Kansas State Braced For Disastrous Flood

Iranian Premier Agrees To Receive U.S. Envoy But No Compromise Seen

TEHRAN, Iran, June 11 — (AP) — Premier Mohammed Mossadegh tonight agreed to receive Averell Harriman, President Truman's special foreign affairs adviser, for talks on oil. But there were no signs the Nationalist leader intended to compromise with Britain.

Truman sent the bed-ridden Premier a letter Monday urging him to abide by World Court recommendations on the billion-dollar dispute and offering to send Harriman here for talks.

Tonight, the Premier called U.S. Ambassador Henry F. Grady to his house and gave him the reply. Grady told reporters he was "very pleased."

But informed quarters believed Mossadegh was merely seeking to avoid any affront to Americans. He already has rejected the World Court recommendation for a stand-still on his oil nationalization plans and for appointment of a joint British-Iranian commission to supervise the British-owned Anglo-Iranian Oil Company until its fate is settled by agreement.

Meanwhile, A.I.O.C. sought to force a showdown on Iranian officials that they can operate the far-flung industry whether British or American.

19,000 May Be Homeless This Morning

TOPEKA, Kas., July 11 — (AP) — Northern and Central Kansas braced tonight for the worst flood since the disastrous overflow of 1903 which paralyzed all of the cities along the Kansas River from its source to Kansas City.

Torrential downpours overnight of up to eight inches poured flood waters into at least five cities. More rain was forecast for tonight.

Hundreds, maybe thousands of persons were stranded by the new flood waters, and Mayor Kenneth Wilke of Topeka, the state's capital city, ordered 10,000 residents of the North Topeka and Oakland districts of the city evacuated from their homes. These were the areas in Topeka which bore the brunt of the 1903 flood in which 38 persons died.

The city was unprotected by dikes at that time, but the river is expected to reach 33 feet tomorrow night, 6 foot higher than in 1903 and about a foot higher than the present levees. The river had risen to 29.7 feet late today, compared with a crest of 29.4 in last week's flood.

The Oakland and Auburndale districts of the city already were under water.

The Red Cross predicted 19,000 persons at Topeka and upstream along the Kansas would be homeless by morning.

Transportation was virtually at a standstill in North Central Kansas. Highways were reported cut by water in more than 100 places. Trains were stalled — a dozen Santa Fe trains being tied up at Emporia and Newton alone. A Frisco freight train was wrecked by a washout near Hillsdale, Kas. No one was injured.

N. B. Potato Crop Prospects Good

FREDERICTON, July 11 — (CP) — An average or better than normal potato crop, despite a 20 per cent reduction in acreage, and good prospects for most other crops were indicated today after a survey throughout New Brunswick.

About 50,000 acres of potatoes were planted this year as compared with 61,000 last season. Excellent growing conditions have prevailed. An abundant hay crop and good pastures also were reported, with having well under way in most areas.

Less cream was reported being produced because many farmers have been replacing dairy stock with beef cattle as a result of high prices for meat. Interest in sheep production has increased.

Says Canada's Co-op Movement Expanding

ANTIGONISH, N. S., July 11 — (CP) — A. B. MacDonald, National secretary of the Co-operative Union of Canada, today said Canada's co-operative movement is showing expansion in every field.

Mr. MacDonald, addressing the Nova Scotia Co-operative Congress at St. Francis Xavier University, said 600 new marketing and merchandising co-operatives were formed last year. Total volume of business transacted by the movement's 300 societies was "well over \$1,000,000,000."

Dairy Butter Output Continues To Decline

OTTAWA, July 11 — (CP) — Production of dairy butter, in 1950, went down again in June to register a seven-per-cent drop for the first six months of 1951, the Bureau of Statistics reported.

Reds Lose 3 Jets In Spectacular Battle

U. S. EIGHTH ARMY HEADQUARTERS, Korea, July 12 — (Thursday) — (AP) — A spectacular air battle that ranged from 33,000 feet down to 3,000 cost the Communists three Mig-15 jet fighters Wednesday.

Thirty-four Allied Sabre jets destroyed the Russian-built planes and damaged another in a 20-minute dogfight over Northwestern Korea.

The Sabres encountered an estimated 30 Mig-15 while flying cover for 21 F-80 Shooting Stars which attacked an ammunition factory south of the Yalu River.

Thirteen B-29 Superforts bombed railway yards at Hwangju, south of the North Korean capital of Pyongyang, and at Hungnam, on the east coast.

Battlefront reports gave this picture of ground action:

Eastern front—Allied patrols probing Red positions ran into two brief fights, but generally found no Reds. Communists continued to harass Allied lines with mortar and artillery fire, with Allied guns replying.

Central front—more than 2,000 Chinese were digging new positions northeast of Pyongyang, northern apex of the erstwhile "iron triangle."

One Allied officer said: "The Chinese have formed an extremely strong line along this entire sector."

Western front—patrol contact and artillery fire was reported in the Munsan area, near the base for the United Nations armistice team.

U. S. battleships and destroyers continued to bombard the East Korean coast.

Folk Schools For Province Discussed At W. I. Meeting

Dominion - Wide Orange Celebration

By The Canadian Press
From Newfoundland to British Columbia, Canada's Orangemen, sporting sashes and cocked hats, march today to the music of fife and drum.

For today is the glorious twelfth, the 261st anniversary of the battle of the Boyne, when King William III defeated the forces of James II.

And in cities and towns in English-speaking parts of the Dominion, paraders will march to the list of "The Protestant Boys."

Biggest parade was planned for Toronto where 6,000 marchers, headed by Toronto's Mayor McClelland will place wreaths at the City Hall.

In London, Ont., Orangemen were to be addressed by Lt. Col. T. Ashmore Kidd, president of the Imperial Orange Council of the world.

Many Ontario Orangemen travelled to Watertown, N. Y., where 50,000 to 60,000 were to gather at the largest Orange gathering in the history of the United States.

The special speaker will be John A. Corrigan of Ottawa, Past Grand Master of Ontario East.

Celebrations in the West range from a parade, 1,000-strong—led by the traditional white horse—in New Westminster, B. C., to picnics and socials in Edmonton, Weyburn and Indian Head.

In her report Mrs. Foley stated it is unlikely that the Legislature will approve adequate sums of money for the Island's cultural development as these projects are considered luxuries in this Province where the population is so scattered. "The income of the Government is so small," she said.

"That it is not sufficient to provide basic services such as education, road improvements, and rural electrification."

C.C.F. Winner In Sask. By-election

GRAVELBOURG, Sask., July 11 — (CP) — Saskatchewan's C.C.F. Government captured a seat from the Liberals in a by-election held Tuesday, but the defeated candidate said he will seek a recount.

The vote: Edward Walker, C. C. F., 2,591; Ron MacLean, 2,510.

Mr. Walker is a 28-year-old university-trained farmer. Mr. MacLean, a native of Antigonish, N.S., is a former law partner of E. M. Culliton, who won the seat for the Liberals in the 1946 general election.

Mr. Culliton's elevation to the Saskatchewan Appeals Court bench made by the election necessary.

110 Sunday, Still Has Own Teeth

JACQUET RIVER, N. B., July 10 (CP) — Her own teeth at the age of 110—that's the proud boast of Mrs. Annie Priolite, Jacquet River. Known as Restigouche County's grand old lady, Mrs. Priolite will celebrate her 110th birthday Sunday.

Spry as any one half her age, Mrs. Priolite pays daily visits to the home of her granddaughter, Mrs. John Loubert, and attends mass regularly. Next week she plans a jaunt to Campbellton to visit a son, Alex. Priolite. She lives with her 78-year-old daughter, Mrs. Jane Priolite.

Firemen Plan To Attend S'ide Convention

SAINT JOHN, N. B., July 11 — (CP) — All fire departments in the Saint John area will be represented at the 37th annual conference of the Maritime Fire Chief's Association at Summerside July 16.

Ex-Chief Charles A. Cunningham of Saint John, secretary-treasurer of the Association, today announced items to be included in the four-day conference which will be addressed by Fire Chief Stanley Scott of Glace Bay Tuesday.

Frederick J. Travis, mechanical superintendent for the city of Saint John, will address the convention on "Pump and Fire Equipment."

Deputy Fire Marshal Earl Sturgeon, Fredericton, second speaker from New Brunswick, will take for his topic "Fire Prevention and Education." All three Fire Marshals in the Maritimes are to be heard. They are Col. S. S. Wright, Halifax; Arthur Campbell, Charlottetown; and Clair M. Young, Fredericton.

Sentiment of Allied officers in Seoul was that the delay in the talks was only temporary. They felt the matter would be ironed out during the day, with the meetings resumed.

Duty Reduced On Vegetable Oils

OTTAWA, July 10 — (CP) — Canada Packers Limited of Toronto, has won an appeal to have the duties it pays on imports of United States vegetable oils for the production of margarine reduced to 17 1/2 per cent from 20 per cent.

In a judgment published in the Canada Gazette today, the Tariff Board said it has granted the company's appeal against the Revenue Department, reducing the tariff on certain shipments.

The case involved shipments by tank cars of mixtures of 80 per cent of hydrogenated cottonseed oil and 20 per cent hydrogenated soybean oil.

The Board said it was satisfied that the mixed product resembled the cottonseed oil more than anything else and should be taxed as such.

BIGGLESWADE, Bedfordshire, England — (CP) — Dorothy Cooper, 26, a British girl who exchanged jobs a year ago with a Toronto teacher, has advised her parents she won't be coming back. She is to marry Arthur Beck, a landscape gardener.

Officers Elected At W. I. Convention

Mrs. Harold Laird, Kelvin Grove, was elected President of the Prince Edward Island Women's Institutes yesterday afternoon in the second day of the thirty-eight annual convention held in the auditorium of the Prince of Wales College.

Mrs. Laird, formerly vice-president, will succeed Mrs. Malcolm MacLeod, Lorne Valley, who is now Honorary President.

Other officers elected for the coming year were as follows: Vice-President, Mrs. M. J. Doyle, North Rustico; Secretary-Treasurer, Mrs. Murdoch MacGowan, Kilmuir. Conveners of committees are: Agriculture, Mrs. Neil Mathieson, Southport; Social Welfare, Mrs. W. E. MacKinnon, Uigg; Home Economics, Mrs. Howard Wood, Rollo Bay; Arts and Literature, Mrs. Oscar MacNeil, Conway, and Citizenship, Mrs. Robert Woodside, O'Leary.

Directors of Radio and Publicity are to be appointed by the convention.

Mrs. Harold Laird presided at the morning session during which reports were given on

Citizenship, Social Welfare, Publicity and Home Economics. Resolutions by each of these committees were discussed.

In the afternoon, presided over by Mrs. Malcolm MacLeod, reports were heard from the Constitution, Arts and Literature, Agriculture, and the Radio committees.

Following the annual banquet at the Charlottetown Hotel, Miss Anna Templeton of Newfoundland was heard as she addressed the meeting. Mrs. Laird also gave a report on the activities of the F.W.I.C. Entertainment during the evening was supplied by Jessie MacGowan who danced the Highland Fling.

Members of the Nominating Committee were as follows: Mrs. M. N. MacGowan, Kilmuir, Mrs. Erskine Forbes, Miscouche, Mrs. Elmer Ramsay, Lot 16, Mrs. Edward Jay, Fisquid, Mrs. Harold Carter, Hazelbrook and Mrs. Jerome Power, New Perth.

During the evening session Mrs. P. E. Davis, Leicestershire, England, and Miss Anna Templeton, Newfoundland were presented with honorary membership pins in the P.E.I.W.I.

Hitch Develops When Allied Newsmen Banned From Conference Site

By JIM BECKER
MUNSAN, Korea, July 12 — (Thursday) — (AP) — High-level talks seeking an end of the Korean war hit at least a temporary snag today when the Reds barred 20 Allied newspaper men from going to the Communist-held, peace-talk city of Kaesong.

The senior member of the U.N. delegation, Vice-Admiral C. Turner Joy, indicated the third day of talks would not open until the convoy containing the newspaper men was allowed to pass.

Joy and the rest of the U.N. delegation were still at this former Allied "peace camp" 2 1/2 hours after their scheduled time of departure for Kaesong, 12 miles northwest. The official party had been travelling in helicopters.

The hitch developed after an Allied delegation spokesman Wednesday night reported the talks were "on the tracks" despite indications the Allies would refuse to discuss a Red demand that they get out of Korea.

Admiral Joy messaged Gen Nam Il, of North Korea, leader of the Communist delegation, that the newspaper men's convoy had been refused passage and he had ordered it to return to U.N. lines.

"I am prepared," the message said, "to return with my delegation and continue the discussions which were recessed yesterday upon notification from you that my convoy bearing personnel of my choosing, including such press representation I consider necessary, will be cleared to the conference site."

The convoy of newspaper men left here in a truck at 7:27 A.M. Joy said it was halted at 9:30 A.M. (5:27 P.M. E.D.T. Wednesday) by armed Communist guards at a Red control post on the Munsan-Kaesong road.

He said the convoy was "bearing personnel desired by me at the conference."

The Communists have opposed admission of Allied newspaper men to Kaesong, at least during the present uncertain stage of discussions.

N. B. Conservatives Select Leader

FREDERICTON, July 11 — (CP) — A 52-year-old Carleton County lumber operator has been elected to the leadership of the New Brunswick Progressive Conservative Party at the annual convention in Fredericton.

Hugh J. Flemming, member of the Legislature for Carleton and his party's financial critic for the last three years, succeeds ailing Hugh MacKay. Mr. MacKay had led the party for 11 years and had been leader of the Opposition for seven.

Only two names were placed in nomination—those of Mr. Flemming and T. Babbitt Parlee, mayor of Moncton.

Officials announcement of the result stated only that Mr. Flemming had received a majority of the 275 votes cast. Later, it was reported unofficially that his majority was about two to one.

The new leader is a son of the late Hon. James K. Flemming, a Legislature member for many years and New Brunswick Premier from 1911 to 1914.

HALIFAX, July 11 — (CP) — Official forecasts issued by the Dominion Public Weather Office in Halifax and valid until midnight Thursday.

U. K. Population Now Past 50 Million Mark

LONDON, July 11 — (AP) — The population of the United Kingdom — Great Britain and Northern Ireland — now is 50,210,473.

The figure was made public today in a preliminary report on the 1951 census issued by the Registrar General.

The report showed that Greater London has a population of 8,346,137. New York City claims a population of 8,373,403. It lists its metropolitan area as 12,591,914. But because of differing opinion as to what constitutes metropolitan area, the argument persists as to which city is larger, London or New York.

The Registrar noted that the rate of population increase—9.1 per cent in the 20 years since the

last census—is the lowest on record since Britain began counting its people in 1801.

In England and Wales, women outnumber men 22,720,787 to 21,024,187. That is a surplus of 1,696,599 females.

Population density in England and Wales is 760 persons per square mile—one of the highest in the world.

More persons have entered Britain since 1931 than have emigrated—a favorable balance of 745,000. This hasn't happened since the census of 1871.

Britain's population seems to be moving to the country. Figures for 1951 show the country is made up of 80.7-per-cent city dwellers as against 19.3 rural homesteaders. The 1901 figures were 62.4 and 37.6.

Casualties Now Total 207

OTTAWA, July 11 — (CP) — The army today issued its 37th casualty list of the Korean war, reporting one officer and two men killed in action, and eight men wounded.

The three fatalities and two of the wounded were reported yesterday in a Korean dispatch by Bill Bos, Canadian Press staff writer in Korea.

The latest list — one of the longest issued since the fighting started — brought to 207 the number of casualties so far suffered by Canadian troops in Korean action. These include 52 dead, 140 wounded and 15 injured in battle accidents.
