Gay's Reliable Plants TURNIP SEED.

LAST SPRING our Plants gave such entire satisfaction, and we have been so encouraged by the unparalld success of our amateur vegetable and floral culturists, or patrons, that we think it but necessary to remind our customers and others that we are still to the front, and have on hand a more thrifty and well-rooted stock of Flower and Vegetable Plants than any previous year, and they will see it to their advantage to give us a call.

Our Flower Plants are mostly all transplanted from the seed bed, and in consequence are stocky and well-rooted. Take notice that the higher priced Plants are extra large and stocky. Plants planted in damp moss, to carry safely to any part of the island, by mail or rail. Orders will please be accompanied with cash.
