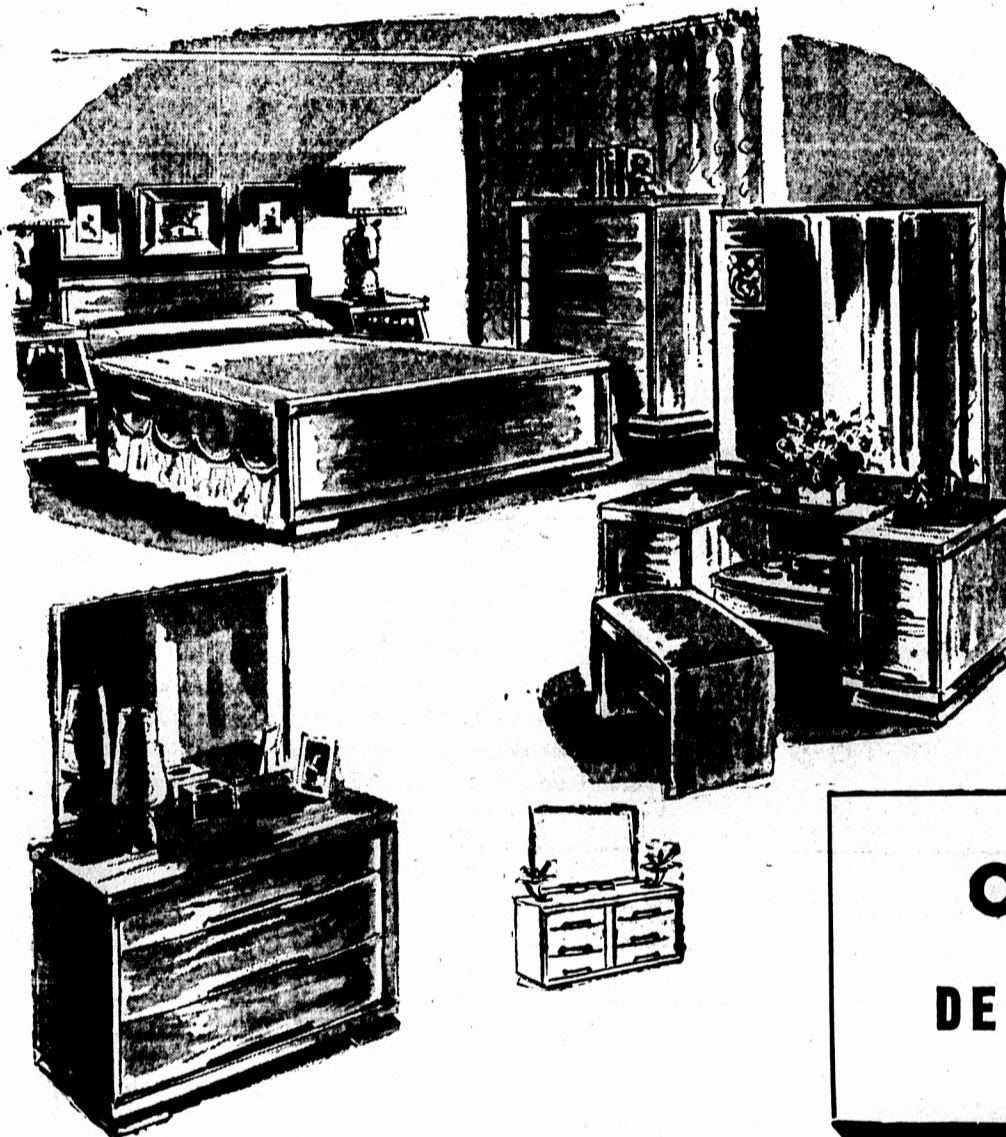

WASHINGTON, May 20 — (AP) — The United States expects to help West Germany meet the costs of rearming for the defence of Western Europe, officials said Saturday. But U. S. aid seems unlikely to be as great or as free-handed as many Germans would like.
