THE SPRING.

The trees in their innermost marrow
Are touched by the sun;
The robin is here and the sparrow;
Spring is begun!
The sleep and the silence are over;
These petals that rise
Are the eyelids of earth that uncover
Her numberless eyes.
ARONIBALD LAMPMAN.

The Parisian Way.

It must be hard for the untraveled Anglo-Saxon to grasp the idea that a poet can without loss of prestige recite his lines in a public cafe before a mixed audience. If such doubting souls could, however, be present at one of these noctes ambrosianae, they would quickly realize that the Latin temperament can throw a grace and childish abandon around an act that would cause an Englishman or an American to appear supremely ridiculous. One's taste or sense of fitness is never shocked. It seems the most natural thing in the world to be sitting there with your glass of beer before you while some rising poet whose name ten years later may figure among the "Immortal Forty" recites to you his loves and his ambition or brings tears into your eyes with a description of some humble hero or martyr.—Elliot Gregory in Scribner's.

Doctors said Incurable

But the Notary, Mr. Lemire, was cured of Kidney Disease in two months by Dr. Chase's Kidney-Liver Pills.

It is only when thoroughly convinced of the superior merit of a remedy that public men will give their sanction.

Mr. E. H. Lemire, Notary Public, 1692 Notre Dame Street, Montreal, tells of his remarkable recovery from a severe attack of kidney disease. When doctors had failed, Dr. Chase's Kidney-Liver Pills saved his life. He writes: "I give this statement, first because it is only just that the merit of Dr. Chase's Kidney-Liver Pills should be made known, and again in order that others may profit by my experience. For years I suffered with kidney disease which doctors pronounced incurable. Thanks to Dr. Chase's Kidney-Liver Pills, which I have used for two months, I am completely cured. They helped me from the first, and the cure is now perfect."

Dr. Chase's Kidney-Liver Pills act directly on the kidneys, and through their combined influence on the kidneys and liver, cure the most complicated diseases of these delicate organs. One pill a dose. 25 cents a box at all dealers, or Edmundson, Bates & Co., Toronto.

P. and who is a brother-in-law of Hon. Mr. Dechene, M. L. A., Commissioner of Agriculture, and a son of the late Theophile Hudon, (merchant), was married to Miss Alice Amyot, third daughter of the late Col. G. Amyot, M. P. The ceremony was performed at 8 a. m., by Cure Feugy, Mr. Arthur Delisle, ex-M. P., for Portseuf, and a brother-in-law of the bridegroom, supporting him, while Captain Frank Pennee, chief of the police and uncle of the bride, gave away the latter. The bride was accompanied by her three sisters, while her only brother, Willie, served the Mass. Mrs. Pennee, Hon. Mr. Dechene and Mrs. Dechene and Col. D. B. "THIS IS CANADA YEAR"

WHY RIDE A CLEVELAND?

Because it is the highest type in the art of bicycle construction to-day—its popularity is world-wide.

It is beyond competition and courted criticism in a constituency that has been well grounded in the appreciation of all the fine points in construction, development and improvement.

It is a Canadian wheel, made by Canadian mechanics and in a Canadian factory—by Canadian machinery and employing Canadian capital.

The ideas embodied in its construction are acknowledged the best by leading cycle manufacturers, and some of its newest and most important features and improvements for 1900 are:

Hardened block and pin which prevents the chain from wearing—combined ball and roller bearings—automatic oiling hubs—dust proof skeleton gear case—improved ball head spokes—dust proof pedals—improved sprockets—improved handle bar and seat post adjustment—chainless models, combined coaster and brake, and it's one of the handsomest and most perfectly equipped machines on the market—ladies and gents.
