Ince, of Desable, teacher of Argyle Shore Public School. Sympathy, and best wishes wishes for an early and complete return to health, home, and happiness, unbroken by such circumstances, are being extended to Mrs. Ince for the years which lie ahead.

The address at Tryon United Church, by the Maritime Conference President, on March 2, was heard with great appreciation by an audience representative of three parishes, with the Community Choir, Dr. MacDonald, organist, present, rendering some very fine singing. Following this service, choir and congregation participated in a most enjoyable sing-song, and a very delightful lunch, served by the ladies of the W. A. in the large School Room of this Church.

From every district in our Province, all hockey fans will join in the great welcome being accorded at Vancouver, March 15, at a banquet being held in honor of our Canada National Hockey Team, now World Champions for 1955, through their victory over the Russians, by the score of 6-0, on March 6.

Our district farmers have been favored with favorable weather and roads for getting out their fuel supply of good old hardwood for another season. From the time hardwood trees are chopped down, limbed, sawed into 8 foot lengths, hauled to their destination, again sawed with a circular saw and split into suitable lengths and size for the kitchen range, it means a long process of labor, particularly when laborers are by no means plentiful.

It is pleasing to report that those of our district, irrespective of age, who have been confined by severe colds, and keeping the doctors very busy, are now progressing favorably towards recovery.

Many of our citizens were present at the services of public worship in this pastoral charge on March 13, to give attentive hearing to the impressive message of Christ's ministry on earth, and to join with the choir in the hymns pertaining thereto. An impressive solo, entitled: "Were You There when they Crucified"
