**CLOTHING EMPORIUM,**  
BROADWAY,  
CHAPTER III.

To the Gentlemen of P. E. Island, greeting:

GENTLEMEN:

THE summer of peace and plenty, of clouds and sunshine, of pleasure and pain is drawing to a close, and Autumn's chilly winds, rainy weather, muddy roads and streets, are next coming out on nature's programme, independent of the Road Commissioner or City Corporation. Next, Winter, grim king Winter, with his frosts and snows, will blow his Arctic breath across our little Isle, freeze the Straits of Northumberland, and complete the isolation of P. E. Island. Notwithstanding that your yards, barns, graneries, cellars, green-houses and dairies are stocked, stuffed, filled, stored, crammed, crocked and firkin'd with the fat of the land, the fruits of the vine and products of your stock, you call this "the winter of your discontent." While you have plenty to eat and drink, your discontent comes from "where with are you to be clothed." Come into Broadway and be a contented people.

**NOW, GENTLEMEN, FOR THE RAILWAY!**

I, D. H. MACKINNON, of Broadway, bear good will to you all, and malice toward none; and now demand the immediate commencement and speedy completion of the aforesaid Railroad for the benefit of the travelling public; and as passing events cast their shadows before, I am taking time by the forelock, and preparing for you all. Accordingly, as fast as our European goods arrive, we are busily making every kind of warm cloth into fashionable and comfortable garments, suitable for the season, good, cheap and durable, so that you may travel with comfort on the railroad or in your own private conveyance, without fearing the frowns of grim king Winter, or any mortal man who might wish to make you afraid.

Remember BROADWAY has the following  
**GARMENTS!**

**The Continental**  
**LIFE INSURANCE CO.**  
OF NEW YORK.

Has decided on establishing branches in this  
place, thus completing its line of branch  
es from California to P. E. Island.

As the reputation of the CONTINENTAL is  
now world-wide, to add any argu-  
ment in support of its ability, and  
of its claims to public confidence,  
would be a work of supererogation.  
The simple  
fact that it, last  
year, issued  
**12,537 POLICIES,**  
the largest number issued by any company in  
the world, is also a guarantee that can  
be offered of its ability and reliability,  
and of the public confidence.

The following are a few of the advantages  
offered by the Continental:  
**PERFECT SECURITY.**—The assets of the  
Company are  
**\$5,475,850!**  
securely invested.

ONE-THIRD THE PREMIUM may remain  
unpaid, as a loan on the Policy, (without  
Note), until cancelled by the dividend or  
otherwise.

THE COMPANY BEING PURELY MUTU-  
AL, all the profits of the business are  
annually divided among the Policy-hold-  
ers.

THIRTY DAYS' GRACE allowed on the  
payments of premiums, and the Policy  
holds good during that time.

SHOULD ANY PERSON DESIRE to discon-  
tinue his Policy, after two years, the  
Company will take it off his hands, and  
give a full-paid Policy for the entire  
amount paid.

ALL POLICIES NON-FORFEITING. No  
Charge for Policy, Medical Examination,  
or Stamps.

ALL LAWS IN PRINCE EDWARD IS-  
LAND paid in the full, without the  
claimant having to go to New York.

EVERY POLICY-HOLDER is entitled by  
vote at the Annual Election of Officers,  
and all are equal in the office.

As the great importance of Life Insurance  
TO ALL, whether rich or poor, is now univer-  
sally admitted, any persons who wish to  
take advantage of the public of P. E. Island is therefore  
respectfully solicited.
