### Local and Other Items.

**NO IMPORTED CANDY** at Vatcher's.

**EPWORTH LEAGUE.**—Professor West read an excellent paper, last evening, before the Epworth League, on Socrates.

**DON'T FORGET** the Masonic Bazaar this evening. The booths and decorations are alone worth much more than the price of admission. There's something for everyone on the tables.

It is said that of all the pills in the market Everybody's Pills are the best. That is a high testimonial, but it is borne out by hundreds using this popular family medicine.

**WHO IS J. M. PARRIE?**—Come to Zion Church lecture room on Thursday evening next, and Rev. A. Robertson, of New Glasgow, N. S., will answer. Give him a bumper house. See advertisement.

**OUR NORTHWEST.**—A large and appreciative audience—considering the state of the roads and the weather—assembled in the hall at Emerald last night to hear J. H. Haslam, Esq., lecture on Western Canada.

**P. E. ISLAND RAILWAY.**—We regret to hear that another railway employe has been dismissed on the score of economy. Mr. Charles Smith, tinmith, to-day received notice that he services would not be required after the 17th inst.

**CROWDS** are taking advantage of our bargain sale during this month. All goods in stock will be sold at away down prices. A lot of gents fur collars, in Otter, Beaver, Persian lamb, Astracan, etc., going very low.—D. A. Bruce.

**AN EXPLANATION.**—We are asked to state that the programme for the Masonic Bazaar does not include a dance on Friday night. It is understood, however, that several ladies of the committee are arranging for a dance that evening, after the Bazaar is over.

**HANDSOME CALENDARS.**—Messrs. Geo. Carter & Co., seedsmen and grocers, have forwarded THE EXAMINER a beautiful calendar for 1893. We are also in receipt of another very pretty calendar from the Malto Peptonized Porter Company. Thanks, gentlemen.

**PUTTING ON SLEEPERS.**—The C. P. R. will probably be successful in their efforts to establish the running of colonist sleeping cars on the day train from Halifax, which arrives at St. John at 7.30 p. m. It is the intention to run the cars through to Boston.—Telegraph.

**NOVEL ENTERTAINMENT.**—On Wednesday evening, the 21st inst., a French play—"Les Quinze"—and the cantata—"The Garden of Singing Flowers,"—together with some choice Piano solos and duets will be given by the pupils of Miss Russell's School. Some talented vocalists have kindly consented to sing solos. The price of admission to cover expenses is 25 cents, by invitation. Dec. 6 '92.

**SERIOUS ACCIDENT.**—Crawford Vantassel, of Broad Cove, Digby, met with a serious accident on Saturday while felling a tree, which dropped across his leg, pinning him to the ground. He was alone at the time and for about two hours was held in that uncomfortable position before assistance arrived, by which time Vantassel was almost exhausted. One leg was so badly fractured that he may be crippled for life.

We do not know of any preparation that has caught the public favor in so short a time as Dodd's Kidney Pills, but when we consider that three-fourths of the Canadian people are afflicted with kidney trouble in some form or other, and that Dodd's Pills are a quick and permanent cure for all these troubles, the large and increasing demand can scarcely be wondered at. Sold by all dealers, or by mail on receipt of price, 50 cents per box. Dr. L. A. Smith & Co., Toronto.

**COMMERCIAL COLLEGE.**—Principal Miller is affording the students at Commercial College a great and special advantage. The law lectures, by A. A. McLean, Esq., and Mr. Matheson in respect to "Partnerships," "Contracts," etc., supply information which will be practically useful to them throughout life. The young men who are to enter into business will, if they are wise, profit largely by these lectures. The young lady students, too, look forward to "contracts" and "partnerships," and may do well if they make careful note of the lectures provided for them.

**TO CONTEST A WILL.**—Henry Fanning of Halifax has retained George H. Fielding, barrister, to have the will of his wife attacked. It will be alleged that at the time the deceased made her will she was of an unsound mind. The will among other bequests had the following: To Pope Leo XIII, \$400; to Rev. Gerald Murphy, \$200; to Archbishop O'Brien, to be expended for St. Mary's cathedral, \$200; to the Immaculate Home of St. Joseph's Union, New York, \$100; to the Little Sisters of the Poor at Boston, \$100. Mr. Fanning will bring an action for damages against the executors of the will for selling property alleged to belong to the husband.

**Beer Bros' Bargain Corner.**

THE "Philadelphia Times," in a recent issue, discussed the various uses of linen which could be put to.

Perhaps it was a political allegory?

The fact still remains that when table linen is worn out, one course only is available to the housekeeper.

Napkins may indeed be used for a while to cover up the ravages of time, but as the rents increase in size this mode of hiding them has to be abandoned.

For several years our Linen Department has been one of our leading successes.

Modern designs, large variety and low prices have built up our present large business.

Just now our stock is complete.

The value of our Napkins is self-evident. The prices we show are 60c., 95c., and 20 other qualities up to \$5 per dozen.

Our Tableings are noticeable from their novelty of design. In Bleached we show 17 qualities from 50c. to \$1.30. In Grey 20 designs or qualities from 15c. to 85c. per yard.

Have you tried Priestley's Black Goods yet?

### Local and Other Items.

**SOLID GOLD BRACELETS** received at G. H. Taylor's.

**DON'T MISS** seeing the girls' booth. It will be both unique and beautiful.

**ABSOLUTELY PURE.**—English confectionery just received at Watson's Drug Store. Let Santa Claus take a note of this.

**POLICE COURT.**—This morning, a sailor named William Simpson was fined \$2 or 8 days for being drunk and discharging a revolver on Richmond Street last night. The revolver was confiscated.

**BEFORE** the summer we advertised and sold all our old soap and tooth brushes. Now we invite all requiring new and fresh soap and tooth brushes to call and examine the fresh supply opened to day at Dodd's Medical Hall.

**ABOUT OVERCOATS.**—For this season short overcoats are not in. They should reach the knee, or a little below. All our overcoats cut to suit customers, from the ten dollar overcoat up—John McLeod & Co. 46 and 47.

**FIRE.**—We learn by telephone that the out-buildings, together with all the stock, on the farm of John Dooly, at Domore, Lot 37, were destroyed by fire at 10 o'clock last night. There was no insurance on the buildings or stock. Cause of fire unknown.

**CITY OF GHENT.**—The City of Ghent arrived from Halifax via Souris yesterday afternoon and will sail for Halifax via Conno this afternoon. Her outgoing cargo will be made up mainly of cats, potatoes and pork. There will be two passengers—James Osmund and A. Macdonald.

**THE ST. OLAF.**—This steamer returned from the Magdalen Islands last evening, making her usual call at Souris. Next week, the captain says she will make her last round trip for the season. Shippers interested in that route should make a note of this.

**MASONIC BAZAAR.**—The Masonic Bazaar was opened this afternoon. The Temple is beautifully decorated, and the various booths and tables are tastefully arranged and well stocked with useful and fancy articles. Ice cream and refreshments are in abundance, and those who wish to peep into futurity will be afforded an opportunity of doing so upon calling at the gypsy tent. There will also be music by the band, and many other attractions. A large attendance is expected and desired.

**VOLENTARIERS' ASSOCIATION.**—The above association held their regular monthly meeting Saturday evening in their hall. The following officers were appointed for the ensuing quarter: Neil McNevin, No. 2, G. A., President; Capt. Geo. Davison, Vice; D. M. Richards, No. 3, 82nd B. Lt., Treas., and the undersigned Secretary. After the general routine of business it was decided that the associations hold one of their popular socials, the date to be decided on at a special meeting to be held Saturday next. The association was reported in a flourishing condition, and it is making great headway for their season's sports.—E. H. Duchemin, Sec'y.

**NEWS FROM BOSTON.**—The Boston correspondent of the St. John Sun writes: Large quantities of P. E. I. potatoes have arrived here during the past ten days. In three days alone the receipts amounted to 100,000 bushels. The potato schooners from the Island lie side by side with the codfish vessels of Provincetown at Commercial Wharf, and when the cooks desire to change the bill of fare, a free interchange of codfish and potatoes results. The crews generally eat boiled fish and potatoes for breakfast, fish hash for dinner, and fish balls for supper, thus minimizing the cost of diet.

The second libel against the steamer Carrol came up for a hearing in the United States district court yesterday. The libellant is Andrew McKenzie, who has a claim for towing the vessel to her dock.

**SCHOOL BOARD.**—The regular monthly meeting of the City School Board was held last evening. There was a full attendance of members. Plans for the enlargement of West Kent and Upper Prince Street Schools were submitted by Messrs. W. C. Harris and C. B. Chappel, respectively. The plans were laid on the table. The question of truancy was discussed, and the Board thought that the Stipendiary Magistrate had greatly benefited the schools by requiring the policemen to hunt up truants and trusted that he would continue the good work. The Secretary was instructed to send a memorial from the Board to the Governor-in-Council, relative to obtaining a portion of the College grounds on which to erect a school for the accommodation of the people of the eastern end of the city. The city schools will be closed for the Christmas holidays on Friday, the 23rd inst., and will re-open on Tuesday, January 3rd.

### A CARD

Respecting resolution passed by the Medical Men of this city, requesting the Druggists to discontinue selecting medicines for their customers:—

AS I have a legal right to select medicines for my customers, I shall continue as heretofore to supply their wants to the best of my ability—with the best goods that money can buy, and my long experience in the business, (extending over twenty years, with four years spent in the study of medicine with a practising physician), I feel justified in asking for a continuance of your liberal patronage. The Apothecaries' Hall is not run in the interest of any physician, directly or indirectly. You are not charged 25 or 30 per cent extra on prescriptions for the doctors' benefit. Therefore, bring them to me and save money.

All prescriptions and family recipes shall receive my personal attention.  
Your obedient servant,  
GEORGE E. HUGHES,  
Apothecaries Hall, DesBrisay's Corner, Queen St., Ch'town.
