JACKETS

No such a range of Dress Goods was ever seen in our Dress Goods Department. A leaning to roughness is conspicuous. Camel Hair effects mostly in plains and pretty plaids, fuzzy, fleecy and almost lumpy, just the thing for our climate at just the price to suit your purses.

FURS

No such a showing of Furs has ever been seen on Prince Edward Island.

We are the leading Fur store of P. E. Island and we have eclipsed our former reputation.

Any lady that buys a Fur Jacket without seeing our stock is not doing herself justice, over 250 Fur Jackets to select from at P. E. Island's Greatest Fur Store.

MILLINERY

We expect our London and Paris Trimmed Millinery in next week.

SILKS

See the new things in silks at My Store.

Never before was our stock more beautiful—but it's the beauty of quiet rich-

ness rather than of glaring prominence. To be brief it's a happy collection of real art wonders whose variety and elegance will surprise, and the low price delight you at

ESTEEMED EXCHANGES.

Evening Mail: The action of Hon. Hugh John Macdonald in giving up his portfolio in the Manitoba government and entering the field as a candidate in Brandon against Sifton, is in striking contrast to the cowardly course pursued by Mowat, Fielding and Blair in 1896. Hugh John is evidently not the kind of man to let other men do the fighting and run the risks, and then jump in when victory was secured, and grab the portfolios. Such a man deserves success and will no doubt secure it.
