

Senior Class Report : Heaven in '77 !

March break is rapidly approaching and mid-terms are creating a great deal of panic.

During the past two weeks there was no general meeting of the Class of '77; however, plans for Senior Week are still being finalized.

Just recently we received word that Hon. John Diefenbaker has accepted our invitation to be our convocation speaker in May. We are very pleased that he did accept and look forward to having him with us.

The Carnival Ball which was a part of Senior Day at the Winter Carnival was a roaring success. Approximately 15 - 20 people showed up early Saturday

morning to decorate, and the job was well done. Thanks to all the helpers for getting up so early on Saturday and for a super job.

The Class of '77 jackets are NOW IN. They are on sale in the bookstore and the price is only \$9.50. The jackets are Kangaroo style and are red in colour. They are in limited quantity, so get yours NOW.

I would ask that people start spreading the word about the Co-Ed dance to be held on Friday, March 18 /77 in the Gym. The Class of '77 is sponsoring it and it is hoped that the turnout will be terrific, and remember that helpers will be needed on

that day to decorate.

The next general meeting of the class will be held on Thursday, March 10 in the Panther Lounge at 5:45 p.m. On the agenda are such items as : valedictorian, awards, SENIOR WEEK, RINGS, YEAR BOOK 76-77, and other items of interest to Seniors. Since we are getting very near the end of the semester and our university life, it is very important that you attend.

On Friday, March 11 / 77 there will be a Senior Class party at the Federation of Labour Hall. The theme for this party will be "Greaser Nite" and we ask that you dress appropriately.

The party starts at 9 p.m. and goes until we leave.

Have you applied for your degree yet ? Well, if not you should do so at once. Every person expecting to graduate in May '77 must apply with the Registrar's Office no later than March 15th. There is a fee of \$25 payable then or before April 10/77 ; however, you must apply prior to March 15/77.

I hope that everyone has an enjoyable break and I trust I will see you at the meeting on March 10/77 at 5:45 p.m. in the Panther Lounge.

Kevin Newman
President- Class of '77

OUT TO LUNCH.

Foreign Students Feeling Pinch

OTTAWA (CUP) -- With university governing boards at three Ontario universities refusing to implement a 250 per cent tuition fee hike for foreign visa students and a statement from the minister of colleges and universities that his government will review the fee hike policy in a year, student representatives feel they are winning the fight against the hike.

So stated the Ontario Federation of Students (OFS) in a Feb. 8 release in reference to the fee hike which will cost foreign visa students about \$1600 to attend some Ontario universities next academic year.

In the release OFS researcher Cgris Allnutt points to major concessions made by higher education minister Harry Parrott after he met with representatives from the Canadian Bureau for International Education (CBIE) Feb.1.

These include:

-a promise to review the differential fee policy after one year, a reversal of his position as stated in a written reply following a meeting with a University of Toronto delegation, that, "we are not prepared now to promise a wholesale review of the policy in the fall of 1977.

-a suggestion that the ministry may match dollar for dollar any bursary fund universities might set up to subsidize visa students. Parrott had rejected this suggestion at a January meeting with Carleton University representatives.

So far the governing boards of two Ontario universities--McMaster and Laurentian--have refused to implement the hike, which means the institutions face a decreased amount of funding from the government corresponding to the 250 per cent hike.

an extraordinary life.

Poverty.
Chastity.
Obedience.

Two total denials, one absolute acceptance.

The vows can be looked on as burdens, of course. But they can also be looked on as kinds of freedom.

When you renounce the acquisition of wealth, you are free to concentrate on the values of sharing. When you deny genital love, you can forcefully point to another kind of love, the way Christ loved. If you obey His will, and accept that obedience, you are free to serve within that will.

Put it another way: many are called, few are chosen.

We said it was an extraordinary life; we never said it was easy.

Math Club Meeting

A meeting of the UPEI Math Club "Sum of the Ideals" will be held March 8, at 5:00 p.m. in the Faculty Lounge, Main Building.

A fee of \$2.00 will be collected from those wishing to become members of the club. To be eligible for membership, a person must be a math major at UPEI

(this includes frosh intending to major in Math as stated in the Business Office records), be a past graduate of UPEI who has majored in Mathematics or a UPEI student who has at least 18 semester hours of credit in Math.

All those interested are asked to attend.

Cathy Pineau,
