would, if properly managed, have the tendency of rubbing off asperities and softening down prejudices that are sure to prevail and increase among a people who keep up a series of exclusiveness, and which nourished and preserved in these little circles, would disappear in the collision of society and leave instead that polish which is the inevitable result of frequent intercourse among right minded people.

The ladies of the Presbyterian Congregation of East St. Peter's, have presented their highly esteemed Pastor, the Rev. Henry Crawford, with a very handsome Pulpit Gown and Bands, as a token of their esteem for his personal character, and appreciation of his ministerial labors in that section of the Congregation. They have also expended a considerable sum of money in decorating the pulpit. They have thus shown a commendable effort to make their Church comfortable and respectable.

Ship News.

Sailed from Grand River, Lot 55, on the 9th ultimo, for Bath, Maine, the schrs Albion, Gerroir, Mazeppa, Laundry; and on the 25th, the Matilda, M'Pherson—Knees, Produce, &c.—by John M. Johnstone.

Halifax, Dec. 2—Schr. *Success*, from P. E. Island, with a cargo of herrings, potatoes, oats, &c., to Messrs. Coleman & Co. was totally lost in the gale on Wednesday night, near Camperdown. Crew saved.

The schr. George Henry, Gardiner, which left Halifax for Liverpool, N. S., on Wednesday last, was wrecked in the gale of that night, at Fish Point, near Herring Cove, Liverpool, and all on board perished. The cries of the sufferers were heard on shore in the night, but no assistance could be given.

Launched.

At the shipyard of Ronald G. M'Donald, Esq., Pisquid, for Messrs. Nelson & Son, Charlottetown, on Saturday, the 11th ultimo, a very fine juniper built, copper-fastened Bark, of 460 tons called the *Lady Raglan*.

WHAT DO THE PHYSICIANS SAY?

☞Listen to the testimony of an eminent physician in favor of M'Lane's Vermifuge, which is now universally acknowledged to be the best in use; even members of the medical faculty (who are so often opposed to the use of patent medicines,) cannot withold their approval of this invaluable remedy:

Lind, Stark Co. Ohio, Jan. 8, 1849.

I have used Dr. M'Lane's Worm Specific in my private practice, and am prepared to say that the unparalleld success with which I have prescribed its use, both for children and adults, induces me to say the most in its favor of any specific or patent medicine ever before brought to my notice. The mode of administration, the smallness of the dose, and the certainty of its efficacious effects, give it, in my opinion, a decided advantage over any other medicine of the kind before the public.

☞Purchasers will be careful to ask for *Dr. M'Lane's Celebrated Vermifuge*, and take none else. All other Vermifuges in comparison, are worthless. Dr. M'Lane's Vermifuge, also his Celebrated Liver Pills, can now be had at all respectable Drug Stores in the United States and Canada.

Tenders for Steam Communication.

Colonial Secretary's Office, P. E. Island,
November 27, 1854.

SEALED TENDERS will be received at this Office until the 27th day of February next, (1855,) from any person or persons willing to contract to run, for one or three years a good and sufficient Steamboat, of competent power, for the conveyance of Her Majesty's Mails, twice in each week, between Charlottetown and Pictou, and once in each week between Charlottetown and Bedeque, from the opening to the closing of the navigation in each year, and on such days and hours in the week as may be appointed for that purpose by the Government.

Tenders will also be received to contract to run, for one or three years, a good and sufficient Steamboat, of competent power, to carry Her Majesty's Mails, three times in each week, between Bedeque and Shediac, during the like above named period in each year, and on such days and hours as may be appointed by the Government.

Each of these Steam Vessels must be fitted and provided with good accommodation and capacity for the conveyance of Passengers and Freight; also have on board competent Engineers, and be sufficiently manned, furnished, and equipped for the performance of the service, and be subject to the approval of Commissioners to be appointed by the Government.

Elkington & Co's. Patent Electroplate.

HAS now been before the public since 1841, and after the most severe test of wear, in the vessels of the Royal Mail Steam Packet Company, the Peninsular and Oriental Company, the General Screw Steam Ship Company, the Pacific Steam Navigation Company, and numerous Club Houses, Hotels, and Private Houses, in every part of the world, continues to give the most unqualified satisfaction, supplying as it does all the advantages of silver in utility and beauty of effect; and it will be found that the interest of money upon the cost of silver Goods for a period of seven years, is alone sufficient to purchase Electro Plate, and this, with the now established fact of its extreme durability, makes it a matter of great importance to all purchasers of such articles. It must be evident that the wear of all articles depends on the thickness of the deposit, and the Patentees refer with great satisfaction to the award made by the Royal Commission of the Great Exhibition, 1851, of the First Class or Council Medal for these productions.

A large assortment of the above Goods has just arrived per Cicely, direct from the manufacturers, and is now ready for sale.

PERRY'S HUNGARIAN BALM.

For Restoring Preserving and Beautifying the Hair.

THIS elegant preparation is an effectual remedy for Baldness, or falling off of the Hair. It prevents and completely eradicates Scurf and Dandruff, strengthens the Roots of the hair; causes it to grow luxuriantly; gives it a rich, dark, soft and glossy appearance, and prevents it turning gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy secretions, thereby removing and preventing the accumulation of scurf, dandruff and other impurities, which so frequently cause premature decay and loss of the hair.

The Hungarian Balm is especially adapted to ladies' use; and those who have tried the varions oleaginous mixtures, with no benefit, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Instead of matting and tangling the hair, (which is more or less pulled out in the process of combing,) it leaves it free and clean; promotes a natural moisture, and imparts a beautiful dark and glossy appearance. Try it at once and you will be convinced of its superiority over all other compounds for the hair.

Much more might be said in favor of this inestimable compound, but it is deemed unecessary. The proprietor feels confident that one trial will convince the most incrdulous of its rare and manifold virtues. Therefore,

If you have lost your hair and wish to restore it,
If you are losing your hair and wish to preserve it,
If you are troubled with Dandruff and wish to emove it,
If you have any humour of the Scalp and wish to cure it,
If you are troubled with Nervous Headache and wish to cure it,
If you have hair eaters at the roots of the hair and wish to destroy them,
If you have harsh dry and wiry hair, and wish if to become soft, pliable and beautiful as silk; and it you wish to preserve rich, gracefull and luxuriant tresses to the latest period of life, use PERRY'S HUNGARIAN BALM.

Price 25 and 50 cents, in large bottles.
