Slow Progress In Truce Talks

MUNSAI, Korea, Jan. 31 (Thursday)—(AP)—The Communists Wednesday agreed to an increase in the monthly rotation of troops from 5,000 to 25,000, but vetoed any ban on the massing of military power during an armistice. The Red proposal to ease troop-rotation limitations during a truce caused lifted eyebrows among the United Nations conference team. Previously the Communists objected to any rotation but finally agreed to a monthly rotation of 5,000 men. The U.N. wants a minimum of 75,000 troops rotated monthly if rest and recreation leaves in Japan are counted, or 40,000 a month if such leaves are not regarded as rotation. Staff officers and a sub-committee of the main armistice delegation were scheduled to meet again today at 11 a. m. (9 p. m. EST Wednesday). In Wednesday's session U. N. staff officers pulled a little closer to agreement with the Reds on truce supervision details. They were considering, point by point, an 18-page U. N. draft. In a nearby tent, however, a higher-level session by armistice sub-delegates on prisoner exchange remained miles apart on fundamental issues. The Reds continued their adamant opposition to the U. N. principle of voluntary repatriation.

LABORERS

small membership did not permit of paying the required dues so it withdrew. Now it is reportedly the only local union in the Province which is certified with the Department of Labor, Ottawa. During the past fifty years it has had 14 presidents including the present incumbent. Only four of the past presidents are still living. They are Messrs. Patrick J. Cullen, Gus Longphie, Edward Doyle and Arthur Gormley. Those who have died since the organization were Messrs. James McNally, Ephraim Gallant, Harry Reid, James Rush, Walter Monteith, Daniel Gillis, Joseph Purcell, Daniel Coughlin and John W. Gormley. The charter members all of whom have passed away, were James McNally, Ephraim Gallant, Frank Collins, James Rush, James Brown, Matt McCourt and Jack Corrigan. President members of the Executive are Lemuel T. Rush, president; Allan McDonald, vice-president; William A. Hughes, financial secretary; Warren W. Gallant, treasurer; Thomas Bell, recording secretary; Herbert Quinn, house committee chairman; Vernon McDonald, house committee; Harold Cullen, sergeant-at-arms; and Francis McDougall, guide. The three present trustees who remain in office and may be replaced only in the event of death during their term, are Frederick McCabe, Ernest Stanley and William J. Mullins. Fine Fraternal Spirit In addition to their efforts to improve the pay and working conditions of the workmen of the city the Union also has a distinguished, if unpublished, record of service to its members, especially during times of financial difficulty. It is not unusual for large grocery orders to be sent to members out of work, and even when coal has found their way into empty cellars in winter time. They are all paid for out of regular funds and only the Union executive ever knows who received them. Other members do not ask. Perhaps a real example of aid is shown in time of death. The Union has long maintained a burial fund to assist its members and their families. This is kept at a financial level high enough to ensure an adequate amount available regardless of the loss of several members at the same time. Gala Event Although the actual "birthday" of the L.P.U. is February 3, it will celebrate its Golden Anniversary tonight with the 50th Annual L.P.U. Ball. The gala event will be held in the ballroom of the Rollaway Club on Grafton Street and promises to be one of the outstanding events in the history of labor here. Club proprietors are making preparations for one of the biggest gatherings they have had for a dance since the club was opened. The music will be supplied by the internationally known tunesmiths of Don Messer and His Islanders. LONDON, Jan. 30 (AP)—Bantamweight Maurice Sanderson of France outpointed former world flyweight champion Terry Allen of England last night in a slug-fighting 10-round fight that saw both fighters hit the canvas.

O'Leary and Vicinity

Members of the Knutsford Mission Band of the Baptist Church sold candy on Saturday, Jan. 26 in O'Leary. The delicious confection soon found ready purchasers.

Mr. and Mrs. H. A. Jelly and daughter have returned to their home in O'Leary after attending a furniture convention in Toronto. Mr. Jelly also visited his brother in Newmarket, Ont.

Mr. Leslie MacAulay has recently been appointed as the Village Clerk for the Village of O'Leary. This is a most excellent choice as Mr. MacAulay is painstaking, obliging and conscientious. He is also the very efficient secretary of the O'Leary School Trustees.

The chairman for the current Boy Scout drive in O'Leary is Emmerson Smallman. Canvassers will shortly be calling at the homes of the O'Leary people for this great international boys' movement, and they are certain of a generous response as O'Leary has always contributed generously in the past to this worthy organization.

Miss Marjorie Ellis, daughter of Mr. and Mrs. E. B. Ellis of O'Leary, who has enlisted in the R.C.A.F. (Women's Division) will be leaving Feb. 8th to take her basic training at St. John's, Quebec. She has been employed with Mr. J. W. Don Campbell of Alberton and is also a former teacher at the O'Leary school. Her many friends wish this popular young lady every success in the services.

Practically every radio in O'Leary and many in the district were tuned in to Charlottetown on Saturday afternoon, Jan. 26th to hear O'Leary representative, Miss Margaret Woodridge, give an excellent reading in competition with some of the finest talent among the young people in the County and Province. The competition was sponsored by a feed wire in Charlottetown, and the splendid showing of this talented young lady.

Before it became prominently known to the residents of our province that there was an acute coal shortage, by the statements of large coal dealers in Summerside and Charlottetown, we had twice in this paper previously mentioned the acute shortage of coal in the village of O'Leary. Coal of all kinds is still scarce in "The Island's Newest Village" and residents have only a very small amount in the coal bins compared to other years. When a car of coal comes in, it is soon sold. We would like to again commend our merchants for their fairness in rationing or distributing the coal to as large a number of residents as possible.

Despite strong winds and swirling gusts of drifting snow which made the going difficult, there was an attendance of about twenty-five at the social evening of the Brae United Church Young People's Union which was held on Monday night, Jan. 28th, at the home of Mrs. Ivey MacFadyen. A short devotional service was conducted by Mrs. Robert Oulton with Mrs. Stirling Barbour as organist. The minutes were read by the secretary-treasurer, Miss Lorne MacNevin, and were approved as read. A letter was read from Sgt. Edwin Lockhart who is stationed with the Canadian Army in Korea for the Christmas parcel which the Brae Y.P.U. had sent him and which he received on Christmas Eve. He mentioned he hoped to be home then than the members personally. He is a son of Mr. and Mrs. Stanford Lockhart of Coleman. The West Devon United Church Young People's Union also sent him a parcel at Christmastime. Games and contests were then enjoyed, being led by the Minister, Rev. W. G. Dickson and Mrs. Robert Oulton. Delicious refreshments were served and this enjoyable evening concluded by the Misspah Benediction.

Big-Time Gold Theft And Smuggling Ring In Montreal Revealed

MONTREAL, Jan. 30 (CP)—Operations of a big-time theft and smuggling ring, with high-grade gold and diamonds swapped on an international scale, came to light today. Police said the centre of the ring is Montreal. Ramifications of the multi-million-dollar racket reach into the United States and Europe. At least seven foreign-born Montrealers are under police suspicion. One is a clergyman, said police; another is a teacher. "Discovery of a list of the seven names in a safety-deposit box spurred the police investigation."

Gold For Diamonds

The gigantic racket is said to have had its beginning with thefts of gold from mines in Northern Ontario and Northwestern Quebec. It now has been organized to the point where high-grade gold is smuggled into the United States and then into Europe. Overseas the gold goes for purchase of diamonds. The diamonds, in turn, are smuggled into the United States, either directly or by way of Canada.

Is "Big Business"

The Ontario Mining Association, taking note of the new twist in the racket with the return smuggling of diamonds, said high-grade ranks as "big business." Secretary S. S. McIntosh said that "even a few years ago it ran into \$1,000,000 or more a year and probably still does."

A Montreal police spokesman said the gold seizure in New York brought about the arrest Jan. 19 of a man identified as Israel Sussman. He was arrested when he arrived from Montreal by train. Later three other persons were arrested and \$90,000 worth of gold and \$45,000 in cash confiscated. The three were identified as Eva and Jack Joseph, each 22 years old, and Frank Joseph, 47, Ball ranging from \$10,000 to \$15,000 was granted.

63,000 British Immigrants For Australia In '52

CANBERRA, Australia, Jan. 30 (Reuters)—Immigration Minister Harold Holt said today 63,000 British immigrants will be among the 150,000 new settlers Australia expects this year. But he told a citizenship convention here: "If there are people in Australia who are prepared to nominate British migrants and to provide accommodation, the only limit is that imposed by the amount of shipping to bring them all."

Conference Of Defence Ass'ns Meets Today

OTTAWA, Jan. 30 (CP)—The Conference of Defence Associations, an influential group of wartime army officers, meets here tomorrow and the government will be coking an ear for another possible blast on compulsory training in the reserve forces. The question is on the agenda again this year, an announcement said today, but whether the same sort of demand will emerge remains to be seen. The regular forces are in much better shape than they were a year ago but the three reserve forces have added only about 3,500 men in the same period. The delegates will get a chance to say farewell to Earl Alexander, retiring governor-general, who will entertain them tomorrow. The organization is made up of four members appointed by each of the various army reserve force corps associations.

Xavier Cugat Sued For Divorce

SANTA MONICA, Calif., Jan. 30 (AP)—Xavier Cugat "kept me in a state of virtual slavery," Lorraine Cugat testified yesterday in obtaining a divorce from the band-leader on grounds of mental cruelty. He flew into insane rages for no reason at all," said Mrs. Cugat, 33, herself a phubba band leader. She added that when they were dancing together he would smile and at the same time pinch her or dig his nails into her hands and call her sweet names. Under a recently-approved property settlement, Cugat is to retain their \$85,000 Brentwood home and she is to receive \$152,000 in all-money over a 10-year period.
