Toronto Stocks

By The Canadian Press
TORONTO, (CP) — Pre-budget caution and a lower New York market led Tuesday's stock market session down in high trading. New Superior, down 40 cents, and General, down 20 cents, joined several recently lower western oils in the lower move. New Superior and General led Monday's strong advance on favorable drilling news. Great Plains, recently strong, was off 50 cents.

Base metals led the mining groups lower. Consolidated Smelters dropped 75 cents to show the biggest loss and Hudson Bay was down 62-1/2 cents. In golds, most losses were slight in quiet trading. 1000 Gold O. showed the biggest change—50-cent loss. Uranium were slightly off in quiet trading.

The exchange's closing indexes showed golds down .05 at 72.29, base metals down 2.06 at 148.03 and western oils down 3.02 at 145.03.
