NEW YORK

NEW YORK (AP)—The stock market pursued an irregular course Tuesday as trading continued to dwindle.

Volume settled back to 3,290,000 shares from 3,650,000 Monday and, once again, was the lowest since Jan. 2 when 2,540,000 shares changed hands.

Changes of most key stocks were fractional, but some stocks made a move of a point or so.

As a backdrop, the market had news that steel production was up for the fifth straight week and that car sales for February were up. On the other hand, the stock market itself was regarded as relatively high and vulnerable.

The Dow Jones industrial average gained .12 at 667.16 while Standard and Poor's 500-stock index edged up .02 at 64.74.

The Associated Press average of 60 stocks dipped .3 at 253.9.

Of 1,276 issues traded, losers outnumbered gainers by 546 to 449.

Chrysler was the most active stock, off 1¾ at 87¾ on 62,900 shares, losing ground despite news that Chrysler sales for February were up 60 per cent from a year ago.

MARKET SLIPS

The market clung to an irregularly higher tone for most of the day then dipped to slip beneath its best in late trading.

Responding to higher profits, Holt, Rinehart and Winston rose ¾ and International Nickel 1.

Among other Canadian issues, Walker Gooderham rose ⅝ and Distillers Seagrams an Hudson Bay Mining ½ apiece. Dome Mines and McIntyre Porcupine each rose ¼.

Prices were mixed on the American Exchange. Volume was 730,000 shares compared with 910,000 Monday. Actively-traded Brazilian Traction was up ⅛. Also up ⅛ was Jupiter Corp., while Scurry Rainbow Oil lost ¼ and Shawinigan ⅛.

China Payments Ahead Of Time In Wheat Sale

OTTAWA (CP)—China paid about $31,000,000 in advance on Canadian wheat purchases for the first 1½ months of this year, it is learned here reliably.

Prime Minister Diefenbaker, speaking at his nomination meeting Saturday in Prince Albert, Sask., said the Chinese were ahead of schedule in their credit payments on Canadian wheat. This is the first time they have made a prepayment.

Informants here said the $31,000,000 in advance covered a period from the first of the year to mid-February and helps explain the closing off of the 1961-62 wheat pool account as of Feb. 28, earlier than normal but the same date as last year.

In each case, final payments on wheat sales by the Canadian Wheat Board will have gone or started to go to Prairie farmers before a general election. Both years this has brought charges of government attempts to bribe farmers with their own money for political advantage.

Officials said that China now owes about $60,000,000 under terms of the 2½ - year grain agreement expiring at the end of this year.

The terms are 25 per cent down and the rest on nine-month credit—although the repayment period for the seventh deal announced before Chirstmas is a full year.

Liberals Plan Debate With NDP Leader

VANCOUVER (CP) — The Liberal party has plans for a television debate between Liberal candidate Tom Kent and T. C. Douglas, national leader of the New Democratic Party, but the NDP says its only a possibility."

Mr. Kent, candidate in Burnaby - Coquitlam, told a rally Monday night that Mr. Douglas accepted his challenge to a TV debate and suggested the date of April 5, which the Liberal party approved.

A Liberal spokesman said Tuesday 30 minutes has been "semi - reserved" on a local commercial channel.

An NDP spokesman described the debate as "purely a Kent idea" to which Mr. Douglas replied that April 5 was the only possible date.

"We don't have the money to throw around on this type of thing," he said.

"Remember, Mr. Douglas has already challenged Mr. Pearson to a national TV debate for which the CBC has offered facilities."
