Norwegian Trawler Docks At Georgetown

GEORGETOWN — The first Norwegian fishing vessel to sail directly from Norway to Georgetown docked yesterday about nine a.m.

The MV Pero, under the command of Capt. Odd Hanis with a crew of 13 left Slanoed, Norway 10 days ago. She carried a cargo of 2,250 aluminum fish boxes, manufactured in Norway by Nora Aluminium, for Golf Garden Foods Ltd. here.

The vessel is 142 feet long and is powered by an 800 hp diesel engine. She is especially designed for shark and hake fishing and she will be engaged in fishing sharks out of Eastern Canadian ports from now until November, returning to Norway for Christmas.

The captain and his crew were entertained last evening by plant officials at the cafeteria in the Georgetown plant.

The aluminum boxes now delivered made the food plant the first company in Canada to use them in handling fish, from the fishing grounds to the processing tables.

The committee responsible for arranging the conference is composed of R. J. Rupert, Rev. Malcolm F. Harlow and Rev. Edward G. Britten.

Officials of Golf Garden Foods expressed their appreciation to Canadian Customs officials for clearing the vessel through Georgetown as it is not a bonded port.

The conference opens at 10 a.m. Saturday and concludes at 4:30 p.m. A noon luncheon will be served in the Church Hall for the delegates and leaders.

LOCAL BRIEFS

HOMES BUILT

According to an Atlantic Region report there have been 59 dwelling units completed in Charlottetown from January to August of this year. There are 53 more under construction. In Summerside the number of houses completed for the same period was 18. There are six under construction.

POLICE BEGIN DRIVE

City Police have opened a drive against unlicensed dogs and their owners. It was reported by the department that the number of licensed dogs is 97 males and two females. The police state that if an unlicensed dog is caught running loose, it will be taken to the pound and if not claimed within a few days will be destroyed. Dog owners are reminded that licenses expired in June.

EGG PRICES

The poultry division of the federal department of agriculture reported yesterday that egg prices continue to remain steady with prices being the same as they were at the beginning of the week. Dealers were quoting producers for ungraded eggs delivered at Charlottetown as follows: Grade 'A' large 45 cents, Grade 'A' medium 41 cents and Grade 'A' small 25 cents.

TRAFFIC COURT

Three accused were each fined \$10 and costs or four days by Justice of the Peace Albert Dinis in Traffic Court yesterday. Fined were: Gerald Harrison Forran, West Royalty, driving on the wrong side of the road; John Henry Plagenhoff, Mt. Stewart, failing to transfer registration; Harold Claude Smith, North River, failing to yield right-of-way.

SPECIALLY DESIGNED

The holds of the stern trawlers used by GGF have been especially designed to store fish in the 140 lbs. capacity self-draining boxes. This is a marked departure from the customary method of filling the ship's hold with fish packed in ice. In this procedure the fish are packed into the boxes and iced at sea. The boxes are fitted into the hold of the trawler and due to a self-stacking feature, no excess weight rests of the individual fish.

STANDARDIZED

"in the identification and evaluation of student capacities and in the admission of students to post-secondary studies."

In an interview following the panel discussion, Dr. Sheffield said the admissions council would be a tool to be employed as it is exactly the same wherever it is used.

However, contrary to Quebec Education Minister Paul Gerin-Lajoie's statement earlier in the week, he said he didn't think the council could have the effect of standardizing high school curricula.

Money for education at the national, provincial and local levels Thursday continued to be one of the major themes of the three-day conference.

At a panel discussion concurrent with that on college admissions, Dr. E. D. Hodgson of Edmonton, Alberta, school administration director, said there had been an increasing trend over the years toward a greater provincial absorption of education costs shared by provincial and local authorities.

This is the result of greater demands on public education, he said. More pupils are going to school, staying longer and receiving more kinds of programs and means must be found to collect the additional revenue to finance expanding costs.

Impaired Driving Cases Dominate Court Docket

GEORGETOWN — Gerald Clive MacIntyre of Victoria Cross was convicted of having the care or control of a motor vehicle, while his ability was impaired and was fined \$100 and costs, when he appeared before Kings County Magistrate, James B. Johnston, Q.C., at Georgetown on Wednesday. MacIntyre was represented by Bert Campbell.

Giving evidence for the Crown was Const. Reginald Lutes of the Montague Detachment, R.C.M.P. Two defence witnesses were called, Leo MacAulay and Bruce MacIntyre.

Deputy attorney general J. Arthur McGuigan, Q.C., represented the Crown in all cases before the Court.

Herbert Lawrence MacIsaac of Georgetown and Augustus Burke of Lower Montague, both charged with impaired driving and both represented by Mr. Campbell, pleaded not guilty and their cases were adjourned to Oct. 6, to set a date for hearing.

OBSTRUCTION CHARGE

Torjorn Ulstein of Georgetown, charged with obstructing Georgetown policeman Allison Grover while engaged in the lawful execution of his duty, was represented by Mr. Campbell. No plea was taken in this case and the case was adjourned to Oct. 6. Ulstein was also before the court on an offence under

the Liquor Control Act and in this case he was also represented by Mr. Campbell. The case was adjourned to Oct. 6, with no plea being taken.

Daniel Peter MacDougall of Tracadie, pleaded guilty to having the care and control of a motor vehicle while impaired and was fined \$100 and costs.

Kenneth MacDonald of Montague pleaded guilty to an impaired driving charge and was fined \$100 and costs. This was a Town of Montague case.

Gerald McKay of Murray River, was not present in court on a charge of stealing a guitar, of a total value of less than \$50. His case was adjourned to Sept. 29.

John Wallace MacNeill of Milton, represented by Mr. Campbell, and charged with driving without due care and attention, has his case adjourned to Sept. 29.

Roy Edward Bell of Montague, charged with assault, represented by Mr. Campbell, has his case adjourned to Sept. 29.

Kenneth MacDonald of Montague was fined \$25 and costs for possession of liquor purchased illegally.

One person was fined \$20 and costs for being intoxicated in a public place.

Five persons were each fined \$20 and costs for illegal possession of liquor.

More Home Cotton Market Is Lost To Imported Goods

MONTREAL (CP) — Domestic cotton production increased last year but the producers' share of the Canadian market dropped in favor of imported goods.

A report on 1964 consumption and production by the Canadian Textiles Institute shows the domestic mills' share of the market dropped to 50.8 per cent last year compared with 56.1 per cent in 1963.

Commonwealth countries compared with 25,133,000 the previous year.

Earlier this year, officials of the institute said they believed the domestic market had increased last year, but the compiled statistics proved otherwise.

During 1964 imports rose to 269,000,000 square yards compared with only 225,939,000 in 1963, satisfying the bulk of the increased cotton textile market. Imported cotton fabrics is still the United States, which the report shows increased its exports here to 143,000,000 square yards in 1964 from 129,000,000 in 1963.

A spokesman for the institute said this was mainly because of large quantities of low-priced cotton goods being imported from Asian countries, mainly Japan, Communist China, India, Pakistan and Hong Kong.

A spokesman for the institute said the trend will probably change in favor of the Canadian product, this year and the industry is aiming at an eventual 75-per-cent slice of the domestic market.

The bulk of the remaining imports came from Europe, Japan, India and the United Kingdom respectively.

IMPORTS INCREASE

These increased to 126,000,000 last year from 97,000,000 square yards in 1963. In 1961 those countries exported 82,000,000 square yards to Canada.

The industry, which hopes to increase home consumption to 56 per cent this year, is aiming to regain the immediate post-war sales for domestic cotton—approximately 75 per cent of the market.

EXPORTS RISE

Of this total 37,000,000 square yards were exported, mainly to

Riverside Hospital Patients Enjoyed Outdoor Activities

During the summer months, a varied and interesting program of outdoor activities and entertainment was arranged by the patients at Riverside Hospital by the Prince Edward Island Division of the Canadian Mental Health Association.

Regular picnics were organized and, in addition, special outings were held at provincial parks throughout the Island and refreshments for these were provided and served by various women's groups as follows: at the St. Peter's Bay picnic ground by the Forest Hill Women's Institute; at Pownall by the Pownall Women's Institute; at Cabot Park by the Indian River Catholic Women's League; at Brudenell Park by the Ladies' Auxiliary, Montague Branch, Royal Canadian Legion; and at Lord Selkirk Park by the Ladies' Auxiliary, Eldon Branch, Royal Canadian Legion. For a second picnic at St. Peter's, refreshments were provided by the Souris Branch of the Catholic Women's League.

SUMMER FUN

Special summer entertainment at the hospital included a wicker roast and a chicken barbecue at which some 200 patients were guests of C.M.H.A.

Outdoor recreational facilities, such as swings and shuffleboard have been installed by the P.E.I. Division of C.M.H.A., on the Riverside Hospital grounds and the patients have been making good use of these during the warm weather.

The highlight of the summer for the 27 patients involved, was the 5-day camp held at Oyster Bed Bridge from Aug. 30 to Sept. 3. Good weather made it possible to organize outdoor games and activities, and the change from hospital routine and surroundings was thoroughly enjoyed.

Two rather special outings during September concluded the summer projects. On Wednesday, Sept. 15, some 30 patients were taken to Borden where they boarded the MV "Abergweil" for the trip to Cape Tormentine and back, following which they were guests of the Ladies' Auxiliary of the Borden Branch of the Royal Canadian Legion at supper.

This is an annual event and it gets under way at 9:30 in the morning and will be over by noon.

The meet which will have over 100 entries is being directed by Brig. W.W. Reid, with assistance from many other Scout leaders. There will be events for all age groups.

Fire Leaves 12 Homeless

Fire destroyed the home of Mr. and Mrs. Charles Oikle, Campbells Cove, Wednesday night.

Mr. and Mrs. Oikle and their 10 children were left homeless by the blaze.

No one was injured in the fire but all that was saved was the clothing the occupants were wearing.

Clothing and bedding are being gathered by the district women's institute and the Red Cross donated bedding.

The family is residing, for the present, with Mrs. Oikle's parents, Mr. and Mrs. Waldo MacDonald, Bothwell.

HEADS SAFETY COUNCIL

OTTAWA (CP) — The Canadian Highway Safety Council Thursday announced the appointment of Philip J. Farmer of Toronto as assistant executive director of the council. Mr. Farmer is a senior official with the John Indigo Co. Ltd., and past national president of the United Chamber of Commerce of Canada.

City Firemen Called Twice

The Charlottetown Fire Department answered two calls last evening, neither of them causing much damage. At 5:15 they went to 26 Laphorne Ave. where a number of old tires were burning and at 6:25 they answered a call on Lincoln Street where a quantity of rubbish was burning near Proude's Garage.

Arms Cut Is Offered

By BORIS MISKEW UNITED NATIONS (CP) — The United States Thursday offered a new proposal under which both the United States and the Soviet Union would destroy nuclear weapons as a step toward world disarmament.

Arthur Goldberg, U.S. ambassador to the United Nations, told the general assembly the proposal would depend on Soviet willingness to transfer "weapons Grade U-235 to non-weapon uses."

LAUNCH CAMPAIGN

Goldberg spoke on disarmament after accusing Communist China of launching a campaign to change the world by force and violence, charging that Peking is trying to make South Viet Nam its first victim.

Newsprint Sales Slightly Higher

MONTREAL (CP) — Newsprint exports in the first eight months this year totalled 4,628,222 tons compared with 4,362,760 in the same period of 1964, the Newsprint Association of Canada has announced.

Delivering a major policy speech before the 117-Nation Assembly, Goldberg referred to a "manifesto" by Chinese Defence Minister Lin Biao which states that "political power grows out of the barrel of a gun."

Canadian consumption rose to 320,717 tons compared with 306,425 tons in the first eight months last year.

The United States was still the biggest customer, importing 3,913,550 tons in the first eight months compared with 3,619,098 tons in the corresponding period last year.

Total newsprint shipments were 5,008,939 tons in the first eight months compared with 4,723,185 tons in the same period of 1964.

Referring to the ceasefire between India and Pakistan,

Newsprint shipments to Central America and the Caribbean area were up from 98,213 tons last year to 141,736 tons in the first eight months this year. In the same period, export to the United Kingdom dropped from 342,098 tons to 259,112 tons.
