His Excellency the Lieut. Governor has been pleased to appoint the Honorable Joseph Hensley President of the Executive Council of this Island.

The Bazaar and Tea which took place at St. Peter's Episcopal Church, Alberton, on Thursday last, was, we are glad to hear, a decided success. The day chosen was universally fine, and great numbers came from far and near to enjoy themselves and have a really good Tea. The tables presented a splendid appearance, and reflected great credit on those ladies who had the management of them. The Bazaar too was well patronized; every body seemed to enjoy themselves, and no untoward event took place to mar the proceedings of the day. The amount realized, was we understand, £60.—Com

Lecture.—On Tuesday, the 22nd ult., Mr. James H Fletcher, of Orwell, gave an extemporary Lecture before "Summerhill Temple," Montague Bridge, on "Legal Prohibition." His arguments were clear, logical and conclusive. He dwelt largely in arithmetical calculations. The entire address showed extensive research, much study, and careful criticism Notwithstanding the argumentative style of the address, Mr Fletcher occasionally took flights which were truly eloquent. We understood from the discourse that he purposes seening up the question fully during the coming winter.—Com.

Owing to want of space we are unable to give insertion to the Prize List of the Prince County Fair and Exhibition in this week's Examiner. We shall attend to it next week.

We regret to have to announce the death of Mrs. Loughrin, mother of the Rev. Peter Loughrin, of Clones. Throughout life she was respected for her many virtues and her edifying death was in accordance with that life. She belonged to that fervent, but unostentations Catholics, whose solid piety has done so much for the promotion of religion, and the fruits of her example and teaching may be seen in the gifted and beloved clergyman who ministers amongst a flock that idolizes him, and who is held in the highest esteem by his brother clergymen in the Dioces of Clogher.—R. The Ottawa correspondent to the Toronto "Globe" says it is rumored that Mr. Stewart Campbell, late of Nova Scotia, has been sent on a mission to Prince Edward Island, and that the policy of the Government has signally failed (although great promises were made during the elections) as regards bringing Prince Edward Island, Newfoundland and British Columbia into the Union.—S. Very Latest Despatches.

London, Oct. 1st.

The latest advices from Spain report Madrid quiet. A provisional Junta has been organized, but no measures have been taken looking to the future of the country, beyond denouncing the plan of a Republic, nor will there be until the arrival of Gen. Prim and Lerrano. The battle between Paira and Lerrano occurred at Alcava, near Cordova, and was very short. There were but few losses.

New York, Oct. 1.

The U. S. Bonded Warehouse, known as the Empire Stores, located on the river front near Fulton Ferry, Brooklyn, and extending back to Water Street, was totally destroyed by fire last night. Loss half million dollars. Gen. McLellan, who arrived from Europe the present week, is to have a grand serenade and torch-light procession given him in this city to-morrow night.

Money active and stringent at 7 per cent. Gold excited, active and declining, quoted at 139¼. Government's heavy and lower.

London, Oct 1, eve.

A passenger train on the London and North Western Railroad ran off the track to-day near Rugay. Four persons killed, and several reported severely injured. The accident was caused by a broken rail.

Paris, Oct 1.

La France to-day discusses the prospects of Spain, and predicts that the present revolution there will be followed by a violent civil war.

The *Moniteur* gives the following account of the late movement of the Spanish Court; Her Majesty the Queen of Spain and the members of the Royal Family who were with her at San Sebastian crossed the frontier on the 30th ult. They immediately proceeded to Biarritz, where the Queen had an interview with the Emperor Napoleon and the Empress Eugenie. After a brief delay the Queen and family left Biarritz for the Castle of Pau, which has been assigned to Her Most Catholic Majesty as a residence during her sojourn in France. The French Generals on the Spanish frontier have been withdrawn. All the Spanish fugatives who were arrested at the boundary line have been released.

Boston, Oct. 2.

In a game of Base Ball yesterday, the English crickets were defeated by a score of 21 to 4. their opponenss being a selected nine from three local clubs.

The Republican Convention of Soldiers and Sailors at Philadelphia begun its session yesterday with a very large attendance. Major McMichael welcomed the delegates, and speeches were made by Gen. Barnum, Gen. Kilpatrick and others. The grand demonstration will take place to-morrow.

London, Oct. 2d.

The success of the Revolutionary movement in Spain, ending as it has in the expulsion of Queen Isabella, gives rise to much speculation as to her probable succession on the Spanish Throne.

It is generally believed that the known dislike of the Emperor Napoleon to the Orleans family is fatal to the hopes of the Montpensiers, and that a Carlist will be chosen to rule over Spain is regarded as impossible. The ancient claims of the House of Savoy to the Throne of Spain are beginning to be discussed, and the Duke of Aosta, the second son of the King Emmanuel, is talked of as an available candidate.

Queen Isabella was accompanied to the frontier by a company of Spanish halberdiers, where she breakfasted at 11 o'clock. She then proceeded to Biarritz, where she had an interview of 15 minutes with the Emperor Napoleon, Empress Eugenie, and Prince Imperial. The Queen then took a special train for the City, which she reached at a quarter past 3 this p.m.

Martori accompanied the same carriage with her. The Royal party was met at the depot by some members of the late Spanish Ministry, including Gonzales Bravo, who had a five minutes conversation with her Majesty.

She will take up her residence in the Imperial Castle at Pau.

The City of Madrid is reported to be quiet to-day.

Died.

At North Bedeque, on Friday the 18th inst. after an illness of upwards of 4 years, which he bore with Christian fortitude and resignation to the Divine Will, Mr. Richard Clark, in the 56th year of his age.

On Bay Fortune Road, on Sunday, the 20th September, after a short illness of 14 days, Mary Ann, the beloved wife of Kearn Larkin, aged 36 years. She leaves a husband and one child to mourn the irreparable loss of an affectionate wife and a tender-hearted and loving mother. She was a good neighbour and highly esteemed by all her acquaintances.

In morn of life and maternal bloom,
Her fleeting years, alas! how few,
Early she met her destined doom,
And bade this world a long adieu.

May angels guard her immortal soul
To glorious realms of endless day,
In robes of purest white enfold,
And all her sins be washed away.

Oh! cease, ye mournful souls, to weep,
That life's short glass so soon is run,
And though in death's cold arms she sleeps,
Exclaim: "Thy will, O Lord, be done."

And O! may those she's left behind,
Partakers of her flesh and blood,
Keep this important truth in mind,
They, too, must shortly meet their God.

At Tignish, on the 20th ult., Mary Bain, beloved wife of Mr. James Bain, aged 74 years. Deceased was a native of Aberdeenshire, Scotland, and died in the hope of a glorious immortality.
