Young People's Conference Held At Montague

Saturday evening the young people of the Churches of Christ in P. E. I. gathered together at the Montague Church for a weekend of fellowship with the hope of gaining a deeper understanding of the leadership of Christ. Robert Platts of Charlottetown very capably took charge of several of the services. Under the leadership of W. O. Weale of Summerside, the young people were made conscious of the real meaning of the message in the hymns that were sung. The singing was of high quality and very much enjoyed.

Saturday evening Harold Stewart of Montague brought a message of vital concern to the young people. He spoke on the power of the Holy Spirit to make our calling and election sure.

This was followed by a buffet supper and social.

Sunday services began by the very young people of the Montague congregation singing and reviewing the facts they had learned about the life of David. Three of the little ones recited in turn "The Lord's My Shepherd." This was followed by the singing if this psalm by the entire group.

A short Bible study was then held.

The members of the congregation and guests met together for the observance of the Lord's supper.

Medford Connolley of L'Etete and Back Bay, N. B. was the guest speaker at the morning, afternoon and evening services. Mr. Connolley emphasized the fact of Christ being eternal and one with God, and only in Him have we hope of salvation.

A short business session was held during the afternoon at which time plans were finalized for the next annual conference.

The inspiration and wonderful fellowship of such a gathering will do much to strengthen these young people to live Christ-centered lives. The older members of the churches will also be encouraged and given hope by the enthusiasm and keen interest of the younger members.

Plan Poppy Day Campaign At Montague

..*A special meeting of the Canadian Legion, Montague Branch, was held in the Legion Hall Friday night, with Comrade Russel MacGregor presiding. Twenty-three members were present.

The main purpose of the meeting was to finalize plans for the Poppy Day campaign, and also for the observance of Remembrance Day. Certain routes were laid out for the distribution of poppies so as to make a complete coverage of the area, and members volunteered to undertake distribution on these routes. After considerable discussion it was decided to observe Remembrance Day on Sunday, Nov. 11th, and to hold a social evening on Monday with the ladies of the Legion Auxiliary present.

The president, Mr. MacGregor, read a letter from the Provincial Command regarding the royal visit and several members expressed their intention of attending..

A vote of thanks and congratulations was extended Comrade Judge J. S. DesRoches, chairman of the carnival committee, by Comrade Campbell, for the efficient manner in which the carnival had been organized. Judge DesRoches replied by saying that co-operation by all the members of the branch was given to the greatest extent, and that he was happy to have had the opportunity of working with them. He also noted that a prize of a thermos jug donated by Seaman's Beverages, Charlottetown, had been inadvertently omitted from the published lists, and wished to make public acknowledgement of the donation.

Some discussion transpired regarding the covering of the floor of the Legion Hall with battleship linoleum. The secretary informed the meeting that the tenants were being annoyed by the noise from the classroom above, and it was decided to have the floor insulated when it was being covered.

On motion of Comrade G. Jardine, the secretary was authorized to pay all bills in connection with the carnival. A complete account of the carnival was left over until the next regular meeting, pending the paying of expenses.
