"Why Some Succeed"

The shrewd advertiser
is the one who knows
how, when and where to advertise.
The merchants who
advertise in
THE EXAMINER
are not the men
to make mistakes,
as you can see for yourself.
But you may get the benefit
of their experience
by watching
how, when and where they advertise.
Some papers pay advertisers,
some do not,
many do not.
Only a few pay,
and they can be picked out
by the large amount of advertising they do.

McKAY
WOOLEN COMPANY

We have again been applying the pruning knife. The process was a cutting one, but the results have been most satisfactory.

Children's Clothing has been booming. Keen and practiced buyers have been led our way by the unprecidented values we have given in this department.

We can say ditto about all our clothing. We started this spring with the largest and most carefully selected stock of clothing ever showu on the Island, an inspection of which has always caused a sale. The reason is plain, we have the right goods at the right prices.

Waterproof Coats have come in for a share of the demand, and we are just opening up a new stock of these goods to-day.

When you want anything in the line of Hats and Caps, Gents' Furnishings, Underwear, or Bicycle Furnishings, the Bargain Corner is the place to come.

MR DAVIES IS CONFIDENT

Halifax, June 2.—(Special.)—Hon L. H. Davies is here from Prince Edward Island and says that province will return five supporters of Mr. Laurier. Mr. Davies has upper province advices which tell that Ontario and Quebec will disastrously defeat the Government. Mr. Davies professes to see in Nova Scotia signs of increased Liberal representation."

We clip the foregoing from one of THE EXAMINER'S exchanges. Mr. Davies appears to be at his old tricks—prophesying success. He has done so before, but election day has usually shown how far astray his predictions are. It will be noted that Mr. Davies only "professes" to see signs in Nova Scotia. The reporter puts it very nicely for Mr. Davies.

WHAT A LIBERAL VICTORY MEANS

"Liberal success will be a long step toward independence and annexation, and means that Wilfrid Laurier will be the next Prime Minister, who is outspoken in favor of Canadian independence, and is believed to be an annexationists at heart. His sympathies are at least more with the United States than with Great Britain, both commercially and politically. He has no love for royalty, and his speeches and writings show a tendency towards separation from Great Britain."—Washington despatch to the Chicago Record

—Halifax Herald: Since 1874, when the present Corrupt Practices Act was passed, there have been in all 136 members of the Canadian House of Commons unseated for bribery and corruption, and 9 disqualified. Of those unseated 88 were grits and 48 liberal-conservatives, and of those disqualified 8 were grits and only one was a liberal-conservative. And during the greater part of the 26 years in question the liberal conservative members of the house of commons numbered about two to every one of their grit opponents. With twice as many conservatives as grits being elected, there was twice as many grits as conservatives unseated.

STILL IN HIS PRIME.

North Hastings' Oldest Inhabitant Hale and Hearty.

Josias Moore, of Bancroft, Ont., one of the oldest and best-known residents of Hastings County, can boast of wonderful health and vigor for his age.

"Although I am over 84 years of age," he says, "I feel as young as ever I did."

Mr. Moore, however had a narrow escape from death about a year ago. "I was so bad with indigestion," he writes, "that the doctors gave me up. I tried various alleged remedies but found them no good. One day our popular druggist, F. C. Humphries, sent me a sample of Dr. Chase's Kidney-Liver Pills to try. The result was marvellous. After taking two I was able to get up. Then I sent for a box. I could soon eat anything. In a short time I was able to walk two miles, to Bancroft and back, with ease."

Dr. Chase's Kidney-Liver Pills will, without fail, cure all kidney, liver, stomach and blood troubles. For sale by all dealers. Price 25 cents. One pill a dose; one cent a dose. Edmanson, Bates & Co., manufacturers, Toronto.

Chase's Syrup of Linseed and Turpentine is the latest discovery for coughs asthma and consumption. It is pleasant, quick and certain. 25 cents.

LACHINE RAPIDS HYDRAULIC CO.

The Montreal Witness reports that a meetiag of the shareholders of the Lachine Rapids Hydraulic and Land Company, limited, was held at the offices, No. 17 St. John St., on Tuesday afternoon. Mr. George B. Burland, the President, was in the chair, and there were also present, Mr. Alexander Fraser, of Ottawa; Messrs. James Shearer, Peter Lyall, W. F. Evaes, E. Kirk Greene, R. Wilson-Smith, M. P. Davies, J. M. Fortier, Thomas Pringle, W. H. Davis, W. McLea Walbank and Alex. Pringle. Messrs. Robert M. Cox, F. Hellier and K. F. Walbank, out of town shareholders, were represented by proxy. The half million dollars of the company's stock then unsubscribed for will not be placed on the market, for within half an hour the shareholders present had not only subscribed for this half million dollars' worth, but had over subscribed to the extent of $40,000. It was decided to increase the capital stock to $2,000,000, and to issue the next $250,000 worth at 50 per cent premium, and to proceed at once to the construction of the conduit and distribution in the city. In all the principal streets the wires will be placed underground. Should this fresh stock not be subscribed for at the fifty per cent. premium the present shareholders will take it all up themselves.

A correspondent who recently visited the Empress Eugene contradicts the reports as to her ill-health. The Empress, who is now 70, was looking exceedingly well and very handsome for a women of her years. Her features still preserve their clear-cut beauty. Her eyes are bright and her hair, which is white, adds much to her air of distinction.

ELECTION WAR-CRY FOR EAST QUEEN'S

(Air, "Bonnie Dundee.")

To Electors of East Queen's 'twas Martin did speak,
I pledge you the Railway which long you did seek;
The head of the Party at Charlottetown spoke,
If you get not the Railway may my Party be broke.

Chorus.

Come give me your votes
Every one to a man,
Come pile in your ballots
And do what you can
The Southern Railway the War-cry shall be
Of Murray Harbor and Belfast, Valleyfield and Dundee.

Martin has spoken in words that are plain,
The Grits they run backward their leaders are slain;
And William is dying, said "For me there is no help
For that de'il of a Martin is after my scalp."

Chorus.

From the cliffs beyond Keppoch to King's County line,
From High-bank on the South to the Northern brine;
Ten thousand electors, independent and free,
Will poll for the Railroad their ballots or dee.

Chorus.

Then away to the polls the 'wenty-third for to squelch,
That foe of our Railway the useless Bill Welsh;
And tremble false Grits ye recreant crew,
Ye polititical jackasses not a ballot for yea.

A QUERY

Mr. Laurier in his campaign speech at Winnipeg, as reported in the Toronto Globe of September 4, 1894, said: "And now I will ask you, what is the policy of the Liberal party? I refer to freedom of trade such as exists in England, freedom of trade as is practiced in Great Britain, freedom of trade as was in vogue at the time of Cobden.

"We shall give you free trade, and although it will be a hard fight, we shall not give in an inch, or retrace one step, until we shall have reached the goal, and that is the same policy of free trade as it exists in England to-day."

Mr. Laurier, in a letter to G. H. Betram, of Toronto, June 1st, 1896, says:—

"Whether a policy of absolute freedom of trade would or would not be injurious to the manufacturing industries of this country, is a question which I will not stop to discuss here. There is no occasion for such a discussion, as the intention of the Liberal party is not, and never was, to establish absolute free trade in this country."

What confidence, pertinently asks the Montreal Gazette, can the business men of Canada place in a man who contradicts himself like this?

—Referring editorially to Archbishop O'Brien's letter, the Ottawa Journal (Independent) says:—"The letter of Archbishop O'Brien, of Halifax, from Rome to the Antigonish Casket on the school question, is a letter which seems absolutely legitimate and fair from any civil standpoint. He appeals in the strongest manner to Catholics to support the cause of Remedial legislation, but he does not emphasize his appeal by any use of his official or spiritual authority to prevent Catholics judging of the merits of his appeal by their own consciences and reason. Thus the Archbishop uses only the common right of every citizen to appeal to his fellow citizens. His eminent religious position must undoubtedly give his appeal unusual and special weight. But why not? The political appeal of a citizen who has attained success and prominence in any line, political, scientific or mercantile, has special weight by virtue of his position. We see no reason why a clergyman should be differently judged, provided he speaks as a citizen and not as a spiritual guide.

Mothers
Anxiously watch declining health of their daughters. So many are cut off by consumption in early years that there is real cause for anxiety. In the early stages, when not beyond the reach of medicine, Hood's Sarsaparilla will restore the quality and quantity of the blood and thus give good health. Read the following letter:
"It is but just to write about my daughter Cora, aged 19. She was completely run down, declining, had that tired feeling, and friends said she would not live over three months. She had a bad
Cough
and nothing seemed to do her any good. I happened to read about Hood's Sarsaparilla and had her give it a trial. From the very first dose she began to get better. After taking a few bottles she was completely cured and her health has been the best ever since." MRS. ADDIE PECK, 12 Railroad Place, Amsterdam, N. Y.
"I will say that my mother has not stated my case in as strong words as I would have done. Hood's Sarsaparilla has truly cured me and I am now well." CORA PECK, Amsterdam, N. Y.
Be sure to get Hood's, because

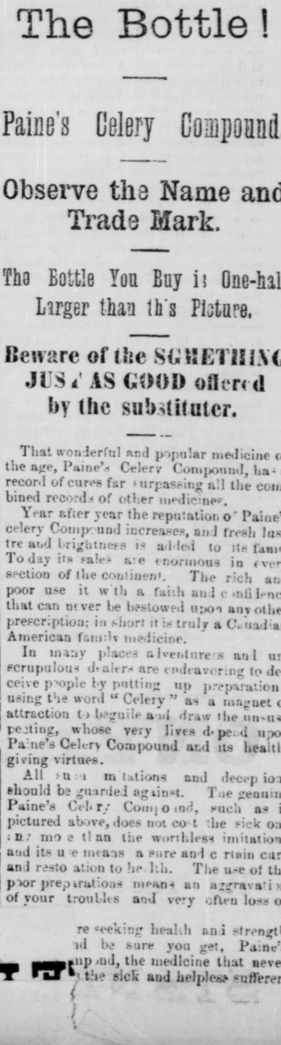
WHY UNCLE SAM SUPPORTS HIM.

"The Liberal party stands for free trade on broad lines, such as exists in Great Britain. We stand here against protection, and in favor of a tariff based upon the principle of revenue and nothing else."—Mr. Laurier at Montreal.

"As for Canadian manufacturers, they are notoriously unable to compete with those of the United States, and would disappear to morrow were the revenue barrier removed.—New York Sun.



The Bottle!
Paine's Celery Compound.
Observe the Name and Trade Mark.
The Bottle You Buy is One-half Larger than this Picture.
Beware of the SOMETHING JUST AS GOOD offered by the substituter.

That wonderful and popular medicine of the age, Paine's Celery Compound, has a record of cures far surpassing all the combined records of other medicines.
Year after year the reputation of Paine's celery Compound increases, and fresh lustre and brightness is added to its fame. To day its sales are enormous in every section of the continent. The rich and poor use it with a faith and confidence that can never be bestowed upon any other prescription; in short it is truly a Canadian American family medicine.
In many places adventurers and unscrupulous dealers are endeavoring to deceive people by putting up preparations, using the word "Celery" as a magnet of attraction to beguile and draw the unsuspecting, whose very lives depend upon Paine's Celery Compound and its health-giving virtues.
All such imitations and deceptions should be guarded against. The genuine Paine's Celery Compound, such as is pictured above, does not cost the sick one any more than the worthless imitations and its use means a sure and certain cure and restoration to health. The use of the poor preparations means an aggravation of your troubles and very often loss of
re seeking health and strength
d be sure you get, Paine's
mpound, the medicine that never
the sick and helpless sufferer.
