Cardigan, Souris Blood Donor Clinics Exceed Objectives

104 "Life Savers" responded to the call for Blood Donors yesterday afternoon at Cardigan's first Red Cross Blood Donor Clinic. This very successful result was due to the very thorough canvass conducted in Cardigan and the surrounding districts by a group of ladies under the direction of the Cardigan Branch of the Canadian Legion headed by its President, Mr. Alban Brothers. A high percentage of those who attended this Legion-sponsored Clinic at Cardigan were new donors who had never before had an opportunity to attend. Several ladies of Cardigan, including two local nurses, and High School Red Cross Members were the efficient helpers for the Mobile Team.

Last evening's Clinic at St. Mary's Hall in Souris was also the Canadian Legion - Souris Branch-headed by the President, Mr. Joseph Hennessey. 178 donors were registered at the Souris Clinic to exceed the objective of 175 by 1. Members of the Junior Ladies' Aid of the Souris Hospital organized the refreshments and workers for the Clinic.

Today's Clinics at Belfast Hall in Eldon this afternoon, and at the Beaver Club Hall in Montague this evening will bring this week's four day series of Blood Donor Clinics to a close. The results to date are still 102 behind the objective set for the first three days. It is to be hoped that some of this deficit may be made up by Eldon and Montague exceeding their quotas today.
