THAT SCRAP BOOK.

Compiled by the Fredericton Man.

Result of His Experiment—The People of the Maritime Provinces Unanimous—Dodd's Kidney Pills Cure Permanently.

FREDERICTON, June 28.—Last week we published an account of a Dodd's Kidney Pills scrap-book compiled by a gentleman of this city. He has received a large number of replies to the enquiries he made concerning the lasting qualities of cure made by Dodd's Kidney Pills. All agree that Dodd's Kidney Pills cure to stay.

Probably the best known man in Eastern Canada in this connection is G. L. Worden, Commissioner Civil Courts, Wickham, N. B. In 1898 his cure was published. Mr. Worden has been afflicted with kidney trouble for over twenty-five years. The least thing in the bed that was not smooth, he said, would hurt him. He had been operated upon with instruments to no avail. He decided that he would try Dodd's Kidney Pills. "After six and a half boxes," he said, "it seemed to me I was a new and young man."

Mr. Worden was among those who were written to asking if the cure had been permanent and his last letter reads as follows:

Wickham, Queen's Co., June 2, '99
Dear Sir:—Yours of the 22nd of May to hand and contents noted. Dodd's Kidney Pills in my case have been a wonder and surprise to myself. After over twenty year of suffering with my back and kidneys I had despaired of ever obtaining any relief, but thanks to Dodd's Kidney Pills and kind Providence I am made almost a new man out of an old one. I have recommended Dodd's Kidney Pills to a score of men in St. John as well as to people here in Wickham who asked me about my testimonial and other people have written me as you have. To them and to you I say "Dodd's Kidney Pills will do all that is claimed for them."
Very respectfully yours,
G. L. WORDEN.

Rheumatism Cured in 4 Hours.

Mr H E West, Water Street, Vancouver, writes: I have been suffering from a very painful attack of Rheumatism in my right shoulder, and could not attempt to raise my arm, so great was the pain. A friend procured a bottle of Griffiths' Menthol Linctum, and in less than four hours the pain entirely left me and has not returned. It certainly is the great pain reliever, 25 cents to all druggists.

Nowadays when women are trying to do everything it is not strange that many things are over-done. It is not strange that there are all kinds of physical and mental disturbances. If the woman who is a doctor, or a lawyer, or a journalist, or in business would not try to be a society woman too it might be different; but the woman who knows when she has done a day's work has yet to be born. Usually a woman's way is to keep doing until she drops. Working in this way has manifold evils. The most common trouble resulting from over-exertion, either mentally or physically, is constipation of the bowels, with all its attendant horrors.

Dr. Pierce's Pleasant Pellets are the most effectual remedy in the market. They work upon the system easily, naturally. There is no unpleasant nausea after taking them. No gripping—no pain—no discomfort. They are composed of materials that go through the system gradually, collecting all impurities and, like the good little servants that they are, disposing of them efficiently.

Send 31 one-cent stamps to cover cost of mailing only, and receive free a copy of Dr. Pierce's Medical Adviser. Address World's Dispensary Medical Association, Buffalo, N. Y.
