 Grade sow under 12 months, not having raised a litter—1. Russell Buell.

well-known merchant of Mt. Stewart and removed to a new site directly across from the railway station.

Murray Harbor
 Mrs. Brenda Mattinson has returned to her home in Haverhill, Mass., after spending a holiday with her brother-in-law and sister, Mr. and Mrs. Elmer Millar.

Residents of the progressive community of Savage Harbour have long dreamed of a day when they could boast of a real harbour, lots of water and one that would lead directly to the finest of their labors. Their fondest dreams have been realized or are about to be as the big suction dredge No. 12 under the skillful guidance of Capt. McMally of Summerside continues in her efforts to protect the product of her labors.

Mr. Douglas MacDonald of Mt. Stewart is enjoying a well earned holiday at Summerside where she is the guest of her son Mr. Reginald MacDonald.

Mr. Abbie MacPhee one of the County's outstanding athletes and for the past few seasons a tower of strength as rear guard of the Georgetown Eagles was a visitor to Savage Harbour during the week.

Mrs. Josie Douglas, Savage Harbour, has been obliged to enter the Prince Edward Island Hospital for treatment. It is the sincere wish of all that this grand old lady will make a rapid and complete recovery.

Savage Harbour School in line with most other schools on the Island opened on Tuesday September 8. Twenty-three pupils signed on the dotted line and are now squared away for what is hoped will be a most successful year.

Mr. and Mrs. George MacIntyre and family of Charlottetown were weekend visitors to Savage Harbour where they were the guests of Mr. and Mrs. Valentine MacIntyre.

It is pleasing to note that the condition of Mrs. Margaret Morrison of Savage Harbour is now much improved. For the past several days, Mrs. Morrison who resides with her son and daughter-in-law Mr. and Mrs. John Morrison, has not been feeling the best. The oldest and one of the most respected and highly thought of citizens of the community, Mrs. Morrison's health when wavering below par is always a point of grave concern to her host of friends.

The foundation has been completed and workmen are now engaged in building the fine modern Manse being erected by the United Church at Mt. Stewart. Mr. Ira Gay of Charlottetown is the contractor. The former building was purchased by Mr. Pius Griffin.
