Enjoyable Vocal Concert In High School Auditorium

Miss Audrey Farnell, noted soprano who has been heard with great pleasure here on other occasions, was the recitalist last evening in an inspiring concert at the Queen Charlotte High School in which the Notre Dame Academy Girls' Choir of over sixty voices was also heard to fine advantage. The audience was enthusiastic in its applause and endorsement were responded to by the soloist.

Miss Farnell was accompanied at the piano by Miss Felicitas Kaleja. The choir, under the very capable direction of Sister St. Mary Paula, B.Mus., A.R.C.T., was accompanied by Miss Mary Claire Smith. The concert was given under the auspices of the Kiwanis Club of Charlottetown and the proceeds were for the club's underprivileged children's program. Brief opening remarks were made by the club president, Mr. L. G. MacNevin, who thanked Miss Farnell and the choir members for their generous participation.

For her first group of songs Miss Farnell chose three classical numbers: "My Heart, Ever Faithful," Bach; "Hear Ye, Hear Ye," Mendelssohn's oratorio "Elijah".

These were followed by three Rose numbers, "Norah O'Neale", and "The Spanish Lady", arranged by Herbert Hughes, who played a prominent part in founding the Irish Folk Song Society and whose compositions include many charming settings of Irish folk songs; "The Spring of Thyme", arranged by Percy Grainger; and "The Whispering Poplar" by Mark Lubbock.

From a contemporary French composer, Francis Poulenc, Miss Farnell sang two numbers, "Hotel", and "Voyage to Paris". These were followed by "Chère Nuit", by Bachellet, and "Les Filles de Cadix", by Clement Delibes, another French composer chiefly remembered for his ballet "Coppelia".

Her concluding numbers comprised a fine old 18th century song, "Tell Me Lovely Shepherd" by William Boyce, arranged by Elizabeth Poston; "A Piper", by Michael Head; "In the Silence of the Night", by Rachmaninoff; "William Lamb", a setting by Clifford Blake's famous poem by Clifford Charles G. Spross.

The Notre Dame Choir selections comprised a Fantasy on Nursery Rhymes, arranged by Leslie Bell; "Mighty Lak" a

Zion Men's Ass'n Meeting

The regular monthly meeting of the Men's Association of Zion Presbyterian Church was held in the social hall last evening. A large number sat down to a delicious dinner served by the Ladies Auxiliaries. The president, Mr. Millar MacFadyen, presided and followed by the dinner Mr. John Lea-Morgan, the church organist, led the group in carol singing. Several guests were introduced.

The chairman introduced the special speaker, Mr. E. D. Reid, who took as his subject "The Mediterranean". Mr. Reid, who served for four years in this area during the Second World War, spoke of conditions of the many countries bordering on the Western Mediterranean.

The chairman thanked Mr. Reid for his illustrated, instructive and thought provoking address.

A short business meeting followed during which further plans were made for the Burns Concert, sponsored annually by the Association.

FLUORIDATION

Coun. Gormley said that the City was not going to become involved in the matter but he felt that at least two of the larger stands were removed from the up-town area it would relieve traffic conditions to a great extent and at the same time allow for greater freedom of operation on the part of the taxis.

WANTS BY-LAW SCRAPPED—Coun. MacDonald attacked strongly the existing by-law which does not allow for the parking of taxis at metered zones whether they pay for the time or not. "It is ridiculous," he said, "to allow you or me to park as long as we pay for a meter but not allow a taxi to do so." He said that he was ready to bring a resolution to the Council asking that the by-law be repealed.

Coun. Gormley said the by-law was a good one since it prevented taxis from standing in front of business establishments for great lengths of time and thus preventing customers from entering. He felt that the matter should be given further study to see what could be done before any steps were taken to rescind the by-law.

Coun. MacDonald warned against the granting of more space to taxis. He said it would make matters worse and predicted that many business establishments would enter complaints. Coun. MacDonald suggested that if arrangements could be made with the two service stations mentioned that the space now being occupied by taxis be closed for future business.

"Otherwise," he said, "what is there to prevent another taxi firm from starting in the place vacated?" Coun. Gormley assured him that this situation would be taken under advisement.

EDUCATIONAL TAX—Coun. Gaudet, reporting on finances for Coun. Johnston, said the Finance Committee was not satisfied with the response it was getting in regard to the payment of the education tax. He expressed the hope that citizens who have not paid will co-operate with out making it necessary for the City to take action against them.

Coun. Gaudet reported on the question of having a Christmas party for permanent employees of the City. He felt that it should be done to show the Council's appreciation.

atoes from United States. "Just previous to Mr. Gardiner's speech the representative from British Columbia in a very strong speech demanded immediate action by the government of Canada and roundly condemning delay in the imposition of a tariff on U.S. potatoes. The meaning which took from Mr. Gardiner's remarks was that he believed that this view is shared by most of those at the conference) was that he was merely telling us that this problem had to be studied from all angles. He went on to say that the matter was before the tariff board, that he had not yet received their report, and that future action in the matter would depend on that report."

MAY GET ASSISTANCE—Mr. Cullen and Hon. C.B. Sherwood, Minister of Agriculture for New Brunswick met with Hon. Mr. Gardiner after the general conference and as a result Mr. Cullen was able to say: "We believe if we can present a workable scheme to Mr. Gardiner, we may yet get assistance under the support arrangement." "Overtures have been made for assistance in the control of diseases and a great deal of co-operation between the Department of Agriculture and the Provincial Department tends toward the elimination of the ravages of disease and the promotion of marketing potatoes."

Mr. Cullen, on behalf of the Provincial Government and the Department of Agriculture, presented Mr. MacLain with a cheque for \$100.00.

Mr. Henry MacLaren, one of the potato judges at the Royal Winter Fair at Toronto, where Mr. MacLain won his championship honors, pointed out that 25 MacLain seed potatoes had been submitted from this Province and 23 prizes were won. In a class of 22 exhibits, the 4th Club of O'Leary won first and fifth places. It was a matter of regret that in the eight classes of table stock, there was not a single entry from P.E. Island.

"This is something that I sincerely hope will be corrected next year," Mr. MacLaren said.

Scotia II To Sail For Lauzon

PORT HAWKESBURY, N. S. (CP)—The train ferry Scotia II (CP)—The train ferry Scotia II pulled into the Canso causeway canal lock late Monday ready to begin a delayed trip to Lauzon, Que., early today.

The ferry, owned by Canadian National Railways, which operated between nearby Point Tupper and Mulgrave, N.S., before trains started using the causeway, has been delayed by poor weather since Saturday. Thirty-eight of the 43 crew members aboard the Scotia will join the new CNR ferry Bluenose when they reach Lauzon.

The Scotia will be refitted at Lauzon before being put in service between Cape Tormentine, N.B., and Borden, P.E.I.

Association For Retarded Children Meets—The regular monthly meeting of the P. E. Island Association for retarded children was held last night at the Y. M. C. A. with the president, Mrs. Stewart Pierce, in the chair.

Two interested guests in the persons of Mrs. J. P. Lantz, president of the P. E. Island Home and School Association, and Mrs. James A. Mullen, from the Catholic Women's League, Holy Redeemer Parish, were present for the purpose of obtaining information on the progress being made by the Association.

It was reported that the Charlottetown Branch of the Canadian Legion had decided to sponsor a day training class in the city for retarded children.

The usual reports were read and it was suggested that wider publicity might be given with view to obtaining a larger membership in the Association. It was also stressed that membership was not restricted to parents who have retarded children.

Mrs. Pierce also reported that a donation of \$50.00 had been received from a friend of the Association.

After the meeting adjourned a dainty lunch was served by Mrs. Keith Lewis and Mrs. Jack Leighton.

Saurel Here On Buoy Duty—The CGS Saurel berthed at the Marine Wharf at 8:30 p.m. Saturday after completing her first buoy recovery trip this season. Her tour of duty took her to various points in the west end of the Northumberland Straits. She was taking on supplies yesterday in readiness for her next trip out.

As soon as weather permits the Saurel will sail to recover the buoys around the West Point and north shore areas. From reports the weather this year, has been the most adverse encountered for many years for this type of work.

The CGS Brant is at present working up and down the Straits picking up the buoys along the north Nova Scotia coast as weather permits.

BLAST WRECKS CAR—COLUMBUS, Ohio (AP)—An explosion today badly damaged the car of President Charles Clark of Local 746, International Union of Electrical Workers. The union has been on strike at the Westinghouse plant here since Oct. 17. No one was injured. Sheriff Ralph Paul said the explosion occurred while the car was parked in front of union headquarters.

Life Underwriters Elect Officers For Coming Year

Mr. J. LeRoy Gallant of Summerside was elected President of the Prince Edward Island Life Underwriters' Association at the annual meeting held in Charlottetown yesterday. Past President is Mr. Stewart G. Ives. Other officers named were: vice-president, for Queens County, V. S. Ling, C.L.U.; Prince County, Robert Carruthers, Kensington; secretary treasurer, J. Eric Shepherd, Charlottetown; directors, Bennett Carr, Wilfred Driscoll, A. G. Murphy, Fred Pound, S. W. Willis, Charlottetown.

Mr. Ives in his presidential report reviewed the activities of the secretary year, touching on several matters of concern to the Life Insurance business as a whole. Mr. Ives made a few timely suggestions to the incoming executive. Reports of the secretary treasurer, V. S. Ling and membership chairman, Thomas McAvinn showed the finances and membership to be in sound condition.

The president-elect, Mr. Gallant was appointed a delegate to attend the annual meeting of the Dominion Association to be held in Toronto, in January.

An amusing skit entitled, "Selling in Reverse" was presented by Stewart and William Ives of the Excelsior Life. The retiring executive was tendered a vote of thanks for their efforts during the year.

Grandson of Former Lt.-Gov. Of P.E.I. Dies—MONTREAL (CP)—Thomas Heath Haviland, grandson of Hon. T. H. Haviland, a father of confederation and a lieutenant governor of Prince Edward Island, died in hospital Monday after a short illness. He was 77.

Survivors include a son, Richard E. Haviland, city editor of The Montreal Star.

MAN BEATEN, BURNED—CHICAGO (AP)—The body of a 37-year-old ex-convict, beaten and soaked with gasoline, was found Friday night in his blazing automobile parked on the side of a rural road in suburban Cook County. Deputy Coroner Charles W. Richards said the man, John Coletta, apparently had been beaten to death by someone who ignited the car after pouring gasoline over it.

To The Citizens of Charlottetown—Our City had its greatest number of visitors, in its history, this past season, yet our traffic accidents were kept to a minimum. We are now in December, the worst month of the year for car accidents because of the combination of winter driving conditions and the holiday spirit. I am sure that nobody wishes to have the Holiday Season marred by accidental death, Charlottetown cannot afford the loss of even a single citizen, therefore I would ask your full and complete cooperation in following these few simple common-sense rules of behaviour—

1. If you are going to celebrate, it is safer to leave your car at home and take a taxi. This is especially true if you plan to accept alcoholic beverages. NEVER drive if you drink.

2. If you are going to a family or religious gathering or party, leave your home early so that you will not be obliged to drive too quickly. Even if you fail to leave on time watch your speed. On icy streets, or in heavy traffic, fast driving may mean sudden death.

3. When you entertain or are being entertained, and "Take One for the Road" make it strong coffee or some other alertness beverage never alcohol.

4. Be considerate about your guests who may be unfit to drive. Arrange other means of transportation for them so that they will reach home safely and will not be a menace to other drivers or pedestrians.

5. If you are driving, be careful of pedestrians many of whom may be carrying parcels or may be tired and in a hurry to get home.

6. Remember, courtesy is the best kind of good wishes you can extend to other motorists, to your guests or to pedestrians. Don't argue about the right of way. Be considerate and MODERATE and you'll enjoy a happy holiday season and be alive on New Year's Day.
